The Womans Missionary Union Annual Session will meet with the Bethlehem Baptist Church, Shelby, April 4, 1967.

The Double Springs Baptist Church was organized in 1844 with 34 charter members. The church grew out of a background of religious services conducted by Drury Dobbins and others. The people first met together on a slope near two large springs, which gave the church its name. The Kings Mountain Baptist Association was organized at a meeting held at Double Springs on November 7, 1851 and celebrated it's Centennial by meeting there in 1950. Since its organization the Association has met six times. (1896, 1880, 1900, 1924, 1950 and 1966)

Rev. C. A. Kirby, Jr. came to Double Springs in 1962 from the First Baptist Church of Carthage, N. C. He attended Wingate Junior College and Furman University and graduated from Southern Seminary. His wife is the former Katherine Humphries and they have four children: Mrs. Wayen Clary of Shelby, C. A., III, a Junior in Mars Hill College, Mary and Roy. While at Carthage Rev. Kirby was moderator of the Sandhills Association.

REPORTS OF RESOLUTIONS COMMITTEE

Be It Resolved That:

We express our appreciation to the Double Springs Baptist Church and pastor, C A. Kirby, for the use of their facilities and the gracious welcome extended to us by all concerned. For their assistance in providing the fine meal we express appreciation to the churches of the Lattimore Group: Beaver Dam, Boiling Springs, Double Springs, Flint Hill, Lattimore, Mount Sinai, Pleasant Ridge, Poplar Springs, and Sandy Plains.

We acknowledge with gratitude the services rendered by the Registration Committee.

We commend our moderator, James Holder for the efficient manner and fine spirit he displayed in guiding the One Hundred-Sixteenth Annual Session of the Kings Mountain Baptist Association.

We commend the Program Committee for their outstanding service in arranging a program which would inform us about Baptist work, particularly within our association, and inspire us to greater heights of endeavor.

We express appreciation to each person taking part in the program, especially our denominational workers.

We commend our Supt. of Missions, C. O. Greene, for his continued fine leadership, and Mrs. Odessa Cripp, his secretary, for her able assistance.

We gratefully acknowledge the able service rendered by the following news media: The Shelby Daily Star, Cleveland Times, Kings Mountain Herald, and radio stations WOHS, WADA, and WKMT.

We commend our clerk, Billy Washburn, for faithfully and efficiently performing the tasks relative to that office.

We reaffirm our appreciation to Gardner-Webb College in its Decade of Advance program for making rapid progress toward providing our area with a senior college with "an extra dimension."

This committee being charged with the responsibility of writing letters of commendation on behalf of pastors who leave our association, we list the following pastors who left our association during the year: Bomar Raines, Max Burgin, Bill Shytle, David C. Wesson, and Joe Belcher.

Respectfully submitted,
Paul B. Johnson

SEMINARY EXTENSION REPORT

The need for learning opportunities is a recognized concern of our day. This is true both of the secular and religious fields. Many who have never had the opportunity of college or seminary training have a desire and need to further their Christian education for more effective service for our Christ and the church. Through the seminaries of the Southern Baptist Convention a program was begun in 1951 to make possible such opportunities. The Seminary Extension Department was created to provide both pastors and laymen additional training.

Last year the work of the Seminary Extension Department was begun in our association with a study in the book of John for the pastors. Twenty-three of our men were enrolled. At present, a study is in progress in the book of Amos, the forthcoming January Bible Study. Eighteen pastors are enrolled this year.

The laity have also had their opportunity. Last January 31st through March 28th two Bible survey courses were offered. We had twelve enrolled in the New Testament class and sixteen in the Old Testament. The enthusiasm of these laity was indeed gratifying and encouraging. Many have given testimony to the blessings and benefits they received from their studies. On February 2, 1967, another nine-weeks school will begin for the laity, and the courses offered will be a completion of the Old and New Testament surveys which were begun in the first school.

All the courses held thus far have been on a nine-week schedule, meeting one day a week for a two hour class session.

It is our sincere desire that many more will make plans to avail themselves of this opportunity to "study to show themselves approved unto God, workmen which needeth not to be ashamed, rightly dividing the word of truth."

Respectfully submitted,
Raymond C. Needham, chairman
Seminary Extension Committee

IN MEMORIAM

"Wheresoever this gospel shall be preached throughout the whole world, this also that she hath done shall be spoken of for a memorial of her." Mark 14:9.

This tribute of Jesus to Mary of Bethany is a tribute to all who die in the Lord. The service they rendered to our Lord are their memorials. To the extent that their lives still bless the world they are still with us. They live with us through the influences they set in motion during their earthly living. We rise up and call them blessed when we remember that what they did has helped us along the way, and that all of us are Pilgrims who are looking "For a city whose builder and maker is God."

Of these loved ones who have now entered that "city" it can be said that "In all these things they are more than conquerors through Him that loves us." They are victors over life and death; and even more, because they have come into an inheritance prepared from the foundation of the world.

We would pay tribute especially to two of our pastors who have entered into their eternal rewards. Rev. Lawrence Roberts, a native of this county, served as a faithful shepherd for many years and who was an efficient and faithful clerk of this association for 17 years. At the time of his death he was interim pastor of Elizabeth, his home church. The other was Rev. Jesse Blalock a faithful pastor of many years in this and other associations. Perhaps the greatest tribute we can pay to these beloved and dedicated men is that which was said of David, "For David, after he had served his own generation by the will of God, fell on sleep."

As we live in the afterglow of the lives of our beloved dead we thank God for the blessed memories and seek to follow in their train.

Respectfully,
W. P. Biggerstaff

REPORT OF THE AUDITING COMMITTEE

We have examined the accounts of the Kings Mountain Baptist Association maintained by Rev. Billy G. Washburn for the Year ending September 30, 1966.

The examination consisted of tracing all recorded cash receipts to the bank statements and of verifying disbursements on a test basis of examination of invoices and canceled checks.

In our opinion the statements of receipts and disbursement as shown on pages R 18 and R 19 in this volume presents fairly the financial transactions of the Kings Mountain Baptist Association for the year ending September 30, 1966.

Respectfully Submitted,
Joseph M. Wright, Chairman

By-Law X The Confessions of Faith

The Baptist Faith and Message as revised and adopted by the Southern Baptist Convention on May 9, 1963.

ARTICLES OF FAITH

I. THE SCRIPTURES

The Holy Bible was written by men divinely inspired and is the record of God's revelation of Himself to man. It is a perfect treasure of divine instruction. It has God for its author, salvation for its end, and truth, without any mixture of error, for its matter. It reveals the principles by which God judges us; and therefore is, and will remain to the end of the world, the true center of Christian union, and the supreme standard by which all human conduct, creeds, and religious opinions should be tried. The criterion by which the Bible is to be interpreted is Jesus Christ.

II. GOD

There is one and only one living and true God. He is an intelligent, spiritual, and personal Being, the Creator, Redeemer, Preserver, and Ruler of the universe. God is infinite in holiness and all other perfections. To Him we owe the highest love, reverence, and obedience. The eternal God reveals Himself to us as Father, Son, and Holy Spirit, with distinct personal attributes, but without division of nature, essence, or being.

A. God the Father

God as Father reigns with providential care over His universe, His creatures, and the flow of the stream of human history according to the purposes of His grace. He is all powerful, all loving, and all wise. God is Father in truth to those who become children of God through faith in Jesus Christ. He is fatherly in His attitude toward all men.

B. God the Son

Christ is the eternal Son of God. In His incarnation as Jesus Christ He was conceived of the Holy Spirit and born of the virgin Mary. Jesus perfectly revealed and did the will of God, taking upon Himself the demands and necessities of human nature and identifying Himself completely with mankind yet without sin. He honored the divine law by His personal obedience, and in His death on the cross He made provision for the redemption of men from sin. He was raised from the dead with a glorified body and appeared to His disciples as the person who was with them before His crucifixion. He ascended into heaven and is now exalted at the right hand of God where He is the One Mediator, partaking of the nature of God and of man, and in whose Person is effected the reconciliation between God and man. He will return in power and glory to judge the world and to consummate His redemptive mission. He now dwells in all believers as the living and ever present Lord.

C. God the Holy Spirit

The Holy Spirit is the Spirit of God. He inspired holy men of old to write the Scriptures. Through illumination He enables men to understand truth. He exalts Christ. He convicts of sin, of righteousness and of judgment. He calls men to the Saviour, and effects regeneration. He cultivates Christian character, comforts believers, and bestows the spiritual gifts by which they serve God through His church. He seals the believer unto the day of final redemption. His presence in the Christian is the assurance of God to bring the believer into the fullness of the stature of Christ. He enlightens and empowers the believer and the church in worship, evangelism, and service.

III. MAN

Man was created by the special act of God, in His own image, and is the crowning work of His creation. In the beginning man was innocent of sin and was endowed by His Creator with freedom of choice. By his free choice man sinned against God and brought sin into the human race. Through the temptation of Satan man transgressed the command of

God, and fell from his original innocence; whereby his posterity inherit a nature and an environment inclined toward sin, and as soon as they are capable of moral action become transgressors and are under condemnation. Only the grace of God can bring man into His holy fellowship and enable man to fulfill the creative purpose of God. The sacredness of human personality is evident in that God created man in His own image, and in that Christ died for man; therefore every man possesses dignity and is worthy of respect and Christian love.

IV. SALVATION

Salvation involves the redemption of the whole man, and is offered freely to all who accept Jesus Christ as Lord and Saviour, who by His own blood obtained eternal redemption for the believer. In its broadest sense salvation includes regeneration, sanctification, and glorification.

A. Regeneration, or the new birth is a work of God's grace whereby believers become new creatures in Christ Jesus. It is a change of heart wrought by the Holy Spirit through conviction of sin, to which the sinner responds in repentance toward God and faith in the Lord Jesus Christ.

Repentance and faith are inseparable experiences of grace. Repentance is a genuine turning from sin toward God. Faith is the acceptance of Jesus Christ and commitment of the entire personality to Him as Lord and Saviour. Justification is God's gracious and full acquittal upon principles of His righteousness of all sinners who repent and believe in Christ. Justification brings the believer into a relationship of peace and favor with God.

B. Sanctification is the experience, beginning in regeneration, by which the believer is set apart to God's purposes, and is enabled to progress toward moral and spiritual perfection through the presence and power of the Holy Spirit dwelling in him. Growth in grace should continue throughout the regenerate person's life.

C. Glorification is the culmination of salvation and is the final blessed and abiding state of the redeemed.

V. GOD'S PURPOSE OF GRACE

Election is the gracious purpose of God, according to which He regenerates, sanctifies, and glorifies sinners. It is consistent with the free agency of man, and comprehends all the means in connection with the end. It is a glorious display of God's sovereign goodness, and is infinitely wise, holy, and unchangeable. It excludes boasting and promotes humility.

All true believers endure to the end. Those whom God has accepted in Christ, and sanctified by His Spirit, will never fall away from the state of grace, but shall persevere to the end. Believers may fall into sin through neglect and temptation, whereby they grieve the Spirit, impair their graces and comforts, bring reproach on the cause of Christ, and temporal judgments on themselves, yet they shall be kept by the power of God through faith unto salvation.

VI. THE CHURCH

A New Testament church of the Lord Jesus Christ is a local body of baptized believers who are associated by covenant in the faith and fellowship of the gospel, observing the two ordinances of Christ, committed to His teachings, exercising the gifts, rights, and privileges invested in them by His Word, and seeking to extend the gospel to the ends of the earth.

This church is an autonomous body, operating through democratic processes under the Lordship of Jesus Christ. In such a congregation members are equally responsible. Its Scriptural officers are pastors and deacons.

The New Testament speaks also of the church as the body of Christ which includes all of the redeemed of all the ages.

VII. BAPTISM AND THE LORD'S SUPPER

Christian baptism is the immersion of a believer in water in the name of the Father, the Son, and the Holy Spirit. It is an act of obedience symbolizing the believer's faith in a crucified, buried, and risen Saviour, the believer's death to sin, the burial of the old life, and the resurrection to walk in newness of life in Christ Jesus. It is a testimony to his faith in the final resurrection of the dead. Being a church ordinance, it is prerequisite to the privileges of church membership and to the Lord's Supper.

The Lord's Supper is a symbolic act of obedience whereby members of the church, through partaking of the bread and the fruit of the vine, memorialize the death of the Redeemer and anticipate His second coming.

VIII. THE LORD'S DAY

The first day of the week is the Lord's Day. It is a Christian institution for regular observance. It commemorates the resurrection of Christ from the dead and should be employed in exercises of worship and spiritual devotion, both public and private, and by refraining from worldly amusements, and resting from secular employments, work of necessity and mercy only being excepted.

IX. THE KINGDOM

The Kingdom of God includes both His general sovereignty over the universe and His particular kingship over men who willfully acknowledge Him as King. Particularly the Kingdom is the realm of salvation into which men enter by trustful, childlike commitment to Jesus Christ. Christians ought to pray and to labor that the Kingdom may come and God's will be done on earth. The full consummation of the Kingdom awaits the return of Jesus Christ and the end of this age.

X. LAST THINGS

God, in His own time and in His own way, will bring the world to its appropriate end. According to His promise, Jesus Christ will return personally and visibly in glory to the earth; the dead will be raised; and Christ will judge all men in righteousness. The unrighteous will be consigned to Hell, the place of everlasting punishment. The righteous in their resurrected and glorified bodies will receive their reward and will dwell forever in Heaven with the Lord.

XI. EVANGELISM AND MISSIONS

It is the duty and privilege of every follower of Christ and of every church of the Lord Jesus Christ to endeavor to make disciples of all nations. The new birth of man's spirit by God's Holy Spirit means the birth of love for others. Missionary effort on the part of all rests thus upon a spiritual necessity of the regenerate life, and is expressly and repeatedly commanded in the teachings of Christ. It is the duty of every child of God to seek constantly to win the lost to Christ by personal effort and by all other methods in harmony with the gospel of Christ.

XII. EDUCATION

The cause of education in the Kingdom of Christ is co-ordinate with the causes of missions and general benevolence, and should receive along with these the liberal support of the churches. An adequate system of Christian schools is necessary to a complete spiritual program for Christ's people.

In Christian education there should be a proper balance between academic freedom and academic responsibility. Freedom in any orderly relationship of human life is always limited and never absolute. The freedom of a teacher in a Christian school, college, or seminary is limited by the pre-eminence of Jesus Christ, by the authoritative nature of the Scriptures, and by the distinct purpose for which the school exists.

XIII. STEWARDSHIP

God is the source of all blessings, temporal and spiritual; all that we have and are we owe to Him. Christians have a spiritual debtorship to the whole world, a holy trusteeship in the gospel, and a binding stewardship in their possessions. They are therefore under obligation to serve Him with their time, talents, and material possessions; and should recognize all these as entrusted to them to use for the glory of God and for helping others. According to the Scriptures, Christians should contribute of their means cheerfully, regularly, systematically, proportionately, and liberally for the advancement of the Redeemer's cause on earth.

XIV. COOPERATION

Christ's people should, as occasion requires, organize such associations and conventions as may best secure cooperation for the great objects of the Kingdom of God. Such organizations have no authority over one another or over the churches. They are voluntary and advisory bodies designed to elicit, combine, and direct the energies of our people in the most effective manner. Members of New Testament churches should cooperate with one another in carrying forward the missionary, educational, and benevolent ministries for the extension of Christ's Kingdom. Christian unity in the New Testament sense is spiritual harmony and voluntary cooperation for common ends by various groups of Christ's people. Cooperation is desirable between the various Christian denominations, when the end to be attained is itself justified, and when such cooperation involves no violation of conscience or compromise of loyalty to Christ and His Word as revealed in the New Testament.

XV. THE CHRISTIAN AND THE SOCIAL ORDER

Every Christian is under obligation to seek to make the will of Christ supreme in his own life and in human society. Means and methods used for the improvement of society and the establishment of righteousness among men can be truly and permanently helpful only when they are rooted in the regeneration of the individual by the saving grace of God in Christ Jesus. The Christian should oppose in the spirit of Christ every form of greed, selfishness, and vice. He should work to provide for the orphaned, the needy, the aged, the helpless, and the sick. Every Christian should seek to bring industry, government, and society as a whole under the sway of the principles of righteousness, truth, and brotherly love. In order to promote these ends Christians should be ready to work with all men of good will in any good cause, always being careful to act in the spirit of love without compromising their loyalty to Christ and His truth.

XVI. PEACE AND WAR

It is the duty of Christians to seek peace with all men on principles of righteousness. In accordance with the spirit and teachings of Christ they should do all in their power to put an end to war.

The true remedy for the war spirit is the gospel of our Lord. The supreme need of the world is the acceptance of His teachings in all the affairs of men and nations, and the practical application of His law of love.

XVII. RELIGIOUS LIBERTY

God alone, is Lord of the conscience, and He has left it free from the doctrines and commandments of men which are contrary to His Word or not contained in it. Church and state should be separate. The state owes to every church protection and full freedom in the pursuit of its spiritual ends. In providing for such freedom no ecclesiastical group or denomination should be favored by the state more than others. Civil government being ordained of God, it is the duty of Christians to render loyal obedience thereto in all things not contrary to the revealed will of God. The church should not resort to the civil power to carry on

its work. The gospel of Christ contemplates spiritual means alone for the pursuit of its ends. The state has no right to impose penalties for religious opinions of any kind. The state has no right to impose taxes for the support of any form of religion. A free church in a free state is the Christian ideal, and this implies the right of free and unhindered access to God on the part of all men, and the right to form and propagate opinions in the sphere of religion without interference by the civil power.

During consideration the following actions were taken:

The motion was seconded. In the discussion which followed it was made clear that (a) this does not give the Finance Committee authority over the Association since no final decision could be made except by the Association or its General Board, (b) when a matter of such nature was referred to the Finance Committee by the Association in session or its General Board, the Finance Committee would be obligated to bring back a report. This amendment was adopted.

35. Rev. Kirby recognized another former pastor, Rev. Frank Monroe.

36. Rev. James Holder presented a message intitled, 'What We Hope To Do.' This message appears elsewhere in this volume.

37. Mr. Jolley introduced the Gardner-Webb Ensemble with Mr. Jerry Hill directing. The group provided a period of special music composed of the following numbers: "Praise the Lord," "Come Christians Now to Sing," and "I Will Arise And Go To Jesus."

38. Moderator, James Holder, announced that Dr. Perry Crouch, Executive Secretary of the State Convention, who was to bring us a message on our objectives as Baptists in North Carolina, could not be with us. He presented Dr. Bob Bruhn who relinquished a part of his time to Rev. Guy Cain. Rev. Cain spoke on existing and new annuity programs.

Dr. Bruhn emphasized the fact that we live in an age of revolutions. He said we could sleep through these revolutions as did Rip Van Winkle during the American Revolution, but that as churches of Jesus Christ, we should deal with the revolutions. He named three revolutions that cry for our attention: (1) racial (he did not use the term, "racial," but referred to "that significant portion of our society" which is crying out for equal rights and opportunities), (2) secular, and (3) sexual. He said that the church needs to address itself to these revolutions by giving the gospel to the people.

39. Dr. Bruhn announced that Dr. Crouch could not be here because of the illness of his wife who was going today for tests of a very important nature.

40. Rev. Kirby was again recognized for announcements concerning the noon meal after which Rev. Frank Monroe led the closing prayer and asked God's blessings on the meal. The assembly was then adjourned for lunch.

Friday Afternoon, October 21, 1966

41. After a prelude by Mrs. Bailey, Mr. Robert Decker led the hymn, "O How I Love Jesus," which was followed by prayer led by Rev. Robert C. Mann.

42. In a period of miscellaneous business:

(1) Rev. Holder referred us to a letter which had been distributed among the messengers. The letter was prepared by Mr. Johnny Enloe, Finance Chairman of South Mountain Baptist Camp. It indicated something of the work of the Camp and appealed to the churches for financial aid.

(2) Rev. Max Linnins emphasized "Operation Santa Claus," the program that seeks to provide Christmas gifts for patients at Broughton Hospital in Morganton, sponsored by the Cleveland County Mental Health Society.

(3) Rev. Oscar Funderburke moved that the moderator's message be printed in the annual minutes. This motion was seconded and carried.

(4) The Moderator appointed the following Committee on Place and Preacher: Rev. Oscar Funderburke, Chairman, Mrs. Lawrence Roberts, and Mrs. C. C. Warlick.

43. The following reports were presented and adopted:

(1) The Sunday School Report presented by Rev. Hugh Borders.

(2) The Training Union Report presented by Rev. James Sides, who relinquished his time to Rev. Dale Clark, New Training Union Director.

(3) The W.M.U. Report presented by Mrs. S. C. Harrill (As ladies filed in with posters illustrating her points, Mrs. Harrill said that it is the work of the W.M.U. to teach missions, lead persons to participate in missions, provide organization for special mission projects, and provide and interpret information regarding the work of the church and denomination.

(4) The Music Report presented by Mr. Allen Jolley who relinquished his time to Mr. Morris Jordan, new Director, who shared plans for the coming year.

44. The Moderator reported that a message had been sent to Rev. George Julian and flowers to Mrs. W. E. McSwain according to instructions.

46. Dr. Paul Johnson presented the report of the Resolutions Committee. It was adopted as printed elsewhere in this volume.

47. Rev. Joel Jenkins, Pastor of New Hope, brought the Missionary Message using as his text Luke 14:12-23 and speaking on the subject, "Hi-Way Evangelism." He made the following points: (1) Our churches have become "refined" which brings the danger that we will lose sight of the dirty, sinsick world around us, (2) our churches are on the "decline" in the midst of which we need to consider those we are not reaching, and (3) our churches are characterized by the "sublime" which keeps our thoughts turned inward, forgetting about others. He urged the churches to be ever aware of the needy world.

48. Mrs. Wacaster, substituting for Rev. George Julian, presented the slate of officers as nominated by the Committee on Nominations. These were elected as appear in this volume.

49. Rev. Leonard Thomas, reporting for the Committee on Committees, presented their nominees which were also elected and appear in this volume.

50. The following officers were elected upon nomination from the floor:

(1) Moderator: Rev. C. A. Kirby was nominated and elected by acclamation.

(2) Vice-Moderator: Rev. Robert Mann and Rev. Norman Brown were nominated. Rev. Brown was elected.

(3) Clerk-Treasurer: Rev. Billy G. Washburn was nominated and elected by acclamation.

51. By common consent the Clerk was instructed to send a message to Dr. and Mrs. Perry Crouch.

52. Rev. W. P. Biggerstaff conducted a brief memorial service in memory of those who have deceased during the year, naming two ministers: Rev. Jesse Blalock and Rev. Lawrence Roberts.

53. The 116th annual session was adjourned with prayer by the new moderator, Rev. C. A. Kirby.

AMERICAN BIBLE SOCIETY REPORT

"The American Bible Society has grown because of the prayers and gifts of people with believing hearts. The glorious record of their voluntary and often sacrificial giving will never be known on this earth.

"We hope and pray that ever-increasing numbers of citizens will realize that the American Bible Society is the most important single enterprise in our nation. Remove the influence of the Bible and you remove the basic motivation for most of our acts of love and mercy. Nearly all of the people of the U.S.A. who give ten billion dollars a year to evangelize, heal, educate, liberate and in other ways assist their fellowman do so because of a Biblical motivation, often transmitted from a Bible-reading parent or grandparent.

"The A.B.S. program is so simple that it is scorned by some and neglected by many. It consists of selling millions of people a copy of the Holy Scriptures in the language they can read at the price they can afford to pay, which is usually less than half the cost. Gifts make up the difference. Our files are full of such factual accounts as the man who received a Bible in his own language and said later, 'I thought it was just a book but it was a new life.'

"In carrying out this program we operate with the efficiency of a great international business organization. The most modern techniques of communication are used in preparing Scriptures in the language of the people. Publications are in eye-catching covers, have large type and carry indigenous illustrations. No international concern can equal the Bible Society marketing procedure of training thousands of volunteer distributors. Even as the product—the Bible—is offered to the people, the people are attracted to the product by donated time and space in every medium of mass communication.

"Our 1966 goal is a distribution of 75,000,000 copies—one-half the world goal. If this can be maintained we will reach as many people with Scriptures in the next ten years as we have in the past 150—but it will not be nearly enough, nor will it represent a fair share of what our wealthy nation should be doing.

"The most important task in the world is before us—the American Bible Society is geared to do the job. With daring we have erected an essential new Bible House to replace one housing only 85 of our 400 workers. We have an excellent Sponsoring Committee and a capable, active Board. We also have a young devoted staff. We have the organization, the know-how, the experience. We now have dedicated partners in Bible Societies throughout the world and we have the greatest partner of all—the Lord of the Book.

"There are no outside pressures, only the inside pressures that may develop in the mind and heart."

The American Bible Society is observing its 150th anniversary this year, having been organized on May 12, 1816 in New York City. Gifts from individuals, churches, and other groups should be made through the church (giving denomination) and sent to the Secretary of the American Bible Society: Dr. Robert T. Taylor, 450 Park Ave., New York, N. Y. 10022.

Respectfully submitted,
Rev. T. W. Bray

ANNUITY BOARD REPORT

For the first time in two years, all ministers who are not enrolled in the **Southern Baptist Protection Plan** are being informed about its benefits. A direct mail campaign has been conducted to give ample information to prospective ministers in each state convention.

The Southern Baptist Protection Plan provides benefits for age, disability and widow. Cost for the protection is based on the minister's salary, and is 10 per cent of any amount up to \$4,000 a year. The minister's church is encouraged to pay the total cost. In some cases the minister and church share the cost. The maximum amount a church can pay in the basic plan is \$400 a year if its minister is under 60 years of age.

Enrollment has reached 10,054 in the **Health Benefit Plan**. During the past year, promotional emphasis has been placed on this plan.

The Health Plan is an all-inclusive program of hospital, surgical and major medical benefits. Enrollment is open on a semi-annual basis. The next enrollment will be open early in the fall with the deadline on November 30, 1966.

In 1965, almost \$4 million was paid in age retirement, disability or widow benefits to annuitants through the Annuity Board's protection program. The annuitants' checks vary in amounts, depending on the length of time each was a member and the amount of dues he paid.

Since the beginning of the Annuity Board in 1918, almost \$51 million has been paid out in benefits which annuitants have termed "manna from heaven."

Today more than 16,660 churches are providing protection through the Protection Program for their ministers. Approximately 10,764 of these churches are paying the 10 per cent dues.

There are 135 of the 176 educational institutions, hospitals, children's homes, homes for the aged and other Convention agencies who have protection programs with the Annuity Board. There are more than 28,000 members in the retirement plans of the Annuity Board.

There are seven states with 70 per cent or more of the churches in the Program. At present, North Carolina has 48 per cent of the churches in the Protection Program for ministers.

Rev. Guy Cain promotes the Protection Program in North Carolina. He is jointly employed by the Annuity Board and North Carolina Baptist Convention. For information about any of the plans in the Protection Program contact Rev. Guy Cain, 301 Hillsboro Street, Raleigh, North Carolina 27603, or write the Annuity Board, SBC, 511 North Akard Building, Dallas, Texas 75201.

AUDIO-VISUAL AIDS REPORT

We have now in our associational office; a library of 125 films for the use of the churches. We also have a 16MM motion picture projector, two 300 watt Viewlex film strip and slide projectors and a tape recorder.

Many of our churches have purchased their own equipment. The "Broadman Films Church Audio-Visual Education Guide" offers generous help to the churches in the choice and use of films.

Our associational library will soon add the following new films: VISITING THE UNSAVED, PRINCIPLES OF VISITATION, FOUNDATION OF OUR BAPTIST HERITAGE and THE DESIRE OF ALL NATIONS.

BAPTIST HOSPITAL REPORT

Our Baptist Hospital and Medical School are a center of healing for body, mind and spirit, a center of training of medical personnel and Christian workers, and a center of scientific research for the advancement of medical care.

Without a vast amount of medical research, there would be no heart surgery today by which lives are saved in our Baptist Hospital almost every week; and the same would be true of almost every new method of treating us when we are sick. Without schools for the training of doctors, nurses, technicians and others, there soon would be no skilled

persons in our hospitals or in our communities to care for us when illness comes. Without a staff of highly trained and experienced specialists and a vast amount of expensive specialized equipment, our Baptist Hospital could not offer the highly skilled medical care which is available to us when serious illness strikes and a fine medical center is needed. Another very important fact is that the skilled medical care of our Hospital is made available to people who need it and cannot pay for it. These important services are the work of our Medical Center in Winston-Salem.

The kind of medical care provided by our Hospital is very expensive, and the Hospital has no choice but to ask full payment of all who can pay. The Hospital has been spending in free care for our people far more than it receives from our Mother's Day Offerings, the Cooperative Program, and all welfare agencies combined. This has caused the Hospital to run into debt the past two years and the same has been happening this year. Of course, the Hospital simply cannot continue to operate this way. Medicare is not going to change the situation greatly. Our people need to understand this and to recognize that we are going to have to provide much greater support if the Hospital is to continue to provide free service in the same measure for those who cannot pay for it.

While some of our churches support the Hospital well indeed, most of them could do far more than they have been doing. We want to bring this to your attention, asking you to go back to your church and give this information to your people and help to lead them to give serious consideration to the Hospital's vital ministry and its urgent need.

Respectfully submitted,
Dr. John C. Hamrick

BEAUTIFICATION REPORT

Request for help and information about the trees on Church properties this year have not been numerous. We did give advice and made some suggestions in a few cases.

We did help at Gardner Webb College in a Beautification Program that pleased the Architect and the Board in charge. This is to be followed up in a very earnest and impressive way, so that in years to come many beautiful trees will be added on this fine campus.

The big problem with every one now is the labor situation but we will do our best to assist in any way for a more **Beautiful Church Property**.

BIBLICAL RECORDER REPORT

Many important issues are facing North Carolina Baptists. Churches are making decisions on the Life and Work Curriculum, especially whether to use the Life and Work Sunday school lessons or the Uniform Lessons. For a period of at least six months, the RECORDER will run both lessons as a service to our churches.

In our state, changing conditions are raising serious questions about the fate of almost every institution we support. In the near future Baptists will have to decide our future course in higher education and in our Social Service institutions, especially in view of increased government participation in these areas. The RECORDER will present the issues and possible choices open to us.

In the Southern Baptist Convention, there is talk of a name change. The work of our Baptist colleges is being studied as never before. A great Crusade of the Americas is in the planning stages. All of us need to know about these developments.

In addition to issues within our own denomination, new and disturbing clouds are on the horizon elsewhere. Talk of a New Morality, the so-called Death of God Movement, and the drastic changes in young people's attitudes toward the church are being widely discussed. Christians need to be informed on these trends.

A drive is taking shape in North Carolina for liquor-by-the-drink. The 1967 General Assembly will consider such proposals and Baptists need a dependable source of information so they can act when necessary. The RECORDER will give on-the-spot coverage.

Instead of merely receiving this as a report, please take definite action to see that the RECORDER soon goes to every family in your church membership. All of us know that the RECORDER is just as important as other literature which our churches distribute, if not more so. No other publication can take the place of the BIBLICAL RECORDER.

In these inflationary times, it is refreshing to have something that is not out of reach financially. Under the Church Budget Plan, the RECORDER is available for \$2 a year—the same price it was more than 100 years ago. Your church will be a stronger church with every family receiving our state paper each week. Don't delay this important decision, especially in view of the issues facing North Carolina Baptists in the coming year.

Respectfully submitted,
J. Marse Grant, Editor

BROTHERHOOD REPORT

The major activity of the Brotherhood in our Association continues to be our R.A. Program under the leadership of Mr. Bill Philbeck. He is to be highly commended for the splendid way in which he has offered leadership, inspiration and guidance in this phase of Brotherhood work.

Quarterly meetings of the Associational Brotherhood were held this year, with special emphasis on World Missions, Christian Witness and Personal Stewardship. The Brotherhood also joined with the R.A.s in the annual R.A. Conclave held at Sandy Plains during the spring. All of these meetings were well attended.

During the year I was privileged to speak in several churches concerning the Brotherhood Program. I shall strive in the coming year to visit all of our churches and to offer assistance where possible.

The coming year will bring a new concept in Brotherhood activity in our churches. Teaching missions to ALL men, young men, and boys is the planned goal of this new program. The objective of this new program in a Baptist church is to lead men, young men, and boys to a deeper commitment to missions, to a more meaningful prayer life for missions, to a larger stewardship on behalf of missions, and to a personal involvement in missions. Mission Study and Mission Action will be given special emphasis in all phases of the work. Workshops and seminars are being planned to better acquaint and equip ALL men, young men and boys to be of greater service in the advancement of God's Kingdom.

The greatest challenge that has ever been presented to Baptist men, young men, and boys is contained in this new concept of Brotherhood work.

Brotherhood Director

CHILDREN'S HOMES REPORT

Reports are not available at this time of what our churches gave to the Baptist Children's Homes during the past associational year but will be available in the statistical reports of our minutes which will be available in the near future.

We had planned to give a brief historical sketch of the beginnings of the care of children in need of special care, but we found that such was done two years ago. Following is the report sent out from the Baptist Children's Homes. Under the impact of the life, ministry and teachings of Christ and under the leadership of the Holy Spirit, North Carolina Baptists, eighty-one years ago launched a Christian ministry of child care. This has grown considerably and is widely recognized for its qualities of service and pioneering spirit. Sons and daughters of the Children's Homes are scattered throughout the world. They are actively engaged in all walks of life and are making a significant contribution to the uplift of mankind as a result of their early Christian training made possible by North Carolina Baptists and other friends.

As we continue to build upon foundations already laid, special attention is being given certain areas of child care. An already strong program of group care is being strengthened at Mills Home, Kennedy Home and Odum Home. A good degree of progress has been realized in working with emotionally Child Development Program for preschool children, conducted on the Mills Home campus, has had an excellent first year of operation. Churches throughout the state are studying the program

conducted on the Mills Home campus, has had an excellent first year of operation. Churches throughout the state are studying the program and facilities preparatory to providing similar services. Prospects are encouraging for a home for children in the western part of the state more adequately to serve the needs of our people who live west of the Blue Ridge Mountains. Constant attention is being given to more effective ways of meeting the highly specialized needs of children coming out of broken and inadequate situations.

We have a large number of good Christian homes for the care of foster children. More are needed in all sections of the state. Foster homes serve children of all ages and are of particular advantage for some who have special needs. Foster home parents may be of varying ages and circumstances in life. Couples with or without children of their own who have an abundance of love find this to be a challenging and rewarding opportunity of Christian service.

Sincere appreciation is expressed to all who have, in any way helped to support our child care ministry. We are indeed grateful for increasing income through the Cooperative Program. Last year's Thanksgiving Offering is approaching three hundred and fifteen thousand dollars (\$315,000.00) and is the largest ever. Special gifts and designations such as the Once-a-month offering continue to provide a substantial part of our income. Through estate planning and the making of Christian wills an increasing number of individuals and families are investing in present and future generations of boys and girls who are in need of the services of the Baptist Children's Homes. Roger Williams, former pastor of the Mills Home Baptist Church, is devoting full time to working with our Baptist people in this area, and he or other members of our staff will count it a privilege to assist you in exploring this field of Christian stewardship.

We covenant with you to face the future as we have the past: to offer Christian nurture to distressed children in the Name of the Lord Jesus Christ.

CO-OPERATIVE PROGRAM REPORT

Just before Jesus went back to heaven he told His followers to go into all the world and make disciples. This is what He is saying to His followers in this twentieth century. This is the task that each church and each Christian is called to do.

When we give through the Co-operative Program we are carrying out the spirit of this last command of Jesus. It is through the Co-operative Program that we feed the hungry, clothe the naked, heal the sick, and preach the gospel to the ends of the earth.

Each year we note with joy the increased number of missionaries who can "go" and we are in an era of great mission advance on every front. It behooves each church and each Christian to support the work of missions so the advance may continue.

The most obvious way we can support missions is to give. It is gratifying to note an ever increasing amount that we give through the Co-operative Program and to all missions.

Last year's minutes reveal that we gave \$207,868.00 through the Co-operative Program—an increase of over \$20,000 given the previous year.

All but five churches in our association gave some amount through the Co-operative Program last year and only one failed to make a gift to some mission cause.

In addition to our gifts we can support the Co-operative Program through our prayers. As we pray earnestly we become more concerned and as we become more concerned we will increase our giving.

EVANGELISM REPORT

The state conference on evangelism continues to serve as a revival for the pastors and leaders of the churches in the state. The finest leaders in this field challenge the churches to greater endeavor in this area each year. We urge attendance of this conference gain in February of 1967.

The Southern Baptist Convention, meeting in Detroit last spring was challenged to commit itself to full participation in the "Crusade of the Americas". This is to be a joint crusade of North and South America in 1969 designed to win tens of thousands to faith in Christ. The Baptists of Brazil have initiated this evangelistic effort. The idea grew out of the Brazilian revivals of 1965 in which some hundred thousand people made professions of faith in the Lord. "Christ is the Only Hope" will be the crusade hymn. Dr. Hershal Hobbs has said this could be the greatest single evangelistic endeavor since the Lord walked upon the earth.

In February of this year a very successful Evangelistic Rally was held at the Bethlehem church. In spite of rain and cold the church was nearly filled and the spirit of the service was good. Rev. Hatcher Elliott and Rev. Wilburn T. Hendrix brought fine messages and led the service in a fine manner.

Let us pray for all the evangelistic efforts of our churches and begin now to plan and pray for the "Crusade of the Americas".

For information on baptisms and church memberships, see the associational clerk's report.

Wilson W. Padgett, Chairman

FOREIGN MISSIONS REPORT

At the close of 1965, there were 2,070 missionaries under appointment by the Foreign Mission Board, for service in 61 countries plus Hawaii. Two hundred and thirteen new missionaries were appointed during the year including missionary associates and missionary journeymen. Seven missionaries were reappointed.

Forty-six missionary journeymen were sent to mission fields for two years of service, and plans were made for a larger group to be sent out in 1966.

A missionary consultation, involving 281 Baptist leaders 42 countries resulted in careful studies of missionary strategy and procedures.

Special stress has been laid upon evangelism. The nation-wide evangelistic crusade in Brazil was attended by more than 150,000 persons and resulted in more than 82,000 decision for Christ. Many other major evangelistic efforts were projected during 1965.

At the close of 1965, the sum of \$1,823,505 was received through the Cooperative Program for advance. The Foreign Mission Board received through the Cooperative Program in 1965 a grand total of \$11,123,505. This amount represented 49.28 percent of the Cooperative Program funds received.

Plans have also been made for an extended orientation program for outgoing new missionaries. This is in answer to an urgently felt need on many fields.

It is hoped that 250 new missionaries may be appointed in 1966. The Board is grateful to God that reinforcement for the missionary task has come in parallel lines of life dedication and financial resources. Deepening prayer support undergirding all missionary labor is of major importance, and becomes increasingly urgent for the responsibilities of the days ahead.

Kenneth Gibson

GARDNER-WEBB COLLEGE REPORT

Lloyd C. Bost, Chairman, Board of Trustees
E. Eugene Poston, President of the College

Gardner-Webb College opened her 60th year with the largest student body and faculty in the history of the school. A total of 1,252 students have been enrolled for the fall term. There are 98 faculty and staff members.

The new Charles I. Dover Campus Center was opened during the summer of 1966. This building includes a student dining area, a faculty dining room, a lounge, post office, bookstore, faculty offices, student government and publications rooms, a modern kitchen, large recreation areas, and a beautiful fountain.

The Spangler Stadium and the V. F. Hamrick Field House and Mauney Hall will be formally dedicated October 22. Governor Dan K. Moore and Congressman Basil L. Whitener will lead in the dedication and the formal opening.

The O. Max Gardner Memorial Building has been converted into a Fine Arts Building. Studios for the music faculty, practice rooms, a band room, a recital hall, and an art department will do much to meet the needs of the student body.

One of the highlights of the past year was the adoption of a long range expansion program by the Board of Trustees and the Board of Advisors. Mr. Robert H. Rucker of the University of Oklahoma has worked a year on a Master Plan for Gardner-Webb College.

The plan is adequate enough to take care of a student body of 5,000. All the students would be within a 10 minute walk of the dormitories and the classroom buildings.

The Gardner-Webb Trustees and Advisors are working diligently toward graduating a four-year class by 1971. Detailed plans will be presented to the Council on Christian Higher Education, the General Board of the Baptist State Convention, and the Baptist State Convention of North Carolina, after adequate preparations for the senior college status have been fulfilled.

Gardner-Webb College continues as a liberal arts college with a reasonable amount of vocational education. The A. A. Degree Nursing Program, the IBM Data Processing School, and the Secretarial Department offer students vocational education on a broad liberal arts foundation.

The purpose of Gardner-Webb College is "to develop quality Christian students who will think for themselves and who will dedicate themselves to the Christian way of life in the vocation of their own choice." The trustees, the advisors, and the faculty and administration are working toward fulfilling the above stated purpose. The college will continue to serve the Baptists of North Carolina. The college leaders recognize and are proud of the fact that ownership and control of the college belong to the Baptist State Convention.

During the past year the Endowment Funds increased \$89,012 through bequests and savings. The plant assets increased \$904,065. At the present time the Gardner-Webb College Endowment Fund is valued at approximately \$1,501,347, including an irrevocable trust. The physical plant is valued at \$3,974,433. As of July 31, 1966, Gardner-Webb College owed a debt of \$500,000 to the Wachovia Bank and Trust Company. This is being amortized at the rate of \$5,000 per month, plus interest. Pledges are in hand to complete the payment of the debt, and also to complete the "Extra Dimension" program started in 1964.

GENERAL BOARD REPORT

The General Board has faithfully carried out its purpose, "to promote the interest and carry forward the work of the Association" (Article 14 in the Constitution), during the past year. This involved the filling of many offices coming vacant during the year, dealing with financial and organizational questions, informing Board members of the

work of the organizations through formal reports, and co-ordinating all our work. The effective leadership of Moderator, Rev. James Holder, and Superintendent of Missions, Rev. C. O. Greene, has meant much to the work of the Board.

Some items of special interest and important dealt with by the Board merit individual attention:

(1) Though the Seminary Extension Department is so organized that it can carry on its work without special instruction from the Board, the Board continue to back this work and in December, by special action, the Board instructed the Seminary Extension Committee to proceed with plans for a course especially designed for laymen. Following this action two classes were set up—one in Old Testament and one in New Testament — in which a total of 25 lay persons were enrolled, according to later reports from the committee. Reports indicated that all who were participating in this work were pleased with the results.

(2) In January a request was heard from Rev. Max Linnins for approval of ministerial aid for Steve Williams of Boiling Springs Baptist Church. This request was granted.

(3) In February the Board received a recommendation from the Pastor's Conference "that the General Board have a committee appointed to investigate the idea of a radio program sponsored by the Association to present the Baptist point of view." After lengthy discussion, the recommendation was adopted and the committee was appointed. The study was made and in the next meeting the committee brought for the consideration of the Board a list of guidelines for the program. In the same meeting the Missions Council recommended that \$450 be set up to finance the program through September. Upon adoption of this recommendation plans were put in motion for the program. The program began on April 9, being made available each Saturday for 30 minutes. Most of the programs were panel discussions. In the August meeting discussion was resumed on the subject in connection with discussion concerning the budget for 1966-1967. It was agreed that the value of the program was questionable and the Board voted to remove the item from the budget, thus bringing the program to an end in September.

(4) In March, when there seemed to be a good possibility for one of three state supported alcoholic rehabilitation centers being located in Cleveland County, a statement was approved indicating that the Board looked with favor upon the idea of locating a center here. Letters carrying this statement were sent to members of the committee responsible for choosing locations for the centers.

(5) In August, action was taken instructing the treasurer to purchase for \$230 a 16MM movie projector and a 300 watt slide-film strip projector, also to pay the balance on a tape recorder (\$73.60) thus making all of these machines available for all of our churches. The projectors had previously been available only to CAVE participants.

It has been a pleasure for us, the members of the General Board, to serve you throughout the year.

Respectfully submitted,
Billy G. Washburn, Clerk

*"Take heed unto yourselves lest ye forget the covenant
of the Lord your God" Deuteronomy 4:23*

One of the tasks of the Historian is to tell the Association again and again not to FORGET the covenants of our faith, or forget to be humble, or forget prayer, or forget our brother man, or forget the unsaved, or forget the beauties of the earth; and especially not to FORGET God Himself and His love, His word and works and all His benefits.

A second task of the Historian is to urge the Association to positively REMEMBER these things. Also to remember all His commandments, remember His Day, His Will and His Way. Remember His Mercies, His Songs and His Saints. Again REMEMBER the Prophets, the Past and the Poor. Above all, REMEMBER the Plan. . . .

These things I do earnestly urge you to remember and not forget.

As Historian and Chairman of the Historical Committee, I am privileged to recommend for the Committee that the Association:

1. Commit itself to the publication of a comprehensive history of itself and its churches, to be completed in 1970, four years from now.
2. Authorize the Committee to begin the immediate collection of information and data and put into proper form for publication.
3. Budget approximately \$2,500 per year to be allocated to this project, and ask the churches to increase their payments to the Association by approximately \$0.10 per resident member per year to support the History.
4. Employ qualified clerical help to work on the History, with all materials to be gathered in the Associational Center. Assignments for work would be made by the Historical Committee and supervision of the work be furnished by the Associational Missionary and the Historian.

W. Wyan Washburn, M.D. Historian

HOME MISSIONS REPORT

The Home Mission Board is grouping its resources for a creative approach to meet the near revolutionary changes which dominate life in the United States. SOCIAL CHANGES AFFECTING MISSIONS include the urbanization and industrialization of the nation, the population growth, the search for civil justice, and a revolution in morals. The Home Mission Board is seeking to discover the individual's, the church's, and the denomination's mission in a changing society.

HIGHLIGHTS IN MEETING CHANGE by the Home Mission Board include the addition of a Division of Administrative Services, a Department of Work Related to Non-Evangelicals, a Department of Christian Social Ministries, a Department of Special Mission Ministries, Art Services, Mission Property Services, and emphasis on metropolitan and academic evangelism, an associate director in the Division of Missions, and the Division of Communication.

IN SUPPORTING MISSIONS in the United States, Cuba, Puerto Rico, and Panama, Southern Baptists channeled more than \$7,900,000 through the Home Mission Board. The Cooperative Program provided \$4,365,353, including the largest Advance Section in history, \$911,753; and the Annie Armstrong Offering promoted by Woman's Missionary Union provided a record \$3,573,146. DISASTER RELIEF became a permanent ministry of the agency in the Department of Christian Social Ministries, and \$50,000 was allocated from the Advance Section for aid to hurricane-stricken areas in Louisiana.

THE MISSIONARY FORCE of over 2,000 is mostly employed under the cooperative agreements with state Baptist conventions. The lower figure of the number of missionaries is due to a restudy of missionary categories. In addition, 656 students are employed for ten weeks for the summer of 1966, and the first group of US-2ers (college graduates for two-year terms) and the first of the Christian Service Corps (mature lay persons for short terms of voluntary service) were appointed.

ACTIVE DUTY CHAPLAINS increased during the year, matching "the increased manpower and readiness" in Viet Nam. Some fifty Southern Baptist chaplains were ordered to duty during the past year, and now 528 serve with the Army, Navy, and Air Force, and the figure is expected to reach 600 before the end of 1966. 781 CHAPLAINS, in addition to those in active duty with the military, are commissioned in the reserve, student program, or National Guards with the military services. ANOTHER 233 CHAPLAINS serve full time with the veterans administration, hospitals, and other institutions and industry, plus forty-one part-time chaplains in these categories.

The Home Mission Board is providing ways the individual, the church, and the denomination can meet the needs of people. Your increased support and your sharing Christ, with a larger missionary force and staff, is urgently needed, to place God's Word in the hands of people so they will accept it in their hearts. Also, there is need for 186 more home missionaries. Needs in our land are greater today than ever before. There are more people, places and spiritual problems. Evangelism,

the starting of new churches and church-type missions, and other traditional work in home missions will receive priority. Special attention will be given to metropolitan areas, and the growing number of unchurched. Without prayer support your Home Mission Board cannot get along. Prayer is one way every one can participate in giving God's Word to the people in our land and other lands.

Respectfully submitted,
R. L. McGaha

BAPTIST HOMES FOR THE AGING REPORT

Reflection on the past year of life in our four Baptist Homes for the Aging is a reminder once again of the goodness of the Lord to us. We are constantly aware of the bountiful way in which He has blessed us, and this has been particularly true since our last report to the good people in our Baptist Associations.

During this time we have ministered to 172 deserving older men and women. All of these have been blessed by the love gifts of North Carolina Baptists, through the Special Day offering, received on the third Sunday of February each year, and through our share in the Cooperative Program. The large majority, at least 85%, have benefitted directly from these gifts and have actually been sustained at the point of their financial need.

The Special Day offering for 1966 is at an all time high and looks as if it might be \$100,000.00 for the first time. This is very good, and we are profoundly grateful. We must not forget, however, that, even though there has been a 5% increase in the offering from last year, costs have advanced by 7%. (Churches in the Kings Mountain Baptist Association contributed \$3,325.94 from July 1965 through June 1966.)

We are in the midst of miracles, and the past year has been one in which we have witnessed unusual blessings from the Lord. There have been fewer deaths than previously, and the critically ill, in many instances, have been brought back to a measure of reasonably good health. Nursing care has been of the highest quality, and you would rejoice to know how far your concern and your gifts go in ministering to the needs of the residents, particularly at the point of tender loving care in illness.

Perhaps the outstanding paradox in all of our Homes is that the first resident to receive a Medicare card, during this first year of the operation of Medicare, is our oldest resident, who never takes any medication at all and who does not need to see a doctor, or go to the hospital. She is Aunt Fannie Drumwright, who celebrated her 105th birthday in July.

It is anticipated that construction will begin on our fifth Home at Yanceyville during the coming year, and when it is completed, we will be able to minister in all of our Homes to 200 older men and women and relieve, in measure, the terrific pressure of a long waiting list of 170 people.

This ministry of love, in Christ's name, is dependent upon the concern, the love, the prayers, and the increased financial support of North Carolina Baptists. We are, therefore, going to count heavily on you and believe that you will not disappoint the aging people who are looking to you urgently for help.

Respectfully submitted,
William Poole
General Superintendent

LIBRARIAN'S REPORT

When the Apostle Paul admonished Timothy to "give attendance to reading" he was emphasizing a very important factor in Christian growth.

There are many reasons why a library is a vital part of any church program. The most obvious one is that every organization must have proper reference books if it is to do an acceptable job.

I am happy to report that the circulation of books found in the various churches of our Association has greatly increased over the past year. It is gratifying to learn of the splendid work Elizabeth church has accomplished during the past year. Their library is only one year old. Out of their eight hundred books an average of two hundred checked out per month.

To me, the church library is a staunch friend, a wise counselor, and an able assistant, standing in readiness for service to any who will draw upon its resources.

A reading church is a growing church.

BAPTIST MINISTERS' WIVES AUXILIARY REPORT

The forty-six members of the Ministers' Wives, Auxiliary to the Kings Mountain Association, have a wonderful and inspiring fellowship together in the Lord. Our varied programs during the year were based on the theme, "Keys to Christian Usefulness."

During the past year, 1965-66, the Ministers' wives voted to compile a historical record of the organization. This has just been completed. A copy of this history is to be presented to each member and a copy placed in the Baptist Center.

The Auxiliary sent a love gift in April to Mrs. W. T. Roberson, a former president, who was until recently serving as missionary in South Vietnam. We also purchased some small items for the pediatric ward of the Cleveland Memorial Hospital during the summer.

We cordially invite all wives of ministers in our association to join with us in fellowship, inspiration, and service for our Lord.

Respectfully submitted,
Mrs. Wilson Harmon
President

MISSIONS COUNCIL REPORT

The Missions Council held four meetings during the year. The organizational meeting was held on November 2, 1965. The following officers were elected:

Chairman: Fred C. Crisp

Associate Chairman: Carl Spangler

Secretary: Mrs. L. P. Williams

Finance and Administration: Norman Brown, Chairman; Hugh Dover, Aaron Phipps, A. L. Calton, George Julian

Missions Planning: Forrest Teague, Chairman; Hoyle Wright, Jennings Brooks, Hubert Dixon, Carl Spangler

Institutional and Interracial: Wayne Ashe, Chairman; George Byrd, Floyd Willis, Mrs. C. D. Forney, Jr., Mrs. L. P. Williams

Other business of the Council this year consisted of the following: arranged for our new clerk's salary to begin on October 15, 1965, and for him to use up to \$100.00 for help in preparing the material for our minutes; acquired thirty minutes of broadcasting time on radio station WOHS, Shelby, which was used for about five months before being canceled; purchased new electric typewriter for office; prepared budget for 1966-67, and numerous other matters were discussed in each of our meetings.

It has been a pleasure to have served you this year and I hope and pray we will have even a greater year in all areas of our work during the year 1966-67.

Respectfully submitted,
Fred C. Crisp, Chairman

ASSOCIATIONAL MUSIC MINISTRY REPORT

This year, as always, the goal of the associational music ministry was to provide leadership and inspiration for the churches in the associa-

tion. Music is a vital part of all of the services of the church, and an improvement in the music will be reflected in all phases of worship.

Each church has a music ministry. When a person is elected to lead the music, and to some extent supervise the music activities, there is then an organized music ministry.

Through the years the Choir Festivals have been of inestimable help in aiding the churches in the improvement of their music programs. Choirs that enter the Regional Festivals are eligible then to go to the State Festivals. For the Regional Festivals a choir must prepare two songs from memory for presentation before the judges and all the choirs present. The judges give detailed assistance as they attempt to point out strong and weak points of each choir's presentation. In this way, the director has help as he tries to improve his choirs.

This year the Regional Festival was held at Elizabeth under the direction of Bob Decker who is Director for Region Eight. Sixteen choirs from the association took part, with most of them going on to the state festival at Wake Forest College.

The music committee of the association stands ready to be of any assistance to you in every possible way. Call on them if they can help.

R. Allen Jolley

NORTH CAROLINA BAPTIST FOUNDATION REPORT

Sometimes in writing an annual report we are tempted to make a very large mistake to discover that people really read the report. The only mistake in this report may be one of over-enthusiasm for the fine way the Baptists of North Carolina are beginning to understand and use the Foundation. This has been a good year in Baptist Foundation work and we are eternally grateful to each one of you for having a part in promoting the work of the Foundation.

We are indeed grateful to the pastors of this state for the wonderful cooperation they have accorded the Baptist Foundation. They have encouraged us greatly by furnishing the names of individuals who may be interested in the Foundation; they have invited us to their church to speak on various occasions; they have been most generous with their time in discussing with us the problems, programs, and purposes of the Foundation. Many of our lay friends, lawyers, bankers, trust officers, and other interested individuals have given of their time and have helped us materially in promoting our work.

Assets of the Foundation have increased during the past year reaching approximately one million dollars including our real estate by December. Many of our people are setting up memorial funds, trust agreements, annuity agreements, and are using other services provided by the Baptist Foundation. We believe we are organized in such a manner that we can answer most any request an individual makes of us, either through the church or as an individual. By this I mean that we can visit him individually and explain the work of the Foundation and how he may participate in it, or we can go to any group meeting that would provide an opportunity to discuss will making and uses of the Foundation. We covet your continued prayers for this work and hope that in the future you will make use of the facilities of The North Carolina Baptist Foundation, Inc.

ORDINATION ADVISORY COMMITTEE REPORT

The Ordination Advisory Committee exists for the purpose of assisting churches of the Association to examine candidates for ordination to the Gospel Ministry. Each candidate is examined concerning his experience of regeneration, Divine Call to the ministry, soundness of doctrine, pastoral ethics, church policy and denominational loyalty.

Four churches called on the committee this associational year. Boiling Springs Church, Robert L. Lamb; Calvary Church, Clyde Hamrick; Lawndale Church, Cecil Buff; Westview Church, David Blanton and Alfred Snipes.

Respectfully submitted,

PASTORS' CONFERENCE REPORT

The Pastors' Conference met in the Westview Church for the monthly meetings of September, October, and November in cooperation with the Seminary Extension Class for the study of the Gospel of John.

Other meetings during the year were held in the Webb Chapel of the First Baptist Church. Some of the programs were led by Joseph T. McClain, C. O. Greene, Eugene Poston, L. P. Barnette, Marse Grant and Mrs. Wilson Harmon.

Inspiring programs and delightful fellowship accounted for excellent attendance at each meeting.

Officers for 1966-67 are: President, Russell Fitts; Vice-president, Paul Johnson; Secretary, James Graham; Chorister, Wilson Padgett; Pianist, Floyd Willis.

ROYAL AMBASSADOR REPORT

1966 was our most successful year. New chapters were started at Piedmont, Pleasant Ridge and Zoar. Our RA Conclave was the best one we have had in three years. We had 300 boys present. In 1965 we had 240. Mr. Bill Jackson, State RA Leader, was speaker.

In baseball we really bloomed. Our teams increased from 18 to 28. We had 4 leagues, with Poplar Springs winning in both junior and intermediates. New Prospect and Pleasant Grove won the other Junior Crown and was undefeated. Westview and Eastside, Shelby, were co-champions in the other intermediate league. Boys registered increased from 285 to 514. The All-Star games were evenly matched. The Junior game was 3-0 and the intermediate game was rained out in the 5th inning, the score being 1-0. We are planning to start a RA Basketball league in 1967.

SOUTH MOUNTAIN BAPTIST CAMP REPORT

God blessed Your South Mountain Baptist Camp with another wonderful season. Many who came had a deep experience with God. Their mission vision was broadened. They learned how everyone should help proclaim the message of Christ throughout the whole world.

Over 1800 attended your camp during the summer for some kind of planned activity. One-hundred and fifty-six attended from your Association.

Six-hundred and eighty-nine made decisions for Christ, including 136 professions of faith. Five-hundred earned honor awards by participating in camp activities, camp attitude and study in G.A. or R.A. work.

The road into the camp was paved in July at a cost of \$14,393.00. Half of this has been paid. However, we had to use some of our operating funds to do this. The remaining \$7,196.00 has to be paid by Feb. 15, 1967. Some of this has been pledged. However, we will need other churches and individuals to help pay off this indebtedness. Your investment in this road paving project will help us to make the road to Jesus and to a deeper committed life clearer for hundreds of boys and girls each year.

A two story staff building and a Missionary cottage is being built. Churches, Associations, Pastors Conferences, and church groups are urged to use your camp for clinics, suppers, and picnics. For information contact T. A. Lineberger, Route 1, box 229-L Connelly Springs, N. C.

SUNDAY SCHOOL REPORT

Associational Sunday School work for the past year has been concentrated in two general areas. Beginning with an association wide meeting held in April at the Westview Baptist Church the new "Life and Work" curriculum materials were presented. With the October-November-December, 1966, quarter, Southern Baptist churches will have a choice in regard to Sunday School literature for Young People and Adults. The purpose of that meeting, and many private conversations with church leaders since that time, was to aid the churches in an understanding of the old "Uniform Lessons Series," and the new "Life and Work" curriculum. The choice of curriculum materials was left with each church. Our effort was to help them make that choice an intelligent one in the light of their own preference and local needs.

The second area of work had to do with planning and promoting associational clinics on the "Five Year Spiritual Growth Program." Two clinics were held: one at Waco Baptist Church where Manual I was discussed, and Elizabeth Baptist Church where Manuals II and III were presented. Both meetings were well attended.

We concur with those who consider the new curriculum and Spiritual Growth program promising new tools that can greatly assist every church that has a serious desire to minister more effectively in the local community in the name of Jesus Christ.

SUPERINTENDENT OF MISSIONS REPORT

As I complete seven years of service as Superintendent of Missions allow me a few observations concerning our work.

1. The coming of many new and large industries to our county, some of them operating continuously and on rotating shifts, has caused our churches to have to rethink their ministry to the family. Not much specifically has been altered yet but we must make new and bold plans if the church is to adjust its ministry to meet these changed conditions. It may call for duplicate organizations meeting at different times from the generally accepted ones; it may call for a more intensive ministry in and to the home; it may demand a new look at religion and leisure; it may call for the formation of small groups meeting for study, prayer, and worship.

2. There are growing points of tension in our world. The baffling trends in racial strife, the growing concept of the "new morality" which is but an effort to dress up the "old immorality" and make it reputable, the frustrating war in Vietnam and our country's growing involvement in so many nations and in so many ways all around the world, the "affluent society" which has caused us to lose our sense of values and our feeling of need for God; these are but a few of the areas of tension. What is the church to do about them? Retreat further into our institutionalized concern with keeping the wheels turning or seek to apply the spirit and the principles of Jesus to these disturbing areas?

3. While we are grateful for all that we as Baptists do in this Association there are still unmet needs. There is yet no church sponsored religious instruction for the mentally retarded, the deaf, the emotionally disturbed. We minister to those in prison but there is no special effort to rehabilitate the juvenile delinquent and save him from himself and for society. We make little effort to deal with the growing problem of alcoholism. Many of the folk in our church shadows are still unreached by the church and for Christ.

All that we do is directed toward meeting these needs. The staff of the Association, plus more than two hundred volunteer workers in all the organizations, plus some four-score dedicated ministers, plus hundreds of dedicated laymen work selflessly and oftentimes with little recognition in trying to sow the seed of the Gospel, trusting that God in His own good time and way will bring the harvest. Join us in the sowing."

TRAINING UNION REPORT

Training Union has been undergoing and is still undergoing tremendous changes in its organizational structure and in its materials. This past church year a number of new manuals have been published and many of our churches have given them serious study and evaluation for their training needs. The new Life and Work Curriculum has also offered us a new and vital approach to the correlation of Training Union with the other church organizations. Although it may take a long time for these new materials and approaches to Training Union to be accepted and utilized, they are looked upon by our convention personnel as the answer to a more effective and better trained church membership. With all of these advances we are advised that there are yet other advance materials to come in the next year.

"M" Night was held at the First Baptist Church in Shelby with our Associational Superintendent of Missions, the Reverend C. O. Greene, as our speaker. Total attendance was 377 with 30 churches and 27 pastors represented.

"M" Night for 1966 will be on December 12. This date is one week later than the convention suggested date. The change in date was made to avoid a conflict with the Week of Prayer for Foreign Missions.

Our Associational Tournament was a very pleasing experience to us and we were well represented in the regional and state tournaments. Those churches participating have acknowledged that all the effort expended was worth the results that followed. All churches are urged to give their workers and their children and young people the opportunity to work and participate in the tournaments. These experiences are dynamic training experiences and Christian growth channels.

The First Baptist Church of Shelby was the setting for the State Training Union Youth Convention, April 29-May 1. Attendance for this meeting was a record setter and, from all reports, was one of the best planned and most meaningful of the State Meetings. We felt honored and grateful for this wonderful meeting being held in our association.

The annual Associational Youth Night was held at the County Office Building. Mr. Bob Decker and the Youth Choir of Elizabeth Baptist Church furnished entertaining and inspirational music and the Reverend Sam H. O'Neal of the N. C. State Training Union Department was the inspirational speaker. Attendance was 116.

This present church year offers unparalleled opportunities for us in Training Union. Let us mobilize our forces and utilize our resources for the glory of God. The Associational Training Union workers stand ready to offer whatever assistance may be sought by any church to begin or strengthen their Training Union organization.

TRUSTEES' REPORT

On behalf of the trustees, we would like to report that during the past associational year no business was transacted by the Board of Trustees.

WOMAN'S MISSIONARY UNION REPORT

Mrs. W. E. McSwain has continued to lead the women of our Association during the past year as we have emphasized the theme, "Proclamation and Witness."

The Executive Board has held regular meetings throughout the year. The Board consists of 14 members — 2 of whom were added this year, Social and Enlistment chairmen.

A Leadership Course was held at Elizabeth Baptist Church in November and another at Double Shoals in June. They were well attended with a good number receiving Cards of Accreditation.

On November 29th all the churches in the Association were invited to hear Miss Stella Austin, missionary to Nigeria, speak at New Hope Baptist Church. The auditorium will filled to capacity at this meeting.

The G. A. girls held a banquet at Gardner-Webb in December with 170 attending. Mrs. W. E. McSwain was speaker. The G.A. girls, under the direction of the Associational G.A. Director, Mrs. John Baker, were featured at our Annual meeting at Shelby, First Baptist Church in April. They held their summer camp at South Mountain. A new Girl's Auxiliary was organized at Sandy Plains this year.

Mrs. W. E. McSwain, Mrs. John Baker, Mrs. Clyde Dover, Mrs. R. T. Martin, and Mrs. Russell Fitts attended the State W. M. U. meeting in Raleigh where our Association was recognized as an Honor Association.

Mrs. McSwain, or one of the Board members, have attended all the General Board meetings this year.

On May 9th Poplar Springs Baptist Church invited all the churches in the Association to hear Mr. Dan Weiss, an American Jew from Kings Mountain, teach the Mission Book, "Meet the American Jew." This was a new venture for our Association.

Mrs. James Sides, our Prayer Chairman, held an Associational Prayer Retreat in July at Double Springs Baptist Church. This was a morning meeting held on the church grounds with 99 present, 4 of whom were pastors. The time was well spent in Bible study, prayer, meditation and testimony.

A Mission Study Institute was held at Ross Grove Baptist Church for the Foreign Mission Study. This included W. M. S., Y. W. A., and Sunbeam.

The Y. W. A.'s, under the leadership of Mrs. Kenneth Howell, held an Associational Council meeting during the year.

Quarterly emphasis was placed on Stewardship throughout the year. Goals were met for the Lottie Moon and Annie Armstrong Offerings.

Our Association was well represented at Ridgecrest. Twelve ladies attended the Fruitland Conference for Associational workers. Our Associational Leadership Conference was held with Zoar Baptist Church in Shelby with 232 attending.

Let our prayers be that more organizations will really become involved in missions and not be missionary in name only. Let us strive to put forth a greater effort in preparing for the coming year. Our theme for the year 1966-1967 will be "A Church Fulfilling It's Mission Through Education."

Respectfully submitted,
Mrs. J. B. Price
Associational W.M.U. Secretary

WHAT WE HOPE TO DO

James Holder

There is a Greek legend about a woman who came down to the River Styx to be ferried across to the region of departed spirits. Charon, the ferryman, reminded her that it was her privilege to drink of the waters of Lethe and thus forget the life she was leaving. This seemed to be a wonderful idea, and she said: "I will forget how I have suffered. And", added Charon, "remember, too, that you will forget how you have rejoiced." She said: "I will forget my failures." The wise old ferryman added: "And also your victories." She continued: "I will forget how I have been hated." "And also how you have been loved", added Charon. So she decided not to drink the Lethe potion, when she considered the whole matter, but to retain her memory even of the bad that she might not forget the good.

We talk a good deal about forgetting the past, and rightly so. But we mean that it is a mistake to dwell on the failures or the triumphs of yesterday so that the present and the future have no reality. Actually, we would be most miserable without memory and, when we either forget or ignore the past, we become creatures without depth or quality. Paul warned that we ought to forget the things that are behind, but some of his most powerful preaching is a remembrance and a testimony of what God had done for him. This, too, is a remembrance of the past.

It is a good thing to have a day set aside to remember. The church is built on the sacrifice of the martyrs and the testimony of the saints. When we look carefully into the past there are not many of us who can escape a wonderful sense of obligation to the past.

None of us would want to drink the Lethe potion in regard to our Association. Her past is glorious, but her present is equally great and her future an inspiring challenge. "The past is Prologue" said a great man many years ago and it is as true of us as it is of nations or of the world at large. "What we hope to do" is based on what we have done and are presently doing. But, in a very real sense, this is a new day that calls for new ideas and new methods to facilitate new plans.

We are grateful that we can look back on a past that includes such men as G. W. Rollins, who preached the introductory sermon at the Annual Associational Meeting eight times from 1851-1876 and served as Moderator of the Association a total of nine years with the last term ending in 1877. Few of us will ever forget the history that tells us of the vital contributions made by men such as J. R. Logan, Thomas Dixon, J. Y. Hamrick, H. F. Schenck, D. S. Lovelace, A. C. Irvin and J. W. Suttle who served as Moderator of this Association for forty years (1913-1953) or Lawrence Roberts who served as Clerk-Treasurer from 1946 until his retirement in 1962. Nor will we be tempted to forget men of a more recent time when we consider what has been added to the totality of the Association's impact on the county and state by men such as C. C. Crow, C. O. Greene and Oscar Funderburke and E. M. Smith, to name but a few.

But, if the Past is Prologue, we need to use this moment of sentimental reminiscence to look to the future and see what we hope to do in the days ahead. There are some things which are close to my heart and which I have felt should merit the serious consideration of our Association for the years ahead. I believe these are things we ought to do and that as quickly as possible.

1—We ought to provide a common ground of love and understanding for all of God's people to share the fellowship of Christ and the communion of the Saints. It is very troubling to me to know that lines of conflict have been drawn in some quarters that precipitate unrest and bitterness between the very people who ought to be most concerned about the welfare of each other. It is a sad thing for congregations to be at outs with their pastor and for pastors to be at outs with their congregations — for a pastor to be at outs with his brother pastor or for a congregation to be at outs with a sister congregation. And yet, it is found amongst us today! There is a serious breach of Christian ethics behind it, usually,

and only a sensible return to the teachings of Christ with regard to the treatment of our brother will heal this sickness in the body of Christ. In the Association we must be willing to suggest love for God and our brother in Christ as the answer to problems too big to be solved any other way.

We live in days of pressure, tension, frustration, disappointed dreams, and thwarted ambitions. But, these things do not justify a belligerent approach to life nor a bellicose attack on anyone by, or against, pastor or people. The Kingdom of God is, ideally, the only place where men have no need to be on constant alert against deception and destruction from within. Inasmuch as we are part of that Kingdom we have the obligation to foster the fellowship and build up the brotherhood in love and appreciation for one another. I suggest as the simplest way of accomplishing this that we pray for each other, especially those who have offended us and those against whom we have sinned or feel resentment for you cannot pray for a man and hate him too. I learned a long time ago that Jesus, in telling us to pray for our enemies, meant that we were to pray God's most abundant blessings upon them, not to pray that He would punish them or take revenge on them for their mistreatment of ourselves. I might add that you haven't really prayed this way until you do all you can to help bring a full answer to that prayer and to personally provide the good things you're asking God to give him.

A year ago I suggested that we end our Morning Session on Thursday by observing the Lord's Supper together. I did so to provide the opportunity for the joy and the tremendous feeling of brotherhood with all Christians to settle over our assembly and break down barriers to fellowship and create areas of good-will. A storm developed over the proposal and so it was quietly dropped rather than make such a holy thing to be a cause of dissension. But, the surprising thing was that most laymen I talked to about the matter felt rather strongly that it was a good idea and one that should be carried out. Still more surprising, the very men who stood to profit most from this experience were the ones who most strongly opposed the idea. Incidentally, a good strong drink from Lethe might have been the one thing needed at this juncture. I still feel it is a good idea with much to commend it to our future consideration as something we hope to do if we can do so without getting our "Theological Feelings" hurt or without making a sacrilege of it. Even to be branded a heretic (as I have been) is not too bad if it will bind up the wounds of broken fellowship. In worshipful ordinance of the church there is a forgetting of self as the Holy Spirit cuts across all lines of personal pride and creates a spirit of unity and humility before the sacrifice of Christ that helps us to willingly sacrifice our own ambitions and to be sacrificed as an expendable servant of Christ to the glory of God. If this is wrong, then God help us all — we're wasting our time.

2—We hope to provide a broader base of missions by a deliberate approach to special need groups in our county with a concerted effort to teach the Bible to them. For a long time, now, the hope to form a special Bible teaching class for the retarded has been studied by interested individuals in the Association. There is no finer ambition than this and I am of the opinion that efforts must be redoubled and plans must be made and all of us must work together to achieve this goal. There are a great number of these unfortunates in our population and we do them an injustice by failing to provide some means for telling the good news of the Gospel to them — they are teachable — they can learn — it only takes a little longer and a little more skill and a little more patience and a little more real love and genuine compassion to be successful in this area. We must have the determination to do what must be done to help these people. As far as we are concerned we must not spare the abundant resources at our disposal in our efforts to help them.

As far as I know we also neglect the silent people and the blind

who also need a specialized ministry that the Association alone can provide due to the limited number in each church community needing this special attention. I believe that our Association can provide such help for these people on a regular basis, if we care enough to make the effort.

The institutional groups — jail, prison, rest homes, hospitals, etc. — have had a rather limited ministry in the past and what has been done has been highly successful. But, we need an expanded ministry to these groups that would go beyond the merely traditional concept of teaching or conducting a limited service on the week-ends to cover the entire week and seek to enrich the lives of these people and give us an additional opportunity to win some of them to Christ. Jesus said, "Inasmuch as ye did it not to one of the least of these, ye did it not to me."

The Sunday Worker of our day has outgrown the ability of the average extension department of the average Sunday School to render meaningful service. With the huge plants in our county operating on a seven day schedule and employment at such a high level that many of the smaller concerns are being forced to operate seven days to obtain a five or six day production level, many are working on Sunday with little, or no, time at the traditional hour to receive Bible teaching. Something must be done to provide such a teaching ministry to them at another time. Perhaps this is a field of endeavor for a group such as the association rather than for one church. At least the Association could and should provide the framework for study and our joint effort to devise some helpful substitute for these Sunday workers might prove successful. We hope that this is one of the things the Association will do — let us be pioneers in this area — since no one else is doing anything here let us do what must be done. Let us not be so afraid of failure that we fail to do anything.

Then, why not help the churches to see the need of providing an intensified week-day program of Bible study for teen-agers. This program is just developing but already too much time has been lost and many have missed its benefits. The Association could help to provide teachers for these classes and help to set them up where resources were limited. This is missions in a real sense of that word.

I would suggest a literacy program for that great number of people in our county who are illiterate. What better way of ministering to them than by teaching them to read the Bible, providing them with simplified Bibles and Sunday School literature and then helping them to use them effectively? This, too, is missions — real missions that should provide grounds for immediate concern on our part. The pathetic cry for help does not always come from a foreign land nor a distant city slum — sometimes it originates in our own back door but we miss it because we are so accustomed to hearing it.

3—We hope to find some way to conduct a county-wide evangelistic campaign, annually, sponsored by all the churches of the county. Out of a population of approximately 70,000 in Cleveland County there are about 26,000 Baptist who are members of the churches of the Kings Mountain Baptist Association with approximately a white Baptist constituency of about 31,000. Roughly speaking there are at least 5,000 plus unchurched people in this county. While all of these may not be our responsibility at least half of them have Baptist preference or background. As Baptist it is our duty to make every effort to win them to Christ. And, if you want to go back to the Bible to see this matter in the light of what Jesus taught, we must assume that Jesus expected us to win each one of them to faith in Himself. There are lost people in this number who could be reached in this manner who could be reached in no other way. We are the largest religious group in the county and all our bragging about it is somehow just a little hollow and meaningless when we fail to add the note of responsibility to it. We bear a special obligation to those who are lost by the very fact of our bigness. It is my fervent prayer and earnest hope that in the future immediately

ahead of us we will lay down our pettiness and act in the responsible way our position demands of us and make the necessary approach to this matter by extending a hand of friendship to those of other faiths and by moving forward with enthusiasm to conduct such a campaign.

Our sophistication has caused us to look with a sneer at this type of mass evangelism but it is not to our credit that we are large enough to have that kind of sophistication. The fields truly are white unto harvest and the laborers are few and any sincere effort to win the lost to faith in Christ is honorable evangelism and we have no legitimate right to sneer at it nor to withdraw from it. In fact, the very genius of Baptists growth in such a phenomenal way is traceable to our strong insistence on the preeminence of evangelism. Our size, numerically and financially, demands that we take the initiative and lead out in the effort to conduct such a campaign.

4—We hope to restudy the possibility and the pressing need for an Association Radio Ministry to get our point of view before the people of the area. This may sound like I'm bearding the lion in his own den after the decisive action taken by the General Board three months ago that stopped the program then being conducted. But, I wish to state the case as simply as I can: Baptist do not have to see everything eye to eye nor word for word — they never have and I hope I never live to the day they do. Much of the problem that developed over the previous effort was a problem of semantics and a breakdown of the vital link of communication. At the time of that action I was in process of having the SBC Radio-TV Commission study and evaluate our program and suggest what might improve it. Mr. Claud O'Shields of that Commission had visited in my home and I had, in turn, sent to him eight of the taped programs for his study and suggestions. Our hasty action eliminated the possibility of continuing and of making the gradual changes that would have improved the quality and the scope of the program. I sincerely hope that you have not closed the door permanently on this means of communicating with the public. Many people do not yet know that we Baptist are not bigoted, prejudiced, and ignorant. A top quality radio ministry would put this information at their disposal without saying so in so many words. Before you mark it off once and for all please give some serious study to the tremendous possibilities presented to us in this mass communication medium.

5—We hope to come up with some honest answers to some questions which we now find extremely hard to admit are valid questions:

- a—The first one of these searching questions we must face up to and answer is the question of whether success in the work of God can be judged solely on the basis of numbers. Is it enough for the church to meet, count nickles and noses and put the meeting down somewhere in the scale as a howling success or a dismal failure depending on the number of each that we counted?
- b—We must face and answer the sharp and penetrating question of those who want to know what we're here for as a church. Does the church as we know it have anything to say to the world as we know it? If so, why isn't it saying it and saying it so it can be heard and understood? If not, why not?
- c—We must discover the answer to the haunting question of why so few people are inspired to accept the call of God to a church related vocation. Who is responsible for this decline, how and why? Are we to believe that the church will be allowed to die because no one heard and answered the call? It's possible, you know.
- d—With the trend of shifting populations many churches are going to be faced with the question of the need to continue at the present location or to find a new one or to consolidate with an equally weakened and struggling group to form an outpost for Christ in a forsaken, and perhaps forgotten place.

e—Then we will have to answer the question that our generation alone has had to face? "Has our affluence made us too comfortable in our religion to be of any effective service to God?"

What do we hope to do? The question is fraught with many dangers and this attempt to answer it has probably not exercised the proper discretion and restraint for a "lame duck" singing his "swan song" but let it be said in no uncertain terms that the challenge of the next decade or two will demand more of us than the last century did of the leaders in that day. Will we meet it with faith and assurance or will we wither and die as others have done before us? The answer of what we hope to do lies within your hearts. What do you hope to do?

WOMAN'S MISSIONARY UNION

MINUTES OF THE SEVENTY-SECOND ANNUAL SESSION

The 72nd Annual Session of Woman's Missionary Union of the Kings Mountain Association convened at 3:30 P.M. in Shelby First Baptist Church, April 12, 1966. Music was under the direction of John Ward with Mrs. Hubert Plaster, Organist.

Mrs. W. E. McSwain, President, called the meeting to order. "Ye Shall Be Witnesses Unto Me," (Acts 1:8) was chosen as the theme of the Session.

Special Music was presented by Elizabeth Church Junior-Teen Choir under the direction of Robert L. Decker.

In a period of meditation Mrs. W. E. McSwain led the group in responsive reading, "Proclamation And Witness."

The Hymn, "Lord Lay Some Soul Upon My Heart," was sung.

Mrs. John P. Gold read the names of Missionaries whose names appeared on the prayer calendar as G.A. Girls dressed in native costumes represented the countries from which they serve. Mrs. Gold closed the period with prayer.

Mrs. Lloyd Bost, President of W.M.U. of Shelby First Baptist Church, extended a welcome to all.

During the business session that followed, Mrs. McSwain recognized Mrs. Walkingstick and others from the Cherokee Indian Reservation.

Polkville W.M.S. and one Society in Shelby First Church were recognized as being honor Societies in our association.

Mrs. Carl L. Hamrick gave a report of finances.

Mrs. McSwain recognized Chris Dedmon of Ross Grove Baptist Church who was her attending usher.

"You A Witness" was presented with the following participating:

Sheriff Haywood Allen of Shelby First Baptist Church spoke on behalf of Law Enforcement.

A Skit, "You A Missionary," was presented under the direction of Mrs. Wilson Harmon assisted by Mrs. James Stamey and Mrs. Frank Malone, showing ways in which we can witness in our daily lives.

Mrs. M. G. Brooks, Jr. from Central Methodist Church spoke on Special Education. She told us we have six million children in the United States who need special education. There are 250 in Shelby who are enrolled in classes suited to their needs.

Mrs. McSwain asked Mrs. Walkingstick to speak to us briefly. She spoke on the needs of the Cherokee Indians, her concern for the people on the Reservation, and the seventeen churches that are there.

Mrs. McSwain called attention to the Seminary extension class in which our people have had an opportunity to enroll.

The hymn, "Christ For The World We Sing," was sung.

Mrs. Peggy Morgan from Kings Mountain First Baptist Church sang, "I'll Tell The World That I'm A Christian."

Mrs. Horace Steadman of Shelby First Baptist Church, gave our theme interpretation, "Ye Shall Be Witnesses Unto Me." She spoke as a housewife, telling us that we must begin at home through our attitudes and concern, then our organizations in the church should carry out the Great Commission. She said further that we must go out into the world and identify ourselves as witnesses. We must give but we are to give God the Glory for our giving. It costs something in both time and money to witness. She closed by saying, "Give God The Glory And He Will Give You Peace."

The closing prayer for the afternoon session and the blessing for the meal which followed was given by Dr. Joseph McClain, Pastor of Shelby First Baptist Church.

NIGHT SESSION

The night session was opened with special music by Boiling Springs Youth Choir under the direction of Jerry R. Hill.

Mr. Ward led the congregation in singing, "In Christ There Is No

East Nor West."

Featured at this session were the G.A.'s under the direction of Mrs. John D. Baker of Shelby First Baptist Church, Associational G.A. Director.

Mrs. John Gold led the call to prayer by remembering the missionaries on the Calendar of Prayer as G.A. girls appeared in Native costumes, representing the various countries.

A pantomime was presented of the G.A. Hymn, "We've a Story To Tell," with twelve girls participating.

Mrs. Baker introduced Patty McBrayer, the Associational G.A. President, who introduced Miss Nancy Belle Cousins, North Carolina G.A. Director, who spoke on, "Youth As Witnesses." She said we should get involved in missions and that the key to involvement is love. She shared a story of an African youth who became a witness, and another of an American boy who witnessed. She closed by saying, "Wherever Youth Is, There Is Their Mission Field," and presented the challenge, "Ye Shall Be Witnesses Unto Me."

During the business session Mrs. McSwain recognized the pastors, Mrs. J. F. Marchman, W.M.U. President of Sandy Run Association, and Mrs. Cogdill of Cliffside.

Mrs. Cleatus Huntsinger presented the budget and moved its adoption. This motion was seconded and passed.

Mrs. R. L. Martin chairman of the Place committee, extended an invitation from the Bethlehem Baptist Church for the 1967 Session.

Mrs. W. P. Biggerstaff, chairman of the Resolutions Committee expressed the thanks of the group for the hospitality, the meal, fellowship, music, leaders, and messages.

Mrs. Kenneth Street in behalf of the Nominating Committee presented the officers and committees for the succeeding year, and moved that they be elected. This motion was duly seconded and passed. All officers and committees went to the front for a prayer of dedication, led responsively by Mrs. Buster Packard of Sandy Plains Baptist Church.

"A Cloud Of Witnesses" was presented with the following speaking.

Marsha Young, Shelby First Baptist Church told us about U S 2, an opportunity for young college graduates at least 27 years old and with high standards to work with missionaries on a 2 year assignment.

Martha Spangler of A.S.T.C., Boone and Westview Baptist Church told us about Student Summer Missions. She told of her assignment with the Cherokee Indians.

Don Ledbetter of Gardner Webb College and Poplar Springs Baptist Church told us about Missionary Associates, an overseas assignment of 3 to 5 years for people 45 to 59 years of age. He also explained Missionary Journeyman, who must be Baptist College graduates who are interested in missions and are 21 to 27 years of age.

Rev. C. O. Greene presented "Your Association." He called all associational officers to the front and explained the duties of each.

The hymn, "Come Women Wide Proclaim," was sung.

Mr. and Mrs. John Ward sang, "Send Me O Lord, Send Me."

Rev. James Stamey of Pleasant Ridge Baptist Church brought the closing message of the session, using Heb. 12:1 as his text. He spoke on the subject, "A Cloud Of Witnesses." Mr. Stamey said to listen to the voice of God, to believe that God has a good purpose for your life, and to find it. He concluded by saying, "The Torch has been thrust out and it is ours to clutch and hold. There is a cloud of Witnesses to watch us."

To close the 72nd session of this W.M.U. Annual Meeting, the portrait of Jesus Christ was spotlighted as Mrs. James Sides sang "The Lords Prayer."

In a mood of quiet dedication another session of the Associational W.M.U. closed with an insight into being better witnesses for Jesus Christ wherever we are.

Respectfully Submitted,
Mrs. W. E. McSwain, President
Mrs. J. B. Price, Secretary

**The Womans Missionary Union Annual Session will meet with
the New Bethel Baptist Church, April 16, 1968.**

The First Baptist Church of Shelby, North Carolina was organized June 19, 1847, with twenty-five charter members that has expanded to the largest congregation in the Kings Mountain Association. The first pastor of the church was James M. Webb who served until December 23, 1849. From the first building that housed about two hundred people until the present edifice which cares for over two thousand members, there have been five separate buildings in the long and illustrious history of this church. Dr. Zeno Wall, who passed away September 12, 1967, served the church the longest of all the thirty-one pastors -- twenty-two years and four months.

Dr. Joseph T. McClain came to First Baptist Church, Shelby, in 1965 from the Maywood Baptist Church, Independence, Missouri. In addition to other pastorates in Oklahoma, Texas, and Arkansas, Dr. McClain has served on the faculties of Texas Technological College, Howard Payne College, Golden Gate Baptist Theological Seminary, Ouachita Baptist College, and Midwestern Baptist Theological Seminary.

His wife is the former Cleo Cornett of Oklahoma City, Okla., and they have five children: Joseph Tolbert II, Barry Duke, William Conner, Christian Ray, and Darla Ann.

Rev. J. R. Cantrell, (April 24, 1888 - June 25, 1967): Pastorates include Hillsboro Baptist Church, Newton Baptist Church, Calvary Baptist Church, Morganton, Poplar Springs, and Lattimore Baptist Church. From 1928-31, Evangelist for the N. C. Baptist State Convention, and President of Boiling Springs Junior College (Gardner-Webb), 1939-43.

Dr. Zeno Wall, (August 20, 1882 - September 12, 1967): Pastorates include Marshall Baptist Church, Mount Olive Baptist Church (Mississippi), First Baptist Church, Columbia, Mississippi, Clinton Baptist Church, Mississippi, and Mississippi Baptist College, First Baptist Church, Goldsboro, and First Baptist Church, Shelby. Following his retirement he held many interim pastorates.

He also served as Chaplain during World War I: was President of Gardner-Webb College, 1930-32: President of the N. C. Baptist State Convention, 1933-36: Past President of the Board of Trustees, Baptist Orphanage of North Carolina, and from 1948-50, General Superintendent of the N. C. Baptist Children's Homes.

REPORT OF THE AUDITING COMMITTEE

We have examined the accounts of the Kings Mountain Baptist Association maintained by Rev. Hugh L. Borders, for the Year ending September 30, 1967.

The examination consists of tracing all recorded cash receipts to the bank statements and of verifying disbursements on a test basis of examination of invoices and canceled checks.

In our opinion the statements of receipts and disbursements as shown on pages R 9 - R 11, in this volume presents fairly the financial transactions of the Kings Mountain Baptist Association for the year ending September 30, 1967.

Respectfully Submitted

Joseph M. Wright, Chairman
 Paul Lancaster
 Julian W. Hamrick /s/

MEMORIALS

We pause just now to pay tribute to our beloved dead. They have departed this life but their influence will live on in our lives and the lives of untold numbers in the days that lie ahead. Surely, "Their works do follow them."

Each one has played his or her particular part in carrying on the work of our Lord. Some have had only one talent, others many. Yet each is judged in the sight of God according to his or her devotion to Him. We trust that each has earned the "Well Done" of our Creator, Redemmer and Lord.

While we cannot put one person or group above another, there are two of our fallen who played outstanding roles in the work of our association and denomination Viz: Rev. J. R. Cantrell and Dr. Zeno Wall.

Bro. Cantrell was a beloved pastor and president of Boiling Springs College (Gardner-Webb). He led that great school through some of the "lean years" and kept it alive when its very existence was in grave jeopardy.

Dr. Wall was also president of our college, President of our Baptist State Convention, Superintendent of the N. C. Children's homes and pastor beloved. We have lost much in the going of men like these and the names of the others whose names will appear in our associational minutes.

As we, who are left behind, mourn their going, let us not fail to wear worthily their mantles that have fallen upon us. Let us dedicate ourselves anew to carry on in a worthy manner the works they have left behind.

Respectfully submitted
W. V. Tarlton

PROCEEDINGS OF THE ONE HUNDRED SEVENTEENTH ANNUAL SESSION OF THE KINGS MOUNTAIN BAPTIST ASSOCIATION

Tuesday Evening, October 17, 1967

1. An organ prelude was played by Mrs. E. T. Bailey as messengers from the various churches gathered in First Baptist Church, Shelby, for the 117th Annual Meeting of the Association.

2. The assembly sang "Jesus Saves," as it was led by Mr. Van Ramsey with Rev. Roland Leath at the piano. The opening prayer was led by Rev. H. L. Threatt.

3. Rev. Hugh Borders "moved that those now registering, together with those who will register, be elected to constitute the 117th annual session of the Kings Mountain Baptist Association." The motion was seconded and carried. Rev. Borders then moved the adoption of the printed program.

4. The Moderator, Rev. C. A. Kirby, Jr., appointed the Committee on Committees, and Committee on Place and Preacher as they appear elsewhere in this volume.

5. A report from the Constitutional Revision Committee was called for, but due to the absence of Dr. Joseph T. McClain, chairman of that committee, no report was made.

6. Rev. C. O. Greene, Superintendent of Missions, gave an address on the responsibility of the Christian in the world of 1967. He pointed out that ours is a world of revolutions and scientific advance. He raised this question: "Can man's heart keep pace with his head?"

7. Van Ramsey led the group in singing "To God Be The Glory," with Mrs. E. T. Bailey at the organ and Rev. Roland Leath at the piano.

8. The Moderator recognized the following new pastors: Rev. Robert W. Morrow, Lawndale; Rev. J. Max Evington, Pleasant Ridge; Rev. Archie Chapman, Westover; Rev. Perry Whisnant, Piedmont; Rev. W. C. McKinney, Jr., New Bethel; and the following ministers of music and education: Van Ramsey, First Baptist, Shelby; Jerry Armstrong, Second Baptist, Shelby, and Lonnie Summers, Eastside, Shelby.

9. Miscellaneous Business and Announcements were called for and there were none.

10. Rev. Woodrow Flynn, chairman of the Evangelism Committee, brought an address on the "Crusade of the America." He suggested that we are exporting our products and customs, but not the Gospel. He explained that the approach of the "Crusade" would be for each church to assume the responsibility for evangelizing its own community.

11. Van Ramsey led the Youth Choir of the First Baptist Church, Shelby, in three beautiful anthems: "When I Survey The Wondrous Cross," "God of Grace, and God of Glory," and "Grant Us To Do With Zeal."

12. Rev. Norman F. Brown brought an inspirational message on the subject of "Faith." Luke 8:43-49, was his text. He observed that the birth of faith in this woman, faith that became triumphant faith, occurred when she faced her great need, exercised that faith, and placed herself on record in an act of open commitment.

13. Rev. Brown led in the closing prayer and the session was adjourned.

WEDNESDAY MORNING, OCTOBER 18, 1967

14. The Moderator, Rev. C. A. Kirby, Jr., called the meeting to order following musical moments of meditation with Mrs. E. T. Bailey at the organ. Allen Jolley led the group in singing "All Hail the Power of Jesus' Name," with Mrs. Bailey at the organ.

15. The Rev. J. Max Evington led the opening prayer.

16. After welcoming the messengers the Moderator recognized the Clerk-Treasurer for the General Board's report and the treasurer's report. In addition to the printed report found on pages R 9 - R 11, and R 20, the Clerk presented the following recommendation from the General Board: "that the entire question of printing an associational history as passed on at the 1966

associational meeting, including the appropriation of \$2,500 per year for four years, be rescinded."

17. Rev. Norman F. Brown presented the budget, and noted that the recommendation from the General Board made null and void the three recommendations included with the Proposed Budget. The Finance Committee recommended that \$1.00 per member, or a per cent of the plate offerings be given to Associational Missions. After a motion and second the entire report of the General Board and the Proposed Budget was adopted.

18. Rev. Oscar Fundrburke reported that his committee was not yet ready to offer the Place and Preacher Committee's report. He called a meeting of that group to be held immediately.

19. Rev. J. E. Bishop presented the Nominating Committee's report. The text of that report is found elsewhere in this volume.

20. Rev. Roland Leath reported that a total of 317 messengers, and 104 visitors had registered for a grand total of 421.

21. The Rev. B. J. Traywick, new pastor at Zion, and Rev. Hoyle T. Allred, representing the Baptist Foundation, were recognized.

22. Rev. E. S. Elliott, Chairman of a special committee named to study the needs of Hopewell Baptist Church (Colored) reported on the successful work of that committee. He distributed a printed report that gave much background information on the need, efforts toward self-help by the Hopewell membership, and their appreciation for all that people in this county had done to aid them in construction of a new building.

23. Allen Jolley led the group in singing "Crown Him With Many Crowns," with Mrs. E. T. Bailey at the organ.

24. Rev. Wilson Harmon brought the doctrinal message using Phillippians 2:5ff, as his text. His theme was the names of Jesus. Some names or titles of Jesus mentioned by Rev. Harmon were: "Jesus the Christ," "Our Lord and Saviour," "Lord and King." It was with this last title, "King," that Rev. Harmon suggested was most significant. In the Sermon on the Mount, Jesus gave man the constitution of his kingdom. Here is a kingdom that can function for redeemed persons only.

25. Rev. E. M. Smith brought the report of the Committee on Committees. The text of that report is included in this volume following the "Associational Directory."

26. Rev. Dale Clark read a resolution passed by the Sandy Plains Baptist Church calling on the Sheriff's department to enforce more strictly the laws of this county (laws re: gambling, morality, strong drink, etc.), especially during the Cleveland County Fair weeks. This matter was referred to the Resolutions Committee.

27. Rev. Norman F. Brown, Vice-Moderator, presided during the time for the State Convention reports. Those bringing reports were: Hoyle T. Allred, N. C. Baptist Foundation; C. W. Bazemore, BIBLICAL RECORDER; Marvin Gold, Chaplain, N. C. Baptist Hospital; Isaac Terrell, N. C. Baptist Children's Home; Mrs. Doris Shore, Homes for Aging; and David Smith, student from Mars Hill College, Baptist Student Union.

28. The clerk moved the adoption of the state convention reports as contained in the book of Advanced Reports. The motion was second and passed.

29. Rev. Roland Leath gave the group instructions as to how the noon meal would be served.

30. The Gardner-Webb College Choir brought special music at this time. The group was under the direction of Professor J. W. Snyder.

31. Dr. Carl E. Bates, Pastor, First Baptist Church, Charlotte, and President, N. C. Baptist State Convention, brought the message for "World Mission Time." Taking as his text Matthew 9:35 - 10:1, Rev. Bates raised two questions for consideration: (1) "Have we really seen the Multitudes? either at home or abroad?" (2) "Do we pray for money or laborers?" He suggested that the most important of the two, most important by far, was laborers.

32. Following a prayer by Dr. Bates the session adjourned for the noon meal.

WEDNESDAY AFTERNOON, OCTOBER 18, 1967

33. Lonnie Summer led the group in the opening hymn, "Holy, Holy, Holy," with Roland Leath at the piano and Mrs. E. T. Bailey at the organ.

34. The Rev. W. C. McKinney, Jr., led in prayer.

35. Dr. James Ralph Scales, President of Wake Forest University, brought an address on the role of Christian education. He suggested that North Carolina Baptist stop talking about the problems and differences of opinion that exists between the denomination and its colleges and university, and focus on their assets. "Your campus at Wake Forest is a source of pride," he told the messengers.

36. Dr. E. E. Poston, President of Gardner-Webb College, was recognized for a comment, and he announced that Gardner-Webb hopes to add the third and fourth years in 1969 and 1970.

37. Rev. Oscar Funderburke, chairman of the Place and Preacher Committee, asked the messengers to express their preference as to the number of sermons they wanted on the program next year. The motion was made and second that the number be left at three. Rev. Funderburke then made his report: The sessions will be held next year with David Baptist Church, Tuesday Evening, October 22, and Patterson Grove Baptist Church, Wednesday, October 23. Preachers for the 1968 session will be: Inspirational: Rev. James Stamey, Alternate, Rev. J. Max Evington; Doctrinal: Dr. Paul Johnson, alternate, Rev. Fred McGehee, Jr.; Missionary, Rev. Robert Mann, alternate, Rev. James Wilder.

38. The Rev. James E. Holder "moved that the matter of publishing a history be referred to the Finance Committee for study with a report to be brought to the association next year." The motion passed.

39. Organizational reports were presented as follows: Sunday School, Dr. Paul Johnson; Training Union, Rev. Dale Clark; WMU, Mrs. W. E. McSwain; and Brotherhood, by Mr. Paul Lancaster. Bob Decker was not present to bring the Music report, but a written report is included in this volume elsewhere. All of these reports were adopted.

40. Rev. James Stamey read the report of the Resolution Committee. The full text of that report is included elsewhere in this volume.

41. Lonnie Summers led the group in singing "Come Thou Fount Of Every Blessing," with Mrs. E. T. Bailey at the organ.

42. The Rev. Kenneth Gibson delivered the missionary message taking as his text Mark 6:32-42. He pointed out that every Christian is a missionary. He suggested that the only difference between "missions" and "evangelism" is one of geography. In the "Great Commission" Jesus included the entire world. He stressed two main points: (1) the need of the multitude, and (2) our responsibility to help meet that need. We are not to go out to make Christ King, but because he is King.

43. The following officers were nominated and elected: Rev. C. A. Kirby, Jr., Moderator, Rev. Norman F. Brown, Vice-Moderator, and Rev. Hugh L. Borders, Clerk-Treasurer. Election of these officers was by acclamation.

44. Rev. Hugh L. Borders gave a final report on attendance. Messengers registered, 350; alternates, visitors, and all others, 171; total attendance, 521.

45. The Rev. W. V. Tarlton conducted a brief memorial service in memory of those who have expired during the year. Among those named were the following ministers: Rev. J. R. Cantrell, Rev. Jim Painter, Rev. W. L. McSwain, Dr. Zeno Wall, and Rev. J. B. Broughton.

46. By common consent the Moderator instructed the Clerk to dedicate a page in the 1966-67 minutes to Rev. Cantrell, and Dr. Wall.

47. The 117th annual session was adjourned with prayer by our Moderator, Rev. C. A. Kirby, Jr.

MUSIC REPORT

In light of the new attitude toward Associational Music—e.g. developing the associational work around the primary tasks of extending help to the churches rather than offering "inspiration" through mass meetings; Your associational music committee under the direction of Morris Jordan, Director has attempted to give help through three approaches.

1. Workshop. In February a workshop for directors was held offering help in the selection of music, techniques of directing, and vocal techniques. This was accomplished by the directors singing through music previously selected for its diversified appeal, under the workshop leader Morris Jordan. Approximately 25 persons representing 15 churches attended.
2. Communicating ideas, information, personal data, and other items of interest through a news letter. Three issues were mailed to all ministers of music and choir directors in the association. This news letter was judged by many of those receiving it as very helpful.
3. Festival Program. Not only did the associational music committee publicize the Regional and State Festival program but, in addition attempted an Associational "First Timers Festival." This was not successful. Only one church entered and then dropped out. It was felt that with a little more individual contact and better timing this event in future years could be of significant value to smaller churches in our association.

Respectfully submitted
Robert L. Decker, Acting
Associational Music Director

PASTORS' CONFERENCE REPORT

The Pastors' Conference of the Kings Mountain Baptist Association held its regular monthly meetings in the Second Baptist Church of Shelby. The meetings of the conference were held during the months of September through May.

Program personalities during the year were: Dr. Wyan Washburn, Mr. Carl Poston, Mr. Carlos Young, Dr. Eugene Poston, and Mrs. Jane Jolley (R.N.). The programs were both informative and inspirational.

A period of fellowship followed the monthly meetings. These periods of fellowship were greatly enjoyed by all.

ANNUITY BOARD REPORT

Response to the new program of family and retirement protection during the first quarter of 1967 indicates enthusiastic acceptance by ministers and denominational employees. During the first three months of 1967, more than 1,000 persons joined some part of the three-plan program as compared with only 685 during the first quarter of 1966.

The new Program, called the Southern Baptist Protection Program, provides additional benefits for disability, new benefits for children, education of children and dependent parent. These extra benefits are in Plan "A".

The new Protection Program incorporates the three plans into one certificate, which formerly required separate certificates for each plan. The three plans are: Southern Baptist Protection Plan, which is now Plan "A"; Age Security Plan, now called Plan "B"; and Variable Benefit Plan, now Plan "C".

Information on the new Protection Program may be obtained from the annuity secretary in our state or from the Development Division, Annuity Board of the Southern Baptist Convention, 511 North Akard Building, Dallas, Texas 75201.

Because of action taken by the trustees of the Annuity Board in February, each person receiving a guaranteed benefit from the Board was mailed a "dividend" check. This year each check was for an amount equal to one-twelfth of the person's annual benefit. These checks were made possible because of excess interest earnings. Approval was given to mail these dividend checks annually, providing the Board realizes an excess in interest earnings.

In 1966, more than \$4,256,244 was paid in age retirement, disability or widow benefits to persons who had participated in the Protection Program. The checks vary in amounts, depending on the length of service and the amount of dues paid into the Program by the member.

The cost of living continues to climb. A retirement program based on \$4,000 salary is no longer adequate to meet the needs of a minister when he retires. There seems to be no hope of a leveling off of the inflationary trends. Because of this, the new Protection Program was started so churches could help their pastors increase their retirement protection. Now a church may participate on the total salary of its pastor or other employees. Ten per cent dues on total salary are recommended as minimum.

As of December 31, 1966, some 1,492 persons had joined Plan "A" of the Program. A total of 18,328 churches were providing the Protection Program for their ministers and staff members. (In our Association 47 churches out of a total of 70 participate in at least one of the plans.) Almost 12,600 of these churches were paying both member and church dues.

In many churches more than one person is in the Program. Each person is counted separately as in his church. As a result, the total number of churches is higher. Next year, the total number of churches is expected to be less. The reason is the Board is putting all its records on computer which will group together all members in one church. For example, if a church has two members, it will be counted as one church instead of two as is presently being done.

There are 137 of the 176 agencies in the state conventions and the Southern Baptist Convention which have Protection Programs with the Board.

A total of 8,121 persons are protected in the agency programs.

Rev. Guy Cain promotes the Protection Program in North Carolina. He is jointly employed by the Annuity Board and North Carolina Baptist Convention. For information about any of the plans in the Protection Program contact Rev. Guy Cain, 301 Hillsboro Street, Raleigh, North Carolina 27603, or write the Annuity Board, SBC, 511 North Akard Building, Dallas, Texas 75201.

GARDNER-WEBB COLLEGE REPORT

R. Patrick Spangler, Chairman, Board of Trustees
E. Eugene Poston, President of the College

The 61st year at Gardner-Webb College opened with the arrival August 22, 1967, of the largest freshman class in the history of the school. A total enrollment of 1303 sets a new record. The faculty, the administration and the staff total 105. There are 39 additional employees that make up the maintenance and cafeteria forces.

God has truly blessed Gardner-Webb College during the past year. The greatest blessings have been in the realm of the spiritual, intellectual, and social area. It would be impossible to list all of these.

Three new buildings will be dedicated during the fall of 1967. These are: Mauney Hall, named in honor of the W. K. and D. C. Mauney families of Kings Mountain; Nanney Hall, named in honor of Mr. and Mrs. C. P. Nanney of Gastonia; and Myers Hall, named in honor of Mr. A. G. Myers, Sr. of Gastonia. These dormitories have enabled the college to serve over 200 additional boarding students.

Another forward step was made when the Boiling Springs Baptist Church decided to sell their property to the college. The new educational building formerly owned by the church has been converted to a classroom building and named the David Lindsay Building in honor of Mr. David Lindsay of Rutherfordton. This move has enhanced the academic program.

Two very ambitious programs were launched by the Trustees to pave the way to the four year status of Gardner-Webb. The first is a doctoral leave program—a maximum of five professors will be given leaves of absence to complete work for the Doctor's Degree. Financial support will be given to those professors with the agreement that they return to Gardner-Webb for at least five years. Three professors have already left for graduate study and others have applied for a leave during 1968. This program will assure that the college will have 30% of the faculty with doctor's degrees, a requirement for four year colleges. The second program is the upgrading of the library. The library budget has been tripled and a large challenge gift is being met. Mr. George Lewis, Director of Libraries at Mississippi State University, has been employed as Consultant to help the library meet the standards of the four year program.

The trustees, the advisors, the administration, the faculty, and the staff are working diligently to get ready for the four year college status. The fact that Gardner-Webb College is surrounded by community colleges makes the need for a four year program imperative.

Gardner-Webb College continues as a liberal arts college. There will be a limited number of majors offered as a senior college. The Associate in Arts program for Nursing Education, Data Processing and Computer Service, and Secretarial Science will be continued. These last three programs will continue to have a broad liberal arts foundation.

The wives of the trustees, the advisors, the administration, and the faculty are developing a program of campus beautification. The campus layout of Gardner-Webb College offers an excellent opportunity to build a place of true beauty.

The purpose of Gardner-Webb College is "to develop quality Christian students who will think for themselves and who will dedicate themselves to the Christian way of life in the vocation of their own choice." The entire Gardner-Webb family is proud to be a part of the Baptist State Convention of North Carolina. We believe that the Baptist distinctive will do much to meet the needs of the changing world.

During the past year the Endowment Funds increased \$348,531 through bequests and savings. The plant assets increased \$1,023,000. At the present time the Gardner-Webb College Endowment Fund is valued at approximately \$1,849,878, including an irrevocable trust. The physical plant is valued at \$4,997,433. As of July 31, 1967, Gardner-Webb College owed a debt of \$475,000 to the First Union National Bank of Charlotte, North Carolina. This is being amortized at the rate of \$5,000 per month, plus interest. Pledges are in hand to complete the payment of this debt.

R. A. REPORT

We have enjoyed another successful year. In the 1966-67 year new chapters were started at Second Baptist and Lily Memorial, Shelby. We had our first R. A. Basketball League this year with six teams from our association and Sandy Run. Poplar Springs was the champion and Elizabeth won the Sportsmanship trophy. We had several new pastors to enter our association this year and all have endorsed our R.A. work.

In baseball we had 650 boys enrolled on 29 teams. Poplar Springs won the Junior championship and Zoar and Westview the two Sportsmanship trophies. In the Intermediate league Pleasant Ridge won the championship and Sportsmanship trophy with the second Sportsmanship trophy going to Poplar Springs.

We also played the Greenville, S. C., champions from Leawood Baptist Church and beat both their teams.

To set a precedent we will have a basketball meeting the second Thursday in September each year. A list of all boys to play basketball must be sent to the Basketball Commissioner along with the \$4.00 entrance fee not later than Oct. 1, each year, and play will start about Nov. 1.

In baseball the first meeting will be held each year on the last Friday in February. For 1968 this will be held at Eastside of Kings Mountain at 7:00 P.M. The list of boys and their birth dates along with the \$4.00 entrance fee must be filed with the league Secretary (Commissioner) not later than March 15. The first game will be scheduled for the first Saturday in April.

For 1967, the Baseball and Basketball Commissioner was Fritz Morehead of Pleasant Ridge. The President of baseball was Alvin Bridges of Zoar.

For 1968, the Basketball Commissioner will be Tom Walters of Elizabeth. The Baseball President will be Bill Tessenor of Lily Memorial. The Secretary of Baseball will be the Rev. Ray Digh of Bethel.

Our Conclave will be held yearly on the third Friday night of May. In 1967, this was held at Elizabeth with the largest number of boys ever to attend, 420!

Respectfully submitted
Bill Philbeck, R. A. Leader

BROTHERHOOD REPORT

The Brotherhood of our Association continues to grow. The new concept in Brotherhood work—to teach Missions to all men, young men and boys—is progressing in a great way.

The growth of the R.A. Program under the able leadership of Mr. Bill Philbeck is one of the highlights of the past year. The men of the Brotherhood joined with the R.A.'s in the annual R.A. Conclave held at Elizabeth in May. This meeting was well attended by both men and boys.

Quarterly meetings of the Associational Brotherhood were held during the year. Attendance at these meetings continues to grow attesting to the concern of the men of our Association to the great challenge presented by the goals set forth in our Brotherhood Program. The Brotherhood Workshop held at Double Springs in August with over 100 men in attendance was surely the most successful meeting of the year. This workshop was conducted with the cooperation of State Brotherhood Leaders under the leadership of Reverend Edwin Bullock, State Brotherhood Secretary.

I wish to express my deep appreciation to Reverend C. O. Greene, our Associational Superintendent of Missions, for his guidance and leadership;

also to all of the Associational Brotherhood officers who have served during the past year with great zeal for the advancement of the Kingdom's work.

The great challenge to **teach missions** to **all** men, young men and boys is greater than ever before. This challenge should be the concern of every man in every every church in our Association.

SHALL WE ACCEPT IT?

Paul A. Lancaster
Brotherhood Director

HOME MISSION REPORT

The United States is the most influential nation in the world. It is the nation whose churches provide the major thrust for the spread of the gospel worldwide. Amazing advances in communication provide unparalleled opportunities for sharing the gospel, but they also channel to the world information regarding our spiritual and moral weaknesses. In such a situation, every effort to Christianize the United States takes on global dimensions. At this point in human history home missions must be a major concern of Southern Baptists.

A Missionary Force of over 2,100 assists Southern Baptists in their efforts to bring men to God through Jesus Christ in a period characterized by national and international tensions, inflationary economy, growing population, moral problems, and mounting social changes. This force was reinforced in 1966 by the appointment of 427 missionaries, with 119 on career status.

To cope with the changes the agency has continued to experiment with and to search for relevant methods in missions, such as those to be used in resort communities, industrial situations, juvenile delinquency, and high-rise apartments. Studies continued in transitional areas, with downtown churches and with ministries to ex-prisoners.

Record support came during the year through the Cooperative Program (\$4.7 million) and the Annie Armstrong Offering (\$4 million). The goal for the Annie Armstrong Offering was reached for the first time since 1961.

Some pressing needs remain unmet in missionary appointments: 70 Spanish missionaries, 8 Italian, 18 Slavic, 14 Indian, 25 US-2, 25 other language groups, 9 couples and 11 single women for Baptist centers and weekday ministries, and 1 couple for migrant missions.

Funds for disaster relief, which started with \$50,000 in 1966, will reach \$235,000 during 1967 with increased funds coming through the Advance Section of the Cooperative Program.

Viet Nam military forces were served by one hundred of the 849 Southern Baptist military chaplains serving on active duty. Strengthened efforts have also been made for ministries by chaplains with hospitals, institutions, and in industry, and with churches in meeting the needs of military personnel near them or from their membership who are away on active duty.

Financial assistance went to 270 churches for loans totaling more than \$4.5 million. The funds of the Church Loans Division now total more than \$17.5 million, and the agency seeks new methods of guaranteed loans that will multiply these funds.

The Northeast Crusade, concerted emphasis on missions for the ten-state northeastern area through 1970, was launched in 1966 with most of the agencies of the SBC participating, under the leadership of the Home Mission Board's Department of Pioneer Missions and the state conventions of Ohio and Maryland. This department also reported marked advance in work in all of the twenty-four states it serves.

Change in attitude among Southern Baptists toward the race problem and cooperation with National Baptists are slowly beginning to emerge—more open discussion, more involvement, and a seeking after better relationships are reported by the Department of Work with National Baptists.

The volunteers for special supporting missionary work swelled in number as 670 students from 212 colleges and four seminaries participated as student summer missionaries; twenty-four short-term volunteers were appointed for the Christian Service Corps; five were placed in pioneer areas as long-term volunteers, and a force of nearly fifty US-2 volunteers continue to serve, with approximately twenty-five being appointed each year for a two-year term.

SUPERINTENDENT OF MISSIONS REPORT

The Association seeks to assist the churches through:

1. **Associational projects.** Several could be mentioned but we share one which will be engaging our attention for the next three years "The Crusade of the Americas," an effort to reach North America for Christ. 1968 will be the year of preparation, 1969 the year of the Crusade, and 1970 the year for conserving results.

2. **Associational Meetings.** While not nearly so numerous as in the past there are a number of vital meetings conducted by the Association. A few are "M" Night, Action Night, Brotherhood Workshop, V.B.S. Clinic, Seminary Extension Classes, Music Clinics, "Youth Night," Group Schools, etc.

3. **Personal Assistance.** A full staff of age group workers and superintendents stand ready to help any church at any time with any specific need. Please call on them. Mrs. Judy Dover, the office associate, Hugh Borders, clerk-treasurer, and I are anxious to be of assistance where needed. I have been in 49 churches in the last year, have been in the office 309 days, have spoken to some group every other day, and have attended more than 300 meetings. In the months of March, April, May and June our office had 1495 contacts.

4. **Distribution of Resources.** We have resource material in books, pamphlets, tracts, filmstrips and tapes that are yours for the asking. Two filmstrip projectors, one sound movie projector, and a tape recorder are available. What we do not have we will try to help you find if you'll just call on us.

TRAINING UNION REPORT

This year has seen the introduction of the New Concept books in Training Union. These manuals for Juniors, Intermediates, Young People, and Adults were taught in a central school, November 7-11, 1966. The primary emphasis of Training Union continues to be on Church Member Training with its teaching of Systematic Theology, Christian Ethics, Christian History, and Church Policy and Organization. The Sunday night program provides training for all church members to Worship, Witness, Learn and Minister daily.

The new tasks of the Training Union, as outlined in the New Concept manuals, are New Member Orientation and Leadership Training. How important it is to reach the new members of our churches for a dynamic life of service to Christ and His Church at the earliest moment of their Christian life. When we realize that out of every 100 Southern Baptists, 27 are non-resident church members and 23 are totally unenlisted in the church work with about 25 really under the load of service, it is obvious there is need of a better way to enlist new members in a worthy church relationship. Assistance in this can be obtained through use of New Member Orientation. Furthermore, a manual called "Training Potential Leaders" is available for training sessions for new church leaders. This includes material for 26 sessions. When we realize that 29 out of every 100 workers are annually replaced in our church organizations, it becomes vitally important that we have new leaders trained and ready to take their places. The Training Union also has the task of Specialized Leadership Training. This involves training our membership in specific tasks such as Sunday School Teaching and Committee Membership.

"Mobilization Night" was held at the Gardner-Webb College Gymnasium with an attendance of approximately 500. A drama was presented by the youth of the First Baptist Church, Shelby. Rev. W. T. Roberson, missionary to Vietnam, brought a challenging and dynamic message.

The Training Union Tournaments were held at the Sandy Plains Baptist Church, March 28. A total of 29 Juniors received recognition in Junior Memory Work. There were no participants in either Intermediate Sword

Drill or Young People's Better Speakers Contest. Surely, the leadership of the Training Unions of the churches will want to give special emphasis to this aspect of the work during the new year.

Youth Night was held April 1, in the cafeteria of Gardner-Webb College. The inspirational speaker was Mr. Mike Fair, football star from South Carolina. A number of our churches were represented with an attendance of 276. Mr. R. L. Decker led in group singing and entertainment.

Training Union is a must for our churches. The new concepts in Training Union work should make it possible for all of our churches to do a better job of training our church members during the coming years.

Dale Clark
Training Union Director.

WOMAN'S MISSIONARY UNION REPORT

God has blessed us this year in WMU work. The Executive Board has held its quarterly meetings with good reports of progress.

In November, each board member was to write five (5) churches that have been added to their prayer list for the year. This was done. Also, Nov. 2, was emphasized as "Day of Prayer" around the world. An associational wide night of prayer was held with Second Baptist Church, Shelby, with Rev. and Mrs. Charles Fenner, missionaries to Japan, speaking.

In January, Mrs. W. T. Roberson taught our foreign mission book and invited any one in the association to attend.

An associational leadership conference was held with Flint Hill, Jan. 24, Feb. 7, with sixty (60) ladies attending. In March a G. A. Tea was held with the First Baptist Church, Shelby. Mrs. Charlie Fenner was speaker. The Y. W. A. banquet was held with Elizabeth Baptist Church with 159 girls attending.

On April 4, the seventy-third annual meeting was held with Bethlehem Baptist Church with 260 registered, 41 churches represented, with the theme: "Teach Me To Do Thy Will," Psalm 143:10a. Missionary speakers were Miss Gladys Farmer and Rev. P. A. Cline.

Several board members attended Ridgecrest and the state meeting.

Our Prayer Retreat was held Aug. 17, at Pleasant Grove, Mrs. James B. Sides, Prayer Chairman, presiding.

The mission book, "Holy Spirit in Missions," was taught by the Rev. P. A. Cline, on Aug. 22, at Lattimore Baptist Church.

Let us thank God for his blessings, and strive to work closer with Him and our collaborators.

Mrs. W. E. McSwain.

SUNDAY SCHOOL REPORT

Associational Sunday School workers helped provide the leadership for the Central Training School November 7-11, 1966, at Elizabeth Baptist Church. Classes were held for Sunday School, Training Union, and Music leadership from the various churches.

On April 25, 1967, the annual associational Vacation Bible School Clinic was held at Second Baptist Church in Shelby with good attendance. On September 12, an associational Stewardship Conference, directed primarily toward Sunday School leaders, was held at Westview. This program featured stewardship testimonials, methods of promoting stewardship through our Sunday Schools, and information concerning what some churches have done in stewardship promotion.

The associational superintendent and five other associational Sunday School workers attended some of the sessions during Sunday School Leadership Week at Ridgecrest August 4-5. The superintendent taught the book, **The Sunday School at Work, 1967-68**, during Sunday School Leadership Preparation Week at Westview September 18-22. Your associational Sunday School

workers are available upon request to assist you in the Sunday School program of your church.

BAPTIST HOSPITAL REPORT

In this day of rapid change in almost every area of our lives, there are few places in which change has been more rapid than in the field of medicine. In the last twenty-five years we have witnessed in medical care a transformation as dramatic as in almost any other area of life.

This period parallels the period of development of our Baptist Medical Center in Winston-Salem. This began in 1941, when our Hospital and our Medical School were joined to form the first and only such Baptist combination. Today it stands as one of the very finest medical centers of our country, reflecting the vast progress which has come in the field of medical care. All indications are that this progress will continue at an ever growing rate.

It is a day of increasing specialization, with men and women highly trained and dedicated in their special fields of medicine. It is a day of expanding research in medicine, as in industry, agriculture and business.

Many of the fruits of this work seem almost like modern miracles. There are new means of diagnosing our ills, such as the brain scan and the use of sound waves. New drugs are being developed almost daily for combatting disease, including antibiotics and new chemicals. There are new techniques in treating our ills, as in heart surgery, inhalation therapy, and replacing of organs of the body. There are new instruments to perform these miracles, as the cobalt machine, the heart-lung pump, the pacemaker for the heart, the laser beam in surgery. There are new facilities for better care of the patient, such as the intensive care unit and the progressive or minimal care unit.

There has developed a new concept in medicine in recognizing the patient as a person, and not just as a virus or a broken bone. He is now treated as a whole person, including his emotional and spiritual needs as well as his physical problems. Psychiatry has developed, spiritual therapy is an important factor, and pastoral care is a part of the total care of the sick.

Such important progress necessarily means greatly increased cost in medical care. But the high cost is more than offset by service which gives us better health, more relief from suffering and handicaps, and added years to life.

This is not the work of an institution alone—it is a cooperative enterprise. It is a ministry in which we as churches and individual Christians join hands with those who serve in our Medical Center. If this service is made available to all our people who need it, we of necessity have to provide much of the means, for there are many who cannot pay for it. This is a wonderful opportunity when we by simply giving our money can share in so important a service to our brother in need—and even hear a “Well done,” for “Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me.”

FOREIGN MISSIONS REPORT

Southern Baptist missionaries were under appointment to 65 countries or political entities on May 1, 1967. During 1966 a couple took up residence in Ivory Coast, and a couple was appointed to Morocco. Missionaries, appointed in early 1967, are awaiting permission to enter Ethiopia and Botswana.

At the close of 1966, the Southern Baptist Foreign Mission Board had an overseas missionary staff of 2,208. This included 65 missionary associates, 7 special project nurses, and 92 missionary journeymen. Appointment during the year totaled 207. Between January and May, 1967, 45 more were added.

Even with the additional appointments, many missionary personnel needs still exist. Preachers and medical people continue to be most urgently re-

quested. Also, there are calls for those trained in teaching (seminary), business, agriculture, radio and TV, journalism, and student work.

The leading of people to new life in Jesus Christ is the ultimate **purpose** underlying all our missionary efforts. At the year's end there were 4,707 churches (3,076 self-supporting), 6,542 mission points, and 3,904 national pastors related to our Southern Baptist work. These reported 51,680 baptisms, 528,958 church members, and 604,487 enrolled in Sunday School.

Total contributions of Southern Baptists for foreign missions amounted to \$27,047,200 as 1966 closed (an increase of \$2,063,276 over 1965.) The 1966 Lottie Moon Christmas offering had reached a total of \$13,760,146.80 by May 1, 1967.

Still needs continue to be far beyond financial resources. Unfilled requests from the Missions for urgently needed land, equipment, and buildings amounted to several million dollars.

Let us seek in the coming year to increase both our prayer and financial support of those who are giving their lives in sharing the gospel of our Lord Jesus Christ.

CHILDREN'S HOMES REPORT

According to the records our churches gave last year, \$13,189. This represents a per member gift of less than 52 cents. Certainly we ought to do better than this.

Helping children and young people to grow and develop toward Christian maturity is one of the greatest privileges in life. No task is more important than helping a child grow into healthy, well-adjusted, responsible citizenship. At the Children's Homes we seek to provide the proper atmosphere, encouragement and supervision to assure the development of inborn, God given talents of our children.

This agency offers a variety of quality services to the children of families who have not been able to continue a satisfactory pattern of living together. A total of 33 cottages on five campuses provide group care of different kinds. There are two residences for emotionally disturbed children, convenient to a great medical center where psychiatric services are available. This fall, for the first time, a single cottage at Wallburg is being opened for the rehabilitation of boys.

In addition to group houses, the needs of many children are met through the use of Foster Homes. A growing interest in this phase of our work is encouraging. Many families are finding happiness and opportunity for service in caring for foster children. Thus, many boys and girls, who otherwise would not have this opportunity, are privileged to grow up in Christian homes. Should you have an "extra measure of love" to share in this way, the Homes would like to know of your interest.

In June, 1967, the first of the new family living cottages was completed and is being used by brothers and sisters who can profit by sharing the same home. This building was provided by Mr. and Mrs. William M. York of Greensboro, and is named the York Cottage. It is a model for the family living approach in group child care. A similar cottage is already under construction at Mills Home and two buildings of this type are now being built on the Kennedy Home Campus.

Members of the Board of Trustees and the Staff of the Children's Homes are committed to the task of maintaining a Christian Program of Child Care—a program that will merit the undivided support and loyalty of our people and that will bring favor to our Lord. To that end it is our purpose to meet, as effectively as possible, the challenges of our day.

SEMINARY EXTENSION REPORT

During 1967, many of the leaders of the churches of the association discovered the worth of continuing adult education through a Seminary Ex-

tension Course. Twenty of our pastors joined in preparing for January Bible Study by studying the book of Amos in the fall of the year under the direction of Rev. Fred McGehee. Twenty-one of our pastors chose to study Christian Ethics during the winter months, with Rev. Russell Fitts directing the work. Eleven of our church leaders gained a broader knowledge of the Bible through the studies of Old and New Testament led by Rev. Hugh Borders and Dr. Paul Johnson.

Appreciation is expressed to Elizabeth Baptist Church for the use of their facilities for these classes.

EVANGELISM REPORT

The State Conference on Evangelism reached new spiritual heights this past February and all attending came home with a determination to live a more dedicated life and to try harder at the task of Evangelism. However there is a lack of real and deep concern on the part of many for a spiritual revival, and this was evidenced by the presence of only one pastor at the all-night prayer meeting held during the conference. Kings Mountain Association was assigned thirty minutes of the time to pray, but most of those present felt no burden for this matter.

We are majoring too much on "child evangelism" and pitching our efforts toward our Junior and Primary Departments, and ignoring the many, many adults around us that are out of Christ. One prime field for Evangelism that is being largely overlooked is within the membership of our churches. Each pastor needs to ask himself the question, "If I had to face God today and my faith and commitment was no greater than the majority of my church members, would I be secure? Is it a saving faith?"

The "Crusade of the Americas" is a great challenge before us now. We cannot go to South America or Central America, but we can go to the lost in our own community and thereby make our personal contribution to the effort. Let us begin preparing now by training our members to win the lost, begin prayer groups to pray for the crusade, and dedicate ourselves anew to the study of the Word, and spend much time in prayer for fire in our own souls. The challenge is ours, and in the Name of the Lord let us meet it.

BAPTIST MINISTERS' WIVES AUXILIARY REPORT

The Ministers' Wives Auxiliary to the Kings Mountain Baptist Association had a good year as they met each month in the homes of the members. Our programs were very informal. They were centered around the theme "IN EVERYTHING ENRICHED BY HIM."

The members enjoyed two annual events this year. The Christmas Party was at Pleasant Hill Baptist Church, with the husbands as special guests. Our May luncheon which closed the meetings for the summer was held at the Governor's Inn. Both of these events were well attended.

We are looking forward to our first meeting of 1967-68 season in October. These meetings are on Thursday after the first Sunday, at 2:00 P.M.

We would especially like to encourage all the Ministers' wives, who are new in our association, to attend these meetings. We hope to see all the "old" faces, and many new ones.

COOPERATIVE REPORT

We give "through" the Cooperative Program and not "to" it. The Cooperative Program is a plan or method of "pooling" gifts from all our churches and channelling those gifts to all our missionary, educational, and benevolent causes.

Last year North Carolina Baptists gave \$5,787,311 through the Cooperative Program. Special offerings amounted to \$2,897,639, making a grand total of \$8,684,950 for all mission causes.

A report for Convention headquarters noted that in two associations every church made a gift through the Cooperative Program last year.

We trust and pray that all our churches in the Kings Mountain Association will give through the Cooperative Program this coming year.

We recommend:

1. That each church give some amount regularly through the Cooperative Program.

2. That each church give special emphasis to prayer for the Cooperative Program during October.

3. That in the coming year each church strive to increase by ten per cent the amount given through the Cooperative Program.

BEAUTIFICATION REPORT

I have had requests for information about tree problems on several church properties in the last year, and on each occasion I have tried to carefully analyze and help in every way possible in the solution of same.

The planting program has been executed at Gardner-Webb College along with suggestions for a continuation of this most important feature of the beautification of that lovely campus. Similar planting programs can be arranged for many of our fine churches. Few things will prove more lasting for coming generations than this type of program.

Every one can have a part in making his church grounds more beautiful: flowers, shrubs, and the best monument ever—a nice healthy tree. The Lord will help in this venture and truly show his appreciation.

May we count on you?

NORTH CAROLINA BAPTIST HOMES FOR THE AGING REPORT

Your North Carolina Baptist Homes for the Aging have been on the move during the past year. In fact, we will be ready to move into our new Home at Yanceyville in September and will be able to receive 30 more dear old people into the family of our homes. When the Yanceyville Home, our fifth, is occupied, we will have a total of 200 deserving older men and women in our care in all of the Homes.

As you know, we now have four Homes and an Infirmary in operation: Resthaven and the Hayes Home in Winston-Salem, the Albermarle Home at Albermarle, the Hamilton Home at Hamilton.

In these Homes you have an eternal investment and can rejoice in the loving care which you are making possible for our older people. The majority are financially needy persons, and are supplemented through the love gifts of North Carolina Baptists. Two sources of income from the churches are increasingly vital in the support of our residents—the Special Day Offering, received on the 3rd Sunday of February each year, and our share in the Cooperative Program.

The Special Day Offering for 1967 is at an all-time high and has increased by 1% over last year. This is most commendable, but when we face the reality of costs, which have advanced 20%, and the maintenance of a new

Home and the care of 30 additional residents at Yanceyville, we could face a real crisis during the next year, unless the gifts from our Baptist people continue to increase in proportion to our needs.

We wish to thank all of our Baptist people across the State who are enabling us to minister to the aging in Christ's Name, and we want all of you to know that each of your 5 Homes exists for the people from all over our great State. We could not operate without your love, your prayers, your concern, and your financial support.

In the midst of our joys have been our sorrows. Our oldest resident, Aunt Fannie Drumright, passed away in June, just short of her 106th birthday. She came to live with us at the age of 93, and the 13 years of her presence with us have been a shinning example of the special significance of a Christian ministry to older people. The compassionate nursing care alone which this little lady received is reason enough to thank God for the people called Baptists, whose vision and concern for mankind have included the aging in answering the Master's call in the service of the Lord.

LIBRARIAN'S REPORT

The thirty-three librarians of our Association join me in giving our witness to the blessings of a real library.

Out of our Associational membership of 19,655 members 12,632 members have access to books that have been selected to provide the best that has been thought and said in the furtherance of the Kingdom of God.

We trust in a short time the whole membership will have access to the ministry that will bless homes, save souls, channel lives in the right direction, spiritually and vocationally.

Let us develop our minds, elevate our thoughts, broaden our world; but let us always remember the words of Daniel Webster. "The greatest thought I ever had was that of my individual responsibility to God."

ORDINATION ADVISORY COMMITTEE REPORT

The Ordination Advisory Committee exists for the purpose of helping the churches of the association examine candidates for the gospel ministry. The committee when asked by the churches leads in questioning the candidate concerning his conversion experience, his call to the ministry, his doctrinal beliefs concerning the church, the Scriptures, Heaven, Hell, etc. The candidate is given opportunity to express himself concerning missions and denominational views. There is a time in the meeting when pastoral ethics is discussed by the committee members and the candidate.

The following men were questioned this year and recommended for ordination to their respective churches.

Ralph Lail was ordained by Calvary Baptist Church and was called to Calvary Baptist Church of Gaffney, S. C.

Michael Sepaugh was ordained by New Hope Baptist Church and was called to Kittrell Baptist Church, Henderson, N. C.

Donald Keith Horn was ordained by Oak Grove Baptist Church and was called to Rehobboth Baptist Church, Maples, N. C.

Mike Wilkinson was ordained by the Second Baptist Church, Shelby, and was called to Mt. Pisgah Baptist Church, Casar, N. C.

AMERICAN BIBLE SOCIETY REPORT

The American Bible Society shares the concern for worldwide missions which Southern Baptists are expressing in plans for the Crusade of the Americas and World Missions Year in 1969. The entire program of Bible Society work is founded on these basic missionary principles:

People must have the Bible because it presents Jesus Christ, the one hope of men and nations.

Each Person must have the Bible in his own language because it speaks to his heart as no other language can speak.

The Bible is the essential tool of missions and evangelism. The missionary uses it in all his work. The Bible itself is a missionary. It can go where the human missionary cannot go. It can stay on after he must leave—and keep on speaking to a person's heart.

But, there is a worldwide shortage of Bibles, because in most countries, people cannot afford even the cost of printing the Scriptures.

The American Bible Society is a worldwide missionary organization. It is an active partner in Southern Baptist work. It helps missionaries translate the Bible. It publishes the Scriptures without note or comment and distributes them without profit, usually below cost, and often without any charge in cases of special need. For the Blind, it supplies Scriptures in Braille and other raised-letter systems, Talking Bible records and tape recordings.

A program of advance is being carried on by the American Bible Society in cooperation with 34 other national Bible Societies around the world. In 1968 this program will enter its second phase with the theme, "God's Word for a New Age — the Book for New Readers." Its aim is to provide greatly increased quantities of Scriptures urgently needed for mission work. Long-goals are:

- A Bible in every Christian home
- A Testament in every Christian's hand
- A Scripture Portion for every reader
- Supplies of Scriptures for Christians to share

During 1966 the American Bible Society—

- rejoiced that some part of the Bible has been published in 1280 languages; the full Bible in 240, a Testament in 301 more, A Gospel or other complete book in 739 more—but still counted over 1000 more languages in which not one book of the Bible has yet been published.
- gave more than 500,000 Scripture volumes for distribution by Chaplains to our Armed Forces and Veterans' Hospitals, as a vital link between the home churches and men in service.
- produced, in several languages, Scriptures in everyday speech, printed in attractive forms. Outstanding among these is "Good News for Modern Man", the Today's English Version New Testament, translated by the Society's translation department. Published September 15, 1966, at least 5 million copies are expected to be distributed by the close of 1967.
- set new records by distributing 39,981,620 scripture volumes in the U.S.A. and a total of 61,815,238 volumes, in over 400 languages, in some 150 countries around the world—and **continued to increase translation**, publication and distribution to meet urgent needs.

Because the Bible Society serves mission work—and Southern Baptist missionaries depend on the Society for Scriptures they need for their people—Southern Baptists believe in the missionary importance of giving to the American Bible Society.

In 1966 Southern Baptist churches gave \$233,896 to the American Bible Society and ranked first among all denominations. Gifts from all churches in the U. S. A. totaled \$1,472,307.

Although Southern Baptist churches lead in total gifts, the **per capita** is less than 2½ cents per year—and less than the per capita gift from several other major denominations.

Please send gifts to your Baptist state office marked "for the American Bible Society."

1967 REPORT OF THE BIBLICAL RECORDER REPORT

Does your church have a definite plan for getting information on the Baptist world wide mission effort to your church members? Is there any definite plan to acquaint the membership with Baptist doctrine and policy? Do your members have any way of knowing what other churches are doing and what is being done through cooperative efforts? Is there any systematic plan for placing good Christian literature in the homes? Do your deacons help shape the policies of your church? Is there a planned way to get accurate information and helpful suggestions to your church leaders?

The simplest and most economical way to get **all** this information into the homes of your members is through the **BIBLICAL RECORDER**. Under the Church Budget Plan, this can be done for only 4c a week.

Consider just one thing the **RECORDER** did this year: In reporting accurately and courageously the doings of the General Assembly in Raleigh, the **RECORDER** performed a significant service for Baptists, as well as other denominations. A number of daily newspapers, including the **Charlotte Observer**, credited the **RECORDER** with being a major factor in the defeat of a liquor by the drink bill. But we cannot sit back and relax. Supporters of liquor by the drink have warned that they will be back to push their cause in the 1969 General Assembly. The **RECORDER** will be there to keep you posted and to urge you to act.

As another example of service to its readers, the **RECORDER** is continuing to run both Sunday school lessons—the Uniform Lessons and the Life and Work Curriculum Lessons. Outstanding writers have been secured to do these lessons.

In addition to the weekly ministry in nearly 89,000 homes, the **RECORDER** editor now writes a weekly religious newscast which is heard on more than 75 stations throughout the state. The Radio-Television Commission produces and distributes the program. This is another opportunity to spread the good news of the Gospel.

Nothing else can take the place of the **BIBLICAL RECORDER** in Baptist life. If you doubt this, try it in your church.

NORTH CAROLINA BAPTIST FOUNDATION REPORT

The year 1967 will be remembered as a year of tragedy with our leadership. For some months our Chairman, Dr. I. G. Greer, has been critically ill at his home in Chapel Hill. Some two weeks ago Executive Secretary, C. Gordon Maddrey, was stricken with a series of heart attacks and has remained in critical condition in Rex Hospital.

If Mr. Maddrey were able to prepare this report, he would thrill us with the many interesting and challenging developments up to the time of his illness two weeks ago. This has been the most fruitful year in the work of the Foundation with many new commitments and marked progress in developing some of the projects of large standing. This is especially true of the new Home for the Aging in Yanceyville which you will hear much more about in the report on the Homes for the Aging. Certainly this will continue to constitute a great challenge to our people who can find in the Baptist Foundation their finest opportunity for investing in Kingdom Enterprises.

DEPARTMENT OF INTERRACIAL COOPERATION REPORT

"I can never really begin to tell all that this summer has meant to, for how do you communicate the joy you feel when you realize that you had a part in winning 41 boys and girls to Christ? And how do you explain what it means when you find you love as brothers in Christ people you had always feared? Words fail me, but I will say this, I would not exchange this summer for anything in the world."

This is the final paragraph of a letter written by one of the first two white college students who have served for a summer in the Department of Interracial Cooperation. But the summer of 1967 also held other successful efforts such as 42 Vacation Bible Schools enrolling over 3,600 boys and girls. In the Asheville area there were seven standard schools held in our General Baptist churches.

Another new undertaking for 1967 was a series of four Human Relations Conferences held in May at Wilmington, Fayetteville, Rocky Mount, and Statesville. The enrollment and participation were encouraging.

Also, in May we regretted to receive the resignation of the Reverend James Barber, a teacher-Missionary in Fayetteville. Mr. Barber accepted the pastorate of two churches in Chadbourn and Whiteville.

The Department supported efforts to begin an annual week of interracial fellowship and Christian study in August at Chowan College. It, too, proved successful and will be repeated next year. A similar work of fellowship at Mars Hill College in July had the usual good results.

Again this year a goodly number of the General Baptist State Convention participated in the summer camps and assemblies operated by the Baptist State Convention. It is hoped that these facilities will be used increasingly in the future.

The Convention year reached a climax in August as the General Baptist State Convention held its centennial celebration and voted unanimously to enter the Crusade of Americas. The vote included the acceptance of an invitation for the two conventions to jointly plan and sponsor a conference on evangelism to be held in Greensboro in 1969.

The year has been most encouraging but concludes with much work yet to be done. It is our prayer that the dedicated Christians in our Baptist churches throughout North Carolina will continue to work tirelessly for the time when all of God's people might sit down together and plan and work to fulfill the purpose of God in the world.

VISUAL AIDS REPORT

Many of our churches are making use of visual aids in the educational programs of the various organizations. Some of our churches in recent years have entered the "Church Audio Visual Education" or CAVE plan with Broadman Films, Baptist Sunday School Board, 127 Ninth Avenue, North, Nashville, Tennessee 37203.

Broadman Films still offer films to churches at a reduced rate. However, they no longer sell the equipment. It must be acquired through the local dealers. Another service from Broadman Films is the very useful annual "Audio-visual Education Guide" which suggest films and filmstrips each month that aid in the various organizational programs.

Moreover, there are hundreds of filmstrips and many films and recordings available, rent free, to our churches from Department of Program Services of the Baptist State Convention, 301 Hillsboro Street, Raleigh, North Carolina.

From our Baptist Center, Box 24, Shelby, North Carolina, our churches have access to use, free of charge, many filmstrips, two filmstrips projectors, one Bell & Howell movie projector, screen and tape recorder. All of these are available by appointment at the Superintendent of Missions' Offices.

GENERAL BOARD REPORT

In its quarterly meetings held in October, 1966, January, April and July, 1967, your General Board received regular reports from the committees and organizations, and filled several vacancies that occurred among the associational officers during the year. In addition to these routine matters major items of business transacted by the General Board during this associational year include:

- (1) Planned a Simultaneous Revival for our association: April 6-20, 1969.
- (2) Drafted a letter opposing any liberalization of the present ABC liquor laws. A copy of this letter was sent to all local members of the state legislature.
- (3) Moved its designated meeting place from the First Baptist Church, Shelby, to the Second Baptist Church, Shelby, to relieve the parking problem.
- (4) Named a committee to work with Gardner-Webb College officials in preparing a resolution to the Council of Christian Higher Education and the Baptist State Convention favoring the making of Gardner-Webb a four-year college. Members of that committee were: Lloyd Bost, chairman, Mrs. Charles Alexander, Rev. James Stamey, Rev. E. M. Smith, and Rev. C. A. Kirby, Jr.
- (5) Sponsored a project to aid the Hopewell Baptist Church in its building program. While a few individuals, churches, and local church groups did send checks and cash to the associational treasurer, the Rev. E. S. Elliott and Mr. Clarence S. Mull received all such funds, and applied the total against a note owed by the Hopewell Baptist Church to the First National Bank. The total of these funds were \$1,102.47.
- (6) Granted a "letter of dismissal" from this association to the North Brook Baptist Church to unite with the South Fork Baptist Association.
- (7) Welcomed Mrs. Judy Dover as our new secretary at the Baptist Center. Mrs. Odessa B. Crisp resigned as of July 31, to end five years of faithful services to the association. She was presented a check for \$50.00 in appreciation for her services.
- (8) Accepted the resignation of the Rev. Billy G. Washburn as Clerk-Treasurer, effective June 30, 1967. Rev. Hugh L. Borders assumed the duties of Clerk-Treasurer on July 1, 1967.

WOMAN'S MISSIONARY UNION

Minutes of the Seventy-Third Annual Session

TUESDAY AFTERNOON, APRIL 4, 1967

The 73rd Annual Session of Woman's Missionary Union of the Kings Mountain Association convened at 4 P. M. in Bethlehem Baptist Church April 4, 1967. Music was under the direction of Mr. Bill McDaniel with Mrs. Jack Lail, organist.

Mrs. W. E. McSwain, President called the meeting to order. "Teach Me To Do Thy Will . . ." (Psalm 143 - 10 a) was chosen as the theme of the session.

Mrs. Charles Spearman, President of W.M.U. of Bethlehem Baptist Church, extended a welcome to all.

Mr. McDaniel led the congregation in singing a hymn.

Mrs. Dale E. Clark of Sandy Plains Baptist Church gave our theme interpretation, "Teach Me To Do Thy Will." She said in part that Christ calls and commissions us to give our best. If we take seriously the challenge to do the will of God and to seek his Kingdom, we soon discover that the cost will be considerably more than most of us had thought. The kinship to Jesus is based on doing the will of God. She closed by reminding us of our responsibility and challenged us to respond, and stated further that he gives us free will and a continuance of His call.

The hymn, "At Calvary" was sung.

Mr. James Horn, U. S. Probation Officer, spoke on, "Teach Me Thy Will To My Fellow Man." He stated that there were problems of youthful misbehavior every day, and that the family structure has been torn from a firm anchorage. Young people are the ones who feel the many changes, and become confused along with their parents. He said a juvenile delinquent is a person who has not reached his 18th birthday. He strongly advocated parents setting right examples in the home, and practicing more discipline, or there is real danger of children becoming delinquent. He strongly advocated visitation from the churches.

Mr. Tom Moore, Director of Safety Dept., Carolina Freight Co., Cherryville, N. C., continued the theme emphasis by speaking "In Traffic Safety." He gave figures of accidents and pointed out the need of education along this line.

In a period of meditation Mrs. S. C. Harrill, led the group in responsive reading, "God Needs Women."

During the business session Mrs. McSwain recognized the pastors and other visitors.

Mrs. J. B. Price presented the budget and moved its adoption. This motion was seconded and passed.

Mrs. David Beam, Chairman of the Place Committee, extended an invitation from the New Bethel Baptist Church for the 1968 session.

Mrs. Harold Causby, Chairman of the Nominating Committee presented the officers and committees for the succeeding year, and moved that they be elected. This motion was duly seconded and passed. The congregation stood as Mr. Allen Jolley sang, "The Lord's Prayer," as a prayer of dedication.

Rev. E. S. Elliott brought to our attention the needs of Hopewell Baptist Church (Negro).

"Together In Prayer" was led by Mrs. James Sides, as we remembered the missionaries who had birthdays on this day. This period of prayer closed the afternoon session and the blessing for the meal which followed was also given by Mrs. Sides.

TUESDAY NIGHT SESSION

The night session was opened with special music by the Gardner-Webb Ensemble under the direction of Jerry R. Hill.

Featured at this session were the Y.W.A's under the direction of Mrs. Kenneth Howell of Bethel Baptist Church, Associational Y.W.A. Director.

A pantomime was presented by the Y.W.A. The hymn, "O Zion Haste," with seven girls from Flint Hill Baptist Church participating. Mrs. Allen Dixon of the Pleasant Grove Baptist Church was soloist.

"Teach Me To Do Thy Will," was presented with the following speaking: Chris Dedmon of Ross Grove Baptist Church, outlined a pattern of behavior for young people to do the will of God, "In School." Jackie Bridges of the Poplar Springs Baptist Church gave helpful suggestions for patterns of behavior, "At Home." Linda Hunt of the Bethel Baptist Church gave a description of doing God's Will, "In Social Life."

Special music was presented by a sextet from First Baptist Church, Shelby Rev. R. L. McGaha introduced Miss Gladys Farmer, Director Baptist Good Will Center, Columbia, S. C.

Miss Farmer showed slides and gave a vivid account of the work she was doing at the Good Will Center in Columbia, and the help that was being given the under privileged and slum areas in spiritual, educational, and material ways. We were greatly enlightened of the needs so near us and challenged to do more for those who need our help so badly.

Mr. McDaniel led the congregation in singing, "I Am Thine O Lord."

Mr. James Petty, Director Cleveland Unit of Gaston College spoke on "Opportunity To Learn." He told us that 670 are enrolled in Adult Education Classes and that success depends on having a foundation. He pointed out that we are responsible to God, family, country and job.

Mrs. James Stamey of Elizabeth Baptist Church sang, "Teach Me Oh Lord I Pray."

Rev. P. A. Cline of Gardner-Webb College, brought the closing message of the session, using Col. 1:9 as his text and the subject "Teaching Thy Will." Rev. Cline said that we must want God's knowledge rather than our plans. He stated that God moves in mysterious ways and we must try to acquire His will by our conscience, common sense, Scriptures and direct communion with God. He admonished us to be obedient, trusting, helpful, kind, earnest, strong, worthy and courageous. He closed by saying, "If we are in the will of God, no fear need come."

Mrs. Everett Spurling, Chairman of the Resolutions Committee expressed the thanks of the group for the hospitality, the meal and the churches that were involved in its preparation, fellowship, music, leaders, and message.

To close the 73rd session of the W.M.U. Annual Meeting Mrs. Allen Eakle and Mrs. James Sides read responsively "God Is Saying Something To Me," as a meditation.

In an atmosphere of renewed dedication another session of the Associational W.M.U. closed with a better understanding of "Being In The Will Of God."

In Rev. 14:13 we read, "and I heard a voice from Heaven saying unto me, write, Blessed are the dead which die in the Lord from henceforth; yea, saith the spirit that they may rest from their labors and their works do follow them."

Again in Rev. 21:4 "God shall wipe away all tears from their eyes, and there shall be no more death, neither sorrow nor crying neither shall there be any more pain."

ANNUITY BOARD REPORT

Important Date for all New Members in Plan "A"

The three-plan Southern Baptist Protection Program has one provision in Plan "A" that will affect all prospective new members soon; this provision is called "Delayed Participation," commonly known as a "grace period." The grace period provision will become effective on January 1, 1969. The provision states that the grace date is established in one of three ways: (1) as of January 1, 1969; (2) on the member's 26th birthday; or (3) one year from the date he first becomes eligible, whichever is the latter. This simply means that if a member joins Plan "A" of the Protection Program later than his grace date, the disability, widow, child, education and dependent parent benefits will be proportionately reduced. The reduction will be the ratio which such years of delay bear to the total years from the grace date to the normal retirement date. Therefore, it is important that all who are now eligible join the Program before January 1, 1969.

Response to the new Program has been good. During 1967, 3,146 members joined some part of the three-plan Program. The plans in the Protection Program are: Plan "A," formerly called the Southern Baptist Protection Plan, and the plan in which benefits were increased and new ones added; Plan "B," the Age Security Plan; and Plan "C," the Variable Benefit.

Information about the Protection Program, including the "grace period" provision, may be obtained from the annuity secretary in your state at the Baptist Building, or from the Development Division, Annuity Board, SBC, 511 North Akard Building, Dallas, Texas 75201.

Annuitants Receive "13th" Check

For the second consecutive year, all persons receiving a life benefit were mailed a "13th" check. Each check was for an amount equal to 12 per cent of his annual benefit. These checks were made possible because of interest earnings in excess of what the plans required. The trustees approved, two years ago, the issuance of the "13th" checks providing the Board realized such excess interest earnings.

Dues on Total Salary Encouraged

Inflation continues to affect the buying power of the dollar for everyone, including those who have retired. No sign of a leveling off period of the inflationary trend is indicated. The Protection Program is designed to help any church provide as much retirement income for the minister and staff as it desires. Many churches are moving to ten per cent dues on total salary, recommended as a minimum by the Annuity Board and state convention secretaries.

REPORT FOR 1967

As of December 31, 1967, 1,202 new members had been issued certificates in Plan "A" of the Protection Program. A total number of 174,000 churches were providing the Program for their ministers.

Of the 174 agencies in the state conventions and the Southern Baptist Convention, 145 were providing the Program. The total number of employees covered in the agency programs was 7,140.

Forty five churches are participating in this program plus the Association itself. This leaves twenty five churches and their pastors without the protection which the Board provides. We strongly urge these churches and pastors to consider joining this very worthy and needed plan.

For information write to Rev. Guy Cain, 301 Hillsboro St., Raleigh, N. C. 27603., or the Annuity Board, SBC, 511 North Akard Building, Dallas, Texas, 75201.

GARDNER-WEBB COLLEGE REPORT

R. Patrick Spangler, Chairman, Board of Trustees

E. Eugene Poston, President of the College

Gardner-Webb College is well on the way in her 62nd year of service

to the Baptists of North Carolina. There are 1312 students enrolled for the 1968-1969 school year. The faculty, the administration, and the staff total 125. Seven of these are on leave of absence working on their doctorates. There are 40 additional employees that make up the cafeteria and the maintenance forces.

One of the highlights of this year's accomplishments was the recruitment of 12 new doctorates for the faculty. They are at work with six doctorates already at Gardner-Webb. Four new doctorates have signed for the 1969-1970 school year. Gardner-Webb College is well on the way to the 30% doctorates required for a senior college.

Much attention has been given to the library during the past year. 5,928 new volumes have been added to the holdings during the past 12 months. Dr. Stanley Benson, Former Head Librarian at Kentucky Southern College, came to Gardner-Webb College this past summer. He is working faithfully to bring the library up to the senior college accreditation standards.

A campus beautification project is underway. A new entrance is being built. It will emphasize a simulated boiling springs and a tower of light symbolizing the Trinity and the praying hands.

Should the Baptist State Convention approve the senior college status for Gardner-Webb, a limited number of majors will be offered to meet the needs of an area where Community Junior Colleges are growing rapidly. The trustees and the administration will start only those programs that can be financed adequately.

This year Gardner-Webb College lost one of her fine trustees. Mr. Wade Short of Ellenboro died September 8, 1968. He had been a faithful member of the Board for several years.

The purpose of Gardner-Webb College is "to develop quality Christian students who will think for themselves and who will dedicate themselves to the Christian way of life in the vocation of their own choice." This year the college is sponsoring an area wide evangelistic thrust, September 15-22. The Billy Graham Evangelistic Association is participating in the Crusade. It is interracial and interdenominational. Dr. Grady Wilson is the preacher for the Crusade.

During the past year the Endowment Funds have increased \$108,589 through bequests, gifts and savings. The plant assets increased \$712,580. At the present time the Gardner-Webb College Endowment Fund is valued at \$1,958,467, including an irrevocable trust. The physical plant is valued at \$5,710,013. As of June 30, 1968, Gardner-Webb College owed a debt of \$420,000 to the First Union National Bank of Charlotte, North Carolina. This is being amortized at the rate of \$5,000 per month, plus interest. Gardner-Webb has a construction loan in the amount of \$612,000. No repayment schedule has been set up on this loan as of June 30, 1968.

At the present time Gardner-Webb College needs an auditorium and a classroom building. Chapel services are divided into three sections. The present auditorium will seat only one third of the students.

R. A. REPORT

We had a Banner year in 1968, with Oak Grove being added to our active R. A. Chapters. Over 1,000 boys are now R. A.'s in our Association.

Last fall was our 2nd year in the R. A. Basketball League with Mr. Tom Walters of Elizabeth as Commissioner. Poplar Springs won the Western League Title with a 9-0 record. Beaver Dam was second 8-2. Westview won the Eastern at 9-1 with Eastside of Kings Mountain second with 7-2. The League had 12 teams. There were only 6 in 1966. The Sportsmanship Trophy went to First Baptist Church of Shelby. Westview beat Beaver Dam for the Championship.

In Baseball we had 34 teams, 18 Junior and 16 Intermediates. Piedmont of Kings Mountain won the Eastern League Title, The Sportsmanship Trophy and Championship in the Juniors, Westview was second. In the Western Division Zion won the title. Poplar Springs was second and also runner up in the championship game. Bethel won Sportsmanship trophy in the west.

In the Intermediate League Eastern Division, Zion won the title. In the Western it was Beaver Dam who won and the championship also. The Sportsmanship went to First Baptist in the East and Pleasant Ridge in the West. Both Zion and Westview purchased buses for their youth work this year. Our Conclave was held at Elizabeth with 450 boys present to hear Christian Sportsman and Stock Car Driver Ned Jarrett. They put away 1,000 cokes and 1,500 hot dogs.

1969 looks promising with many new members added to our Association. We look forward to helping establish more R. A. Chapters.

WORLD MISSIONS REPORT — FOREIGN — HOME — STATE

Standing on Mt. Olivet, just before his ascension, our Lord outlined for his disciples his program for the ages. He said, "You shall receive power when the Holy Spirit is come upon you; and you shall be My witnesses both in Jerusalem (local and associational missions), and in all Judea (state missions) and Samaria (Home Missions), and unto the uttermost part of the earth (Foreign Missions).

What are we Baptists doing about this program?

Through the Cooperative Program we help support over six thousand State, Home and Foreign missionaries. Last year over 66,000 people were baptized by these missionaries. An average of more than two new churches and missions were started every day during the year.

We are helping train capable leaders for God in 1,140 foreign, home and state Christian schools. There are more than 260,000 pupils attending these schools.

Also, through the Cooperative Program we are helping support 65 Baptist Hospitals and 56 clinics in foreign countries and in the United States. More than 900,000 patients are treated annually. Eight thousand homeless children and 1,200 elderly people are provided a home, food clothing and other necessities of life in 55 orphanages and homes for the aging throughout the world.

How do we finance Christ's program? Through the Cooperative Program and special offerings.

66.6 cents of each dollar given through the Cooperative Program remains in the State for Christian Education, Social Service, State Missions and Administration. This amounts annually to approximately \$4,332,900. 33.4 cents of each dollar given through the Cooperative Program goes to Southern Convention Causes. This amounts annually to approximately \$2,167,100 from from our state. For the year 1968, our total budget is \$6,500,000. Our goal however, is \$6,750,000.

The Southern Baptist Convention 1967 total mission gifts came to \$45,114,098. This figure includes all designated gifts as well as the money given through the Cooperative Program. From January-July of this year, 1968, our offerings for Southern Baptist Convention causes total \$35,399,554.

What about our needs? They are too numerous to mention in detail. They stagger the imagination. Stanley Jones has well said, "We must go deeper before we can go farther." The giving, witnessing and dedication of those who "Stay" must equal the consecration of those who "Go."

SUPERINTENDENT OF MISSIONS REPORT

If one word could be used to characterize the world in which we live it would be the word "change." The extent and the rapidity of this change leaves most of us baffled and uncertain about tomorrow.

This word could also characterize the condition of Southern Baptists. The work of Baptist Brotherhoods has been changed to major on Mission

Education and Mission Action; The W. M. U. Organization has been streamlined with major emphasis on prayer, study, and action groups; the Sunday School will adopt a new grading system for 1969-1970 that will have only four divisions: preschool, children, youth and adult; the Training Union will have a new name and drastic revision next year; Old Standards of Excellence are giving way to new "Achievement Guides" as measures of our effective work. Baptists are being called upon to move in the direction of applied Christianity as well as emphasizing **personal Christianity**.

All of this naturally affects the work of the local church and the Association. We are bewildered by much of what is taking place, and sometimes feel that we are just marking time as we seek to adjust to so many changes. One thing, though, will stand us in good stead—a constant awareness of the main business of the church regardless of change in methods, procedures, and organization. That business is the making and equipping of disciples for service in the Master's name.

To this end our work is dedicated. This year is the Crusade of the Americas—directed to enlisting disciples; next year is to see emphasis on consecration—the equipping of disciples for applied Christianity. Our volunteer workers—almost 200 of them, Mrs. Petty, the office associate, and I stand ready to help in any way we can. Let us!

WOMAN'S MISSIONARY UNION REPORT

"I am so thankful for the new changes in W. M. U., I am real excited about being a Missionary in my own community. I know each of you as you join groups will be much happier doing things for the Lord instead of just talking about it.

May I express my deep appreciation to God for using me to work on this field for five years. He has blessed me in many ways many times. If I have helped you in any way the glory goes to God, because alone I could not have helped you, He has been with me all the way. Thank God for good W. M. U. women such as you have been and I am sure now are going to be better.

May God's richest blessing be on our new director Mrs. Ledbetter and her Executive Board."

BAPTIST HOSPITAL REPORT

This is a full year at our Baptist Hospital with more than thirty thousand sick people being given medical service and Christianity ministry, and more than 165,000 visits being made to the clinics of the hospital. In addition to this, more than 700 persons are receiving training in the various fields of medical care and Christian service, and a vast amount of medical research is being done in the causes and treatments of the diseases which afflict us and our loved ones.

The Development Program, which is greatly to increase the capacity of the Medical Center to train and to serve, is progressing on schedule. The

new power plant is scheduled to go into operation in Oct. The paramedical school building is due to be ready by next April. It will provide the best in teaching facilities and make it possible to double the capacity of our nine schools and to add new Schools. The Medical School addition is to be ready by September, 1969, and will allow that school to enlarge by 35%. Contracts are due to be let in October for the new patient building, which is to be completed in 1971. This building and the remodeling of the oldest part of the present plant will provide more than 200 new patient beds and greatly enlarged space and facilities for offices and for examinations and treatment of patients.

The cost of this large Development Program is being provided by interested individuals, corporations, foundations and government agencies, which recognize the valuable service our Medical Center is rendering and the urgent need for greatly enlarging these services.

But this is a very difficult year financially, and our hospital has been forced to make important changes in its financial policies. In the face of the mounting costs and the increasing needs of our people, the hospital has been struggling with a growing deficit. We have been told this for several years but the gap has continued to increase between the cost of free service and the money we have provided for this service. The amount of the free service now will have to be governed by the amount of the Mothers Day Fund. A patient's hospital bill will be estimated in advance, any available hospital insurance will be deducted, and the balance must be paid before the patient is admitted unless he is certified by his county welfare department or some other agency. Any balance beyond the estimated bill must be paid before the patient is discharged. In case of an emergency, the patient may be admitted but the hospital bill must be paid as soon as possible after admission. The Mother's Day Fund will be used, as it has been, to pay the difference between the amount paid by the certifying agency and the total cost of caring for the patient.

The great concern at our Baptist Hospital is for these patients who must have financial assistance if they are to get the specialized care they need. But the hospital has come to the point that it cannot continue to operate without the money necessary to cover the cost. In view of the circumstances, we believe the great majority of our pastors and our people will understand these changes and give their full cooperation. The Mother's Day Offering will need to be increased greatly if our hospital is to fulfill its mission to our people who must need it. We want to assure our hospital that it can depend upon on us in full measure.

Dr. John C. Hamrick

REPORT TO THE ASSOCIATIONS

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA, INC.

1968

North Carolina Baptists and other friends of the Children's Homes are making possible a Christian way of life for hundreds of boys and girls who otherwise would be denied many of life's best opportunities. More than 1300 children were assisted in some type of service during the past year.

All associated with the Children's Homes are deeply grateful for every type of support. Co-operative Program income through the churches increasingly important. Last year's Thanksgiving offering is the largest ever—now approaching \$325,000. Special gifts, bequests through wills and estate planning provide much needed income and wonderful opportunities to invest in the lives of children and young people.

Encouraging progress is being made in the capital funds campaign to build a home for children in Western North Carolina to be located in Haywood County between Waynesville and Clyde. It is hoped that construction can begin in early 1969. The Western Home, in addition to providing group care, will strengthen all types of services now being provided children and their families in the Western area.

Four family style cottages have been constructed and dedicated during the past year—two at Mills Home and two at Kennedy Home. Two additional cottages will be constructed at Mills Home during the coming year. Funds for these buildings have come from bequests through estate planning by friends of neglected and dependent children.

The number of good Christian homes for the care of foster children is growing. More are needed in all sections of the state. Foster homes serve children of all ages and are particularly helpful for some who have special needs. Couples with or without children of their own, who have an abundance of love, find this to be a challenging and rewarding opportunity for Christian service.

Members of the Board of Trustees and members of the staff of the Homes are dedicated to a program of child care that will merit the undivided loyalty and support of our people and that will be worthy the blessings of our Lord. We covenant with you to face the future as we have in the past: to offer Christian nurture to children in distress in the name of Christ our Savior and Lord.

COOPERATIVE PROGRAM REPORT FOR ANNUAL ASSOCIATIONAL MEETING 1968

What the budget is to the local church, the Cooperative Program is to the denomination. It is support for all missionary causes at home and abroad—it's preaching the gospel—it's healing in the name of Jesus through hospitals and clinics everywhere—it is teaching and training Christian leaders for all the great tasks of Kingdom endeavor.

As our people worship with tithes and offerings Sunday by Sunday and as your church channels a worthy part of its income through the Cooperative Program, we enter into partnership with God and one another in obedience to the command "Go . . . preach . . . teach . . . !"

Let us resolve to pray earnestly for all Kingdom work through the Cooperative Program and support our prayers with sacrificial giving of self and substance.

A new Eight Day Stewardship Program will be available from the Stewardship Commission of the Southern Baptist Convention on April 1. It will suggest visitation of every family in the church by the Deacons, prayer by every church member and a Week-end Stewardship Revival.

The following paragraph is from Dr. Eugene Poston:

One sentence could tell the full story of what the Cooperative Program means to Gardner-Webb College—The difference between providing Christian Higher Education or closing the doors of the college. Even though the special offerings help the college meet many needs, the Cooperative Program is the lifeline of the school. The part that the Baptist colleges play in missions, evangelism and education is so great that the need for an increased Cooperative Program is imperative. In this day of increasing socialism, the Christian college must remain strong. The Cooperative Program affords the best channel for the support and increase of Christian Higher Education."

RECOMMENDATIONS

We recommend:

- (1) That each church plan, vigorously promote, and subscribe a worthy budget.
- (2) That each church have a special prayer for Cooperative Program causes during each church service in October.
- (3) That each church give regularly, a worthy percentage of each offering plate dollar through the Cooperative Program.

BEAUTIFICATION REPORT

The churches have made no requests for assistance this year. However, the beautification project at Gardner-Webb College has been continued and will be carried out to conclusion. This should make the Gardner-Webb campus a "thing of beauty and joy forever."

We would urge the churches to continue efforts at making the grounds of the Lord's house the most attractive in the community. Look at your church property as a stranger would, see it as it really is, and, if you don't like what you see, change it for the better. A tree planted now will provide shade and beauty for generations to come. A shrub planted now will be a constant reminder of Him who said, "Consider the lilies of the field."

Please feel free to call on us for any assistance we can render.

NORTH CAROLINA BAPTIST HOMES FOR THE AGING REPORT

The past year in your Baptist Homes for the Aging has been one of the most eventful in the history of the Homes. Of primary significance was the opening of the Yanceyville Home on November 1, 1967, and dedicatory services on April 25, 1968, with Governor Dan K. Moore as the principal speaker.

When the Yanceyville Home, accommodating 31 residents, is filled to capacity, the number living in all of our Homes will reach 200. Residents at Yanceyville, Resthaven, the Albemarle Home, the Hayes Home, the Hamilton Home and the Infirmary constitute a large and ever-growing family of elderly people who receive compassionate and tender care.

The waiting list for admissions to one of our five Homes continues to grow, but has been revised and is a bit more realistic than ever before. The opening of the Yanceyville Home has relieved the pressure greatly on this waiting list, and persons are encouraged to make application from the various sections of our great State.

Baptists of North Carolina can be grateful for their record in ministering to the residents in their five Homes for the Aging. Recent reports reveal that our Baptist Homes for the Aging are giving more financial assistance to their needy aging than any other denominational Home in North Carolina. About 85% of the residents ministered unto receive assistance through the love gifts of North Carolina Baptists. These love gifts from our Baptist church come from two main sources: (1) The Special Day Offering, received on the 3rd Sunday of February each year, from which the Homes derive 22½% of their total support; (2) The Cooperative Program from which we receive 12½% of total income. Gifts for 1967 through these two sources were at an all time high and amounted to around \$200,000.00. The 1968 Special Day Offering, at this time, is reflecting an encouraging increase. Unless these two vital sources of income are increased considerably, your Baptist Homes cannot be maintained, either on the basis of quality of care, or quantity.

More than in any previous years the ministry of the Homes has been extended beyond the day to day care of the residents to our local churches and communities. Experiences have been shared in more than one Association and communities. Experiences have been shared in more than one Association in Family Living, etc.

Life among the residents in the Homes is the most interesting, and if one wonders about activity among those whose average age is 80, let him come and see. Let everyone who is contributing to this great area of human need be grateful to the Lord to be a part of a great denomination that has had the vision to plan for the aging, and is moving forward in meeting the needs of this very deserving group.

Walter Davis, Association Representative

William A. Poole, Superintendent

North Carolina Baptist Homes for the Aging.

REPORT OF ASSOCIATIONAL LIBRARIAN TO KINGS MOUNTAIN BAPTIST ASSOCIATION FOR YEAR ENDED SEPTEMBER 30, 1968

During the past year God has richly blessed many of our churches through the Book Ministry.

It is gratifying to learn of the increasing interest in reading from most of the forty-two librarians in the Association.

In these critical days of tension there is no way to solve some of our problems than to draw on the rich and endless treasures of the ages found in our Church libraries.

Books have the capacity to broaden our outlook, enlighten our understanding, and increase our knowledge.

REPORT ON CHRISTIAN LITERATURE

Christian Literature is first, Christ-centered, and secondly, Bible-centered. The Bible may be summed up in these words: "Man's ruin, and God's redemption!" Christian Literature may address itself primarily to the New Testament message of Jesus Christ as we find that message incorporated in the Four Gospels. But more—fully explained by the writings of the Apostles. The Apostle Paul is credited with thirteen books of the New Testament. The fact is conceded that Paul wrote all of the Church Epistles.

Baptists have always contended for the authority of the Bible, in their teachings and practice. To this end Baptists have produced scores of valuable books, magazines, pamphlets, and other Christian materials. The Baptist Sunday School Board, located at Nashville, Tenn., through its editorial staff and printing presses furnish the Churches of the Southern Baptist Convention most of their Sunday School and Training Union teaching materials at a price any of the churches can pay. A significant purpose of Baptist Literature is to assist the Convention Churches to promote the total program of Southern Baptists. North Carolina Baptists are most fortunate to have two excellent weekly news papers: The Biblical Recorder, and The Charity and Children.

Perhaps the American Bible Society of New York, N. Y. distributes more Bibles, and portions of the Scriptures than any other Bible Society in America. Southern Baptists are one of the their largest contributors.

The objective for Christian Literature is designed to build character, promote growth, and develop the Christian Society in service. The first unit is the home, for Christian training; supplemented by the local churches, and fortified by our Christian colleges. These three Institutions working together offers our children and adults as well, Christian development for life's highest, and most effective service.

And an excellent gesture, in which our churches may make a wise investment is: place the Biblical Recorder and the Charity and Children—Christian Literature, in their church budgets. People are reading more today than ever before. Expose our children and our families to our Baptist periodicals. You will be glad you did.

1968 REPORT OF THE BIBLICAL RECORDER TO THE ASSOCIATIONS

This is a period in history when some church publications are struggling to exist. Smaller circulation, rising cost of publication, mergers, and other factors are creating hardships for many publications.

Your BIBLICAL RECORDER is not immune from some of these problems, but there is a brighter side to its ministry. In January, the RECORDER had its 135th birthday so this indicates it is durable and hardy. While circulation did not set any new records in the past year, a healthy gain was noted. Inflation, accompanied by increased printing costs, caused the RECORDER to have to buckle its belt, but necessary economy steps were well-accepted by our Baptist people. One of these was to let the churches pay the state sales tax, thus saving the RECORDER nearly \$5,000 a year.

There is every indication that the RECORDER is continuing to be read closely. Letters to the editor reflect this growing interest on the part of readers. This is healthy and is one of the strong points of Baptist democracy. The RECORDER runs well over 200 letters a year, many of them expressing strong feelings on a variety of subjects. Baptists are individualists and since this is part of our heritage, the RECORDER is glad to receive letters on the issues facing Christians today. There must be dialogue among Baptists and the RECORDER is glad to serve our denomination in this capacity.

The tragedy is that more of our Baptist people don't get the RECORDER. Although hundreds of churches send it to every home, there are too many churches that do not have it in the budget. Frequently the interest and hard work of one person can mean the difference. Try it and see.

The RECORDER staff rededicates itself to the job of getting out the best paper possible in these days of serious upheaval. Speaking the truth in love is the goal of the RECORDER at all times. The support of all Baptists is needed in carrying out this objective..

ASSOCIATIONAL FOUNDATION REPORT FOR 1968

During the past year, The North Carolina Baptist Foundation, Inc., has made regular and systematic progress. More and more of our Baptist people are inquiring about the services of the Foundation and are following these inquiries with concrete evidence of their concern. Some have made direct monetary contributions through the Foundation for a particular agency or institution. Others, with the help of their lawyers, have made provisions in their wills that through the Foundation Christian causes have been remembered.

One of our major emphases has been in the area of will making. Our pastors, associational superintendents, and our church representatives have given encouraging help in this educational campaign. The response in each instance, whether in an association or individual church, has been most gratifying.

We solicit your prayers and your continuing cooperation. The Foundation remains ready to assist you in any phase of our endeavors. Please call on us if we can be of assistance to you.

MUSIC REPORT

With the Associational Music Director serving as chairman, the Associational Music Committee attempts to develop an Associational Music Education program that can benefit every church, encourages the development of a music ministry in every church, and other departments, coordinating their activities with the Associational plans.

The Associational Music Director attended the State Planning meeting in August 1967. Many hours of planning and advising local churches were given during the past year. Many hours were spent in counseling choir directors in their responsibilities. Regional Choir Festivals were held at Shelby, First Baptist Church. Many of the choirs participating went on the state festivals. A conference was held in connection with the Associational Vacation Bible School Clinic.

In addition to the above activities, the church music committee:

1. Seeks to foster and encourage attendance to music camps and assemblies.

2. Encourages use of our Baptist hymnals and other music publications.

5. Offers assistance, to whatever degree possible, to those churches seeking and needing advice or suggestions regarding its music needs.

It is our hope that during this year we can give individual help to the churches. We urge all churches to seriously consider having a music school of some type in the coming year.

SOUTH MOUNTAIN BAPTIST CAMP 1968 REPORT

Theme: Serving In Christ's Name

They came by the hundreds. They had a deep experience with God. They lifted up their eyes and saw the needs of a lost world. They committed themselves to serve in Christ's Name. They learned more about R. A. and G. A. work. They had fun and lots of good eats.

433 attended R. A. Camps. 967 attended G. A. Camps. 592 attended over night camps, etc. Total attendance was 1992. Many more visited during the summer. Attendance from your Association was 141.

800 made a decision for Christ. This included 165 professions of faith, and 15 for special service.

Special gifts from individuals and church groups enabled us to paint and repair cabins. Work on the pool is progressing and will be ready for use next spring. Asheville Master Pool and Gunite Co. is constructing the pool. It is "L" shaped. It is 60' on the long sides and 30' wide. The depth begins at 27" and slopes gradually to 10' in the diving area.

Your camp can take care of 200 weekly at a very reasonable cost. We have a good program to help the boys and girls. We urge you to inform your people about your camp. (We have 25 minutes of 16 MM color film of the South Mountain Camp Story). Put us in your budget or, have a special offering for us.

Qualified Counselors will be provided for fifty cents extra for each camper in your group.

Health authorities require all who attend camp to have a physical examination. Necessary forms will be sent to you.

We were able to maintain our grade "A" rating.

REPORT ON EVANGELISM

The first great responsibility of Baptists today is to proclaim the message of the Gospel clearly, plainly and under the empowering of the Holy Spirit. The second is to see that the new life and purpose of God found in Christ is in the foreground of all our motives, attitudes and actions in personal cultural and organizational life that this involves us in helping meet the needs of all people. To express the same things another way is to say evangelism is our first great responsibility and the second is to follow our Lord Jesus Christ obediently, as taught in the Scriptures, that the true fruits of evangelism may issue from our total lives. Therefore, it must be of utmost concern to every Spirit-filled Baptist to know there is a reliable source of divine knowledge found in the Bible to preach the Gospel of Christ one must know what the Gospel is, and this God has revealed and written for us in the Bible.

To move with God this year and next in the Crusade of the Americas means that we must be diligent in searching the Scriptures and proclaiming the glorious Gospel of Christ revealed therein; and that we must walk daily with God in the fellowship of prayer. Leaders in the churches must make sure these two most vital matters are constantly practiced in their lives and that these matters are always kept before the people in the churches. This done faithfully and sincerely day by day across the weeks and months will bring individuals and churches into vital relationship with God.

It is urgently important that every church be confronted with the opportunity and responsibility of participating with other Baptists across the Western hemisphere in prayerful concern for a spiritual awakening to be experienced in the simultaneous revival meetings next spring. Messengers of this association are therefore urged to see that every church rightly faces this challenge. For details on the Crusade consult the GUIDEBOOK FOR BAPTISTS OF NORTH CAROLINA which has been mailed to all pastors, Sunday School Superintendents, Training Union Directors, WMU presidents and Brotherhood presidents.

In our association the following churches have voted to participate in the Crusade:

As soon as a church votes to participate, the Associational Chairman of Evangelism should be notified.

Bethlehem Church was organized in 1842 about one mile from the present site under the name of White Plains. The old site is marked by a few graves and tombstones. The Church was declared debt free in August of 1969. Russell Fitts is pastor. Bill McDaniel is music leader. Mrs. Gene Carpenter is secretary. Jack Lail is Sunday School superintendent and Homer Harmon is Training Union director.

The Patterson Station Baptist Church, which is now the Patterson Springs Baptist Church, was organized on October 18, 1895, at the old Ellis School House in what is now the Eastern section of the Patterson Springs community. The first members came from Pleasant Hill, New Hope, and Elizabeth churches. Services were held once a month, led by the first pastor, P. R. Elam. Rev. Cline Borders served as Interim pastor, August, 1968-September, 1969.

8. Rev. Frank Shirley, Temple, gave the report of the Constitution Committee. Messengers had been handed a copy of the recommended changes as they entered the sanctuary. A motion was made by Rev. Robert Mann, Kings Mountain, First, that election of officers take place on the first day of the Annual Session rather than the last day as there are more laymen present. It was cited that this would require a change of constitution, but since it was being presented on the first day it could be voted on the second day. Motion was seconded and it carried. This would be voted on along with those changes on the printed sheet on the second day of the meeting.

9. Dr. Wyan Washburn gave the Historian's Report. He reported there has been some progress on the writing of the Associational History. His report was adopted.

10. Rev. C. O. Greene gave the Superintendent of Missions' Message. In his message he reported on what our Association has been doing during his ten years as Superintendent; what it is doing; and what we plan to do in the future.

11. John Simmone led the group in singing "To God Be the Glory" with Mrs. E. T. Bailey accompanying at the organ.

25. Bob Decker led the group in singing "Glorious Is Thy Name."

26. Rev. Dale Clark, Sandy Plains, brought the Doctrinal Message, taking as his text I Peter 1:13. He said we need a new vision of a Holy God; ours has become distorted.

27. Moderator Stamey called for the report of the Constitution Committee. Rev. Frank Shirley gave the report, those on the printed sheet and those brought last night concerning the election of officers. Those on the printed sheet were adopted. Rev. C. A. Kirby, Jr., Double Springs, made a substitute motion to the one made at the evening session, that the order of business for election of officers be placed in the morning session the second day rather than the afternoon session. Motion carried.

28. State Convention reports were presented. Those bringing reports were: Christian Literature, Marse Grant; and Cooperative Program, Carlos Young. Horace Barefoot brought greetings from the Children's Homes.

36. Rev. Fred McGehee, Jr., Double Shoals, gave the Committee on Committees report and it was adopted.

37. Organizational reports were given as follows: Sunday School, Rev. Fred McGehee; Training Union, Rev. Fred McGehee; WMU, Mrs. W. D. Ledbetter; Music, Mr. Allen Jolley. These were adopted as found elsewhere in this volume.

38. Rev. James Rice, Churchill Drive, gave the report of the Committee on Resolutions. The full text of that report is found elsewhere in this volume. Rev. Rice also thanked the people for their support of Michael Remy, the student at Gardner-Webb College from Haiti.

40. Rev. C. O. Greene led in a Grassroots Survey of some of the priority objectives the Southern Baptist Convention Long-Range Planning Committee feels will be the major concern of the churches during the 1973-79 period. HISTORIAN'S REPORT

"Forasmuch as many have taken in hand to set forth in order a declaration of those things which are most surely believed among us . . ." (Luke 1:1).

This annual report from your Historical Committee will be about the book we plan to write, a history of the first 120 years of the King's Mountain Association. We have had two full committee meetings this year making plans for various aspects of this book. Some assignments have been made and much material is being gathered. We hope all member churches will insist that their historians and church clerks or the church history committee gather material and write their own church history as closely as possible after the outline recommended by the Southern Baptist Historical Commission. These outlines have been furnished by your Historical Committee for all the churches.

Financially, we are doing only fairly well with approximately \$1,500 being paid in through September 30, with the expenses to date amounting to \$294.59. Our committee would urge each church to follow the Associational plan and provide for us ten cents per member for two years; that is, ten cents for the year just past, and ten cents for the coming year, 69-70. This will give us a nest egg of approximately

\$5,000. We hope to have a prepublication sale of the book and plans for us will be outlined during the coming year.

Church histories have been received from Boiling Springs, Carpenter's Grove, Faith, Zion and a new history of the First Baptist Church of Shelby will soon be in print.

Each church will soon be given a history time table to go by which will indicate the type of materials, sketches, photographs, minutes, and other sources which the Association's committee will need to incorporate in the book. We will have to have all of this material by at least June 30, 1970 to have the book ready by the end of the year.

TRAINING UNION REPORT

In the fall the Associational Training Union workers participated with the Sunday School in planning the group training school, and planned the "M" night in December in which 375 people participated.

In the spring your Junior Worker, Mr. Don Roberts, was especially active in promoting the Junior memory contest, visiting every church which gave him the opportunity; and explaining this fine program. A team of workers provided a one night workshop for the Putnam Memorial Baptist Church of Shelby.

The major limitations to the helpfulness of the association to the churches is the unwillingness of many leaders to send information about workers to the associational office where it can be used to channel offers for help, and ideas directly to those who need them. I sincerely hope each church will resolve immediately to send to the associational office a complete list of all workers in each organization.

My sincere thanks go to the fine people who worked with me last year.

Respectfully submitted,
Robert L. Lamb

BIBLICAL RECORDER REPORT

The year 1969 has been one of the most significant in the 136-year history of the Biblical Recorder. True, we cannot point to any spectacular gains in circulation, but each week the Recorder is read by almost 300,000 North Carolina Baptists in some 90,000 homes. For almost a century and a half the Recorder has played a vital role in the life of our convention and state, and it will continue to do so.

Our pages this year have carried a variety of reports of the activities of Baptists all across the state. Early this spring membership in our 3,454 churches passed the one million mark - an historic milestone. We also carried numerous stories and reports of the progress of the Crusade of the Americas.

The first half of this year, of course, saw much of the news interest focused on the General Assembly. Possibly more than any other assembly to date, this year's session was of vital importance to Baptists and other Christians across our state. Because of this importance, the Recorder gave special emphasis to reporting moral and social issues being considered by the legislature. Our readers responded in marvelous fashion, making the impact of the church felt throughout the state.

Whenever something significant was happening among North Carolina Baptists, our readers were aware of it. We hope to offer expanded coverage in the future and will always strive to improve our effort. We want to be good stewards of the trust North Carolina Baptists have placed in us.

Naturally, we hope that this stewardship will be rewarded with more participation in readership in our churches. The Recorder should be in every Baptist home.

We will continue to speak the truth in love.

J. Marse Grant, Editor

ANNUITY BOARD REPORT

The Annuity Board of the Southern Baptist Convention continues to provide excellent service to our churches and pastors. During the years when the pastor is still in the active ministry the Board provides for health coverage and for disability benefits. After retirement those who have participated in the plan receive a monthly check to help meet the needs of those difficult years when income is greatly reduced. Many men would no doubt be on the welfare rolls if this service did not exist.

A new program, called the Group Insurance plan, begins October 1, 1969 and provides a broader coverage than the Life Benefit Plan which has been in existence since 1964. This plan came about because the Board has consistently tried to increase benefits with the changing economic conditions of the times. The Boards' executive secretary summed up this basic philosophy when he said, "The basic philosophy of our Board is to provide programs that will partially replace income for a minister, church or denominational employe when his earnings cease because of retirement, disability or death."

The following are excerpts from the Board's publication, THE YEARS AHEAD, give some indication of the provisions of the new plan.

"This New Plan succeeds the Life Benefit Plan offered since 1964. Members of the Life Benefit Plan will have an option of remaining in it or transferring to the New Plan.

The new Group Insurance Plan has two separate schedules of benefits.

Schedule I benefits parallel the coverage provided in the Life Benefit Plan except benefits do not decrease until age 65.

Schedule II provides benefits from \$5,000 to \$60,000, depending on the participant's annual earnings. Both schedules have provision for accidental death and dismemberment as well as providing for some continuation of some life coverage after age 65. In addition, both schedules provide Dependent Life Insurance benefits for spouse and all children, age 14 days to 23 years.

Another extremely important benefit Long-Term Disability Income Protection. The disability benefit pays 60 percent of a participant's monthly earnings (70 percent, if dependent Social Security is involved) to age 65 with \$1,000 a month maximum.

Any minister or denominational employe may join the Group Insurance Plan when it initially opens without a medical examination or other evidence of good health required. This applies to any member of the Life Benefit Plan who wishes to transfer.

The total cost per month for the employe Group Life and Accidental Death and Dismemberment Insurance and the Dependent Group Life Insurance is:

\$0.70 per \$1,000 of Employee Group Life Insurance

\$0.60 per \$100 of monthly earnings for Long-Term Disability Income Benefits.

Applications will be accepted through November 30, 1969, for the Health Benefit Plan and coverage will begin January 1, 1970. The Plan pays full cost of a semi-private room regardless of the amount. It also provides hospital, surgical and major medical benefits."

The Association would urge all pastors and churches to investigate the benefits offered in all the plans offered by the Annuity Board. We believe this is a wise investment.

Respectfully submitted,
W. P. Biggerstaff

WORLD MISSIONS REPORT — STATE — HOME — FOREIGN

Jesus told his disciples that "the field is the World." We are to "go into all the World" - "preach the gospel to all creatures" - - "make disciples of all nations" "baptize them" (all) - "Teach them" (all) - "to observe all things" that Christ commanded - for Our Lord has "all power" in Heaven and Earth - and He has

promised to "be with us all-ways even unto the end of all-time."

That we may the better implement the carrying out of this great commission of Christ Baptists have three phases - State, Home and Foreign Missions: - these do not work separate and apart, but supplement and complement each other.

Our State supports twenty-plus different objects. 66.66% of every dollar that goes through the Cooperative Program to World Missions remains here in our State for the promotion of State Missions.

Last Year, Southern Baptists gave 46¢ per member, on the average, to Home Missions through the Cooperative Program, 41¢ through the Annie Armstrong Offering, and 5¢ through other sources for a total of 92¢ per member. On the average, it took 36 SBC members to produce \$.01 for each of the 3,282 missionaries (including 897 summer workers). Each home missionary (including the 897 summer workers), on the average, represents 3,453 Southern Baptists. There were 20 professions of faith, 166 scripture portions and/or tracts distributed, and 50 sermons and addresses delivered in the field per missionary last year (including the 897 summer workers).

Each Foreign Missionary, on the average, represents 4,779 Southern Baptists. There were 258 church members in the field and 21 persons were baptized per foreign missionary last year.

Southern Baptists gave \$1.15 per member, on the average, to foreign missions through the Cooperative Program, \$1.29 through the Lottie Moon Offering, and \$.18 through other sources for a total of \$2.62 per member last year. On the average, it took 9 SBC members to produce \$.01 for each of the 2,371 foreign missionaries.

SUPERINTENDENT OF MISSIONS REPORT

October 31 will complete 10 years of service as your Superintendent of Missions. They have been busy years as a few figures will show. In these 10 years I've spoken more than 2000 times, had more than 7500 personal conferences, attended about 3500 meetings, had about 400 persons join various churches at services I conducted, and have driven more than a quarter of a million miles. Consider the background of reading, studying, planning, and promoting which these figures represent and the effort seems prodigious. Yet, for the most part they have been happy years marred only by about three months sick leave.

These ten years have been years of crisis and change. Cleveland County has just about completed its transition from an agricultural to an industrial county. We had 14 high schools in the county 10 years ago; we now have 4. The Vietnam war has taken its toll in more ways than one. Affluence is on every hand; money and leisure time have combined, along with these other influences, to deeply affect the life and worship of all our people.

While these years have brought crisis and change they also offer us great opportunities for the decade of the '70's. Our churches will be changing drastically many of the "Old ways" as we seek to meet the needs of our world. New grading systems, new curriculum, new church study courses, new methods, and new approaches will be our lot as we seek to seize the opportunities of the '70's. Your Superintendent of Missions, Mrs. Mae Petty, the office associate, and about 200 volunteer workers will seek to inform you of these changes, interpret them for you, and help you in any way we can in achieving the primary concern of the church, that of helping people to find in our lovely Christ the answer for their need.

WOMAN'S MISSIONARY UNION

The Lord has greatly blessed us as we worked in W. M. U. this year. Although we may not see the visible results we'd like to see, we must remember that "God gives the increase."

Early in October, 1968 we held a leadership conference in preparation for the new year. In March of this year our leadership courses were taught with around 100 ladies receiving leadership cards.

The W. M. S. held an associational prayer retreat in August and the response was very gratifying.

Our WMU Council has had many hours of fine Christian fellowship as we worked together.

Thank you, Pastors, Women of WMU throughout the Association, and especially Mr. Greene and Mrs. Petty for your help and the support and cooperation you have given us.

Our prayers will be for all the WMU organizations and we ask you to continue to pray daily for us throughout the year 1969-1970. If we can be of help to you in any way, please let us know.

Respectfully submitted,
Mrs. W. D. Ledbetter

SUNDAY SCHOOL REPORT

Elizabeth Baptist Church was host to the Associational Central Training School held November 4, 5 and 7 when six courses were offered. On December 10 there was a January Bible Study Clinic held at Mull's Memorial Church. A good number of pastors received instruction on Isaiah taught by Rev. W. C. McKinney. Others led the various age group conferences.

Dr. Julian Hopkins and Mr. Horace Easom were the conference leaders for a witnessing clinic held on January 21 at Second Baptist Church. This session proved to be very inspirational as well as practical as we prepared for participation in the Crusade of The Americas Revivals.

On March 11, Rev. Joel Jenkins, Associational VBS Superintendent, planned and directed the annual VBS Clinic held at Westview Baptist Church.

Appreciation is expressed to the associational officers and to those who assisted in the meetings.

All Sunday School forces should cooperate to the fullest with our new Superintendent, Rev. Harold Threatt, as we prepare for the challenge of the changes taking place for the 70's.

Respectfully,
Roland Leath

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA, INC. REPORT TO THE ASSOCIATIONS

Two big steps have been taken during the past year that greatly enlarges the work of Baptist Children's Homes. The establishment of a new children's home in Western Carolina has become a reality. The new home near Waynesville will be called the Broyhill Home. Also, steps are being taken to provide a home for unwed mothers at Asheville.

There are many plans whereby a local church can enter a personal relationship to one of our Baptist Homes. The church can become a clothing sponsor for a child or any number of children. Also, the church can provide holiday visits for a child who, otherwise, may not be able to spend a certain holiday away from the Children's Home where most of his time is spent during the year. Individuals may also become related to one or more children by providing a personal interest in the child. This plan will bless your church and your home in a wonderful way.

As the population grows and needs continue to grow, we trust there can be a special interest developed by individuals and churches in this ministry. Informed and understanding representatives will be happy to discuss any of these and other plans with you.

Of course, we would urge strong support through our regular church means of giving.

BEAUTIFICATION REPORT

Did you ever try to define beauty? Ask anyone for a definition and your answers will be many and varied. Beauty, we believe, must be experienced in order to define it properly. Mr. Morley said, "In every man's heart there is a secret nerve that answers to the vibrations of Beauty." A definition or formula cannot contain it, yet, for most of us Beauty in some form is almost continually present and all around us.

Lift your eyes a bit and there is the sky by day and the moon and stars by night or the sunrise or sunset and always the real handiwork of God in a beautiful landscape. Nature is our primary source of Beauty, with its changing seasons and ever renewing of the panorama around us. First there is Spring, the landscape is carpeted in green and embroidered in colorful flowers. Then comes the lush summer vegetation, followed by the rich golden harvest season when color is rampant over hills and valleys, with views rivaling the imagination of man. Winter too has Beauty to offer, the bare stripped trees silhouetted against the grey sky and many times the fluffy white carpet to hide any disfigurements.

Surely the God of such beauty would be pleased to see the place where His children meet to worship Him the most beautiful place in the community. Look at your meeting house and the grounds around it. Do they say to all who pass by that here is a group of Christians who love and worship a God of love and beauty. If not, why not?

Your director has served several groups this year. If he can help you with suggestions as to how to make your building and grounds "a thing of beauty, and a joy forever" please call on him.

Hackett Wilson

NORTH CAROLINA BAPTIST HOMES FOR THE AGING REPORT

Never before have your Baptist Homes for the Aging been more conscious of the Lord's Presence and of His Goodness than during the past year. At a time when the economy of the Homes was at its lowest ebb, with a sizeable deficit looming larger by the moment, when the weather was at its severest on the 3rd Sunday of February, the day of the Special Offering, the churches came through with an offering that promises, at this point, to be the greatest in the Homes' history. The Lord, who is in charge of the weather and in charge of the Baptist Homes for the Aging, has surely rewarded our faith and moved upon our Baptist people to see the urgency of our needs, and we are grateful.

Ours shall continue to be a relationship of trust in the Lord and faith in our Baptist people. We earnestly hope that a continued and sustained effort will be made by our churches to increase and strengthen the amount of the two main means of support for our ministry to the Aging -- the Special Offering, and the Cooperative Program. Through these two sources, one-third of the total income for the Homes is derived, and 85% of the residents, who are financially dependent, are cared for and supplemented. If we are to continue to assist these many needy persons, and if we are to reduce the deficit in the operation of the Homes, brought about by the rising cost of living, we must have more liberal support from our churches.

We do not believe that our Baptist people would want to curtail any of the vital ministries of the Homes and that they will respond to this urgent appeal.

Since last year, the Yanceyville Home, our newest Home, has been filled to capacity, and we now have almost 200 deserving older men and women living in our midst there and in our other four Homes -- Resthaven, and Hayes Home, in Winston-Salem, the Albemarle Home, in Albemarle, and the Hamilton Home, in Hamilton. These wonderful people are finding much happiness in Christian companionship with persons of their age group, and great security in knowing that they will be loved and cared for in sickness as well as in health.

It is deeply rewarding experience to see the light and joy of Christ on an older person's face and to hear words of deep appreciation almost daily for the Christian

love and nurture that North Carolina Baptists are making possible through this ministry. We believe, therefore, that our Baptist people will want to have an ever-increasing part in so worthy a labor of love in the Master's Name. We know that the Lord will not fail us and we also believe that our people will want to be as faithful as possible.

Respectfully
Walter Davis

REPORT ON CHRISTIAN LITERATURE

Good reading produces knowledge, and knowledge brings understanding. And out of understanding comes the power to live wisely. Baptists work together in a Spiritual democracy. But democracy can live only as the people are properly informed, and inspired by the right kind of reading. The apostle Paul said: "Give attention to reading". And by that, he meant, Christian Literature.

If the printed page is more powerful than bombs and bullets, the power of the Bible, is our "Secret Weapon", for this day and hour of world conditions, and in particular, in America. Never before have our news stands, TV viewings, magazines, and newspapers so cunningly devised such an array of attractive pornography. To meet this evil head-on, Baptists should seek larger distribution of our own Christian Literature among our people. Among other good, and excellent Christian literature, we have in North Carolina, the Biblical Recorder. Our convention was organized in 1830, three years later, 1833, the Biblical Recorder founded by Thomas Meredith. Now for 136 years this honorable Christian paper has served North Carolina Baptists well. And it has promoted the constitution of our Convention, which states: the main purpose is "the promotion of missions, education, social service, and the distribution of sound Christian literature". The present editor, Mr. J. Marse Grant, is upholding these principles in an admirable and commendable manner. The Biblical Recorder should be in every Baptist home in North Carolina. The price is minimum for the major information and inspiration you will get for the whole family. Let our pastors, church leaders and all our people give prayerful support to J. Marse Grant, and thank God, we have a man of his character and ability, for our Biblical Recorder Paper, editor.

In cooperation with the American Bible Society, Cleveland County Baptists have the opportunity now, to have a large part in getting The Word of God distributed to all parts of the world, in the native tongue of those countries. This institution is sound and true to The Word, and is worthy of our support. Put an amount in your church budget, and send it each month to our state secretary and treasure, Dr. Perry Crouch, Baptist Building Raleigh, N. C. Southern Baptists are one of the largest single contributors to the work of the American Bible Society. Ear mark your gift, "The American Bible Society" when you send it to Dr. Crouch.

ASSOCIATIONAL FOUNDATION REPORT FOR 1969

By: C. Gordon Maddrey, Executive Secretary

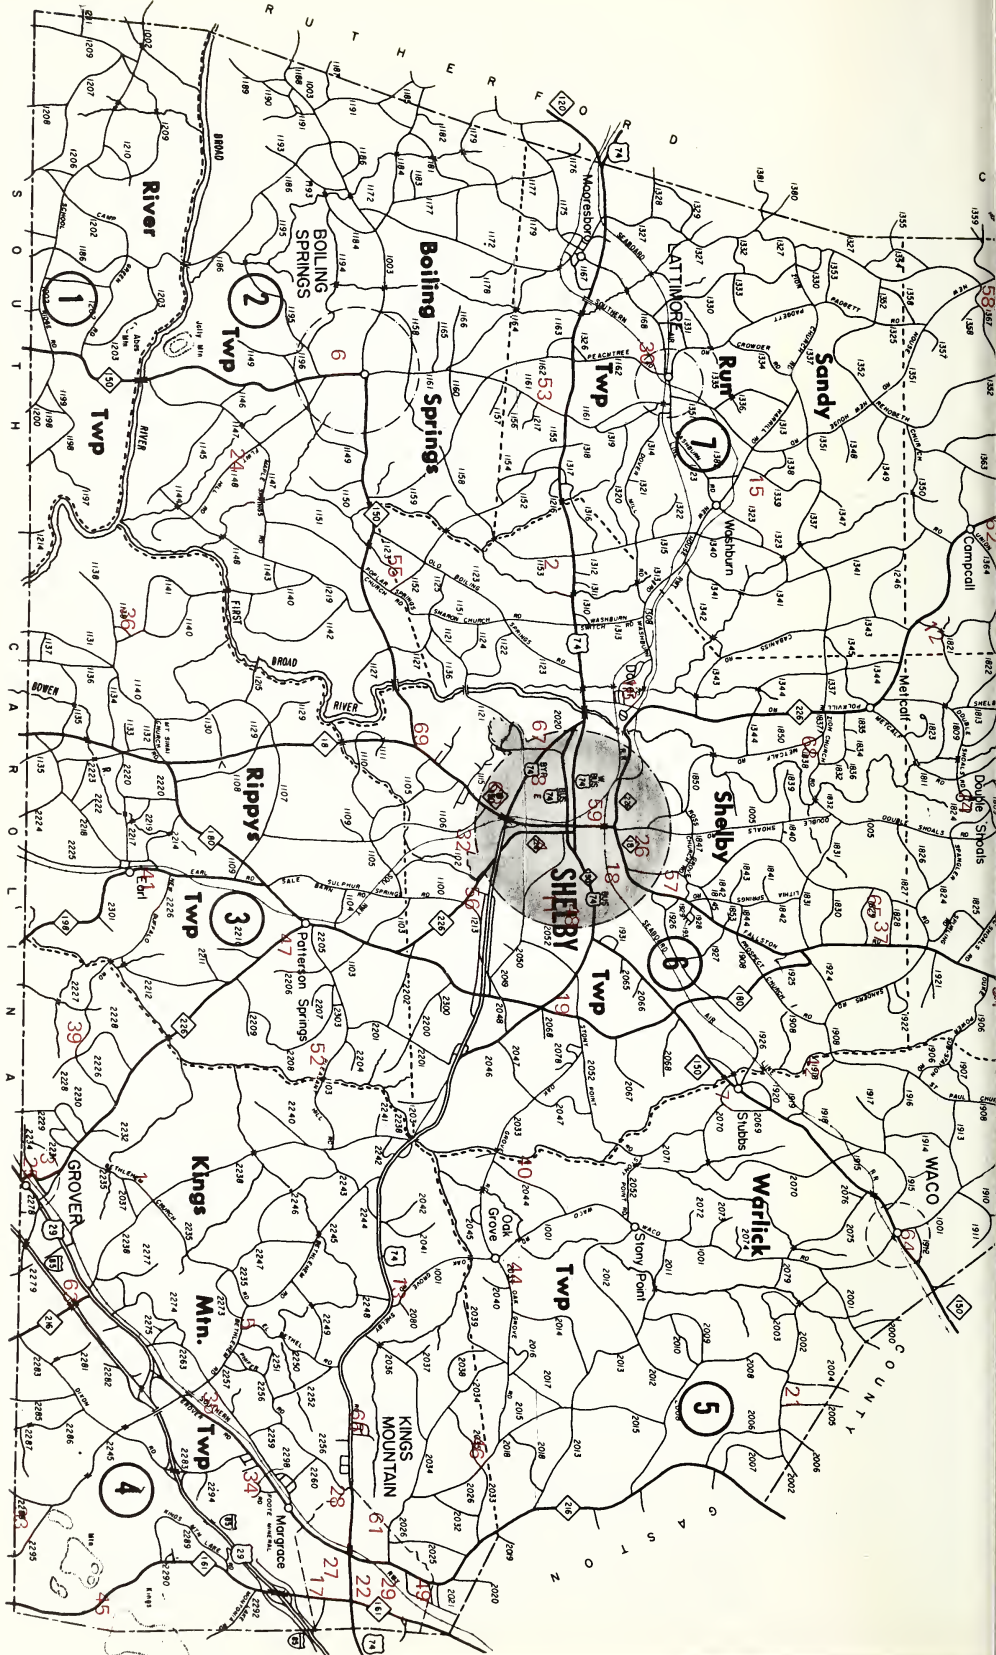

The assets of The North Carolina Baptist Foundation, Inc., have now reached beyond the one million dollar (\$1,000,000) mark, including trust funds and real estate. Since the reactivation of the Foundation, around 1962, the total assets have increased from \$350,000 to the present excess of slightly over one million. This is positive proof that the Baptists of North Carolina have discovered that the Foundation is really a service arm of the Baptist Convention of North Carolina.

As mentioned above, the Foundation renders a service to: (1) God, (2) individual Baptists, and (3) Baptist agencies and institutions. Every Baptist has an opportunity through his Foundation to provide for continuing stewardship in the agencies and institutions in which he has an interest.

The Foundation has again this year put particular interest upon the making of wills. Several of our churches have used the facilities of the Foundation to conduct Will Clinics and reports from the clinics indicate that they were most successful.

We have also had an opportunity to counsel with many people concerning their own wills, and in some instances we have provided the information and direction necessary for inclusion of Baptist causes in their will.

We have had a most successful year and can attest to the fact that the Foundation is on the move and is rendering service to individual Baptists in a most concrete way.

BAPTIST MINISTERS' WIVES AUXILIARY REPORT

The Ministers' Wives of the King's Mountain Association agreed with Dr. Norman Vincent Peale that "To think happy thoughts, say happy things, put joy in peoples lives, the more surely we will keep our own spirits high."

We have tried to accomplish this by meeting in the homes of our members each month where we enjoyed wholesome fellowship and inspirational programs.

We meet on Thursday after the first Sunday, at 2:00 P. M., and we extend a cordial invitation to all new Ministers' wives in our Kings Mountain Association.

Respectfully Submitted

Mrs. Oscar Funderburke, President

GARDNER-WEBB COLLEGE REPORT

R. Patrick Spangler, Chairman, Board of Trustees

E. Eugene Poston, President of the College

The 63rd year of service to the Baptists of North Carolina was a new beginning for Gardner-Webb College. Approximately three hundred juniors were enrolled, constituting the first junior class in the history of the college. The senior class will be started during the fall of 1970. The first four-year graduating class is scheduled for the spring of 1971.

There are 1460 students enrolled at Gardner-Webb for the 1969-70 school term. These students are led by 87 faculty and 46 administrative and staff members. 48 additional employees constitute the cafeteria and maintenance forces.

At the present time there are 26 faculty and administrative members who hold an earned doctorate. Seventeen others have three years beyond their Bachelor's degree. Eight others are on leave of absence working on their Doctorates. The college should be able to meet the standards of faculty training for a four-year college by the time of the first graduating class.

During the past school year 11,778 volumes were added to the Gardner-Webb College library. The trustees, the administration and the faculty are giving priority to the library. Christian trustees, Christian faculty members, Christian administrators, an ample supply of good books, and interested students make a Christian college.

A new organizational structure for the college was initiated this year. Divisions replaced departments as the primary units. The following organizational structure is in operation:

- I. Division of General Business
 1. Department of Business
 2. Department of Data Processing
- II. Division of Education and Psychology
 1. Department of Education
 2. Department of Psychology
- III. Division of Fine Arts
 1. Department of Art
 2. Department of Music
 3. Department of Theatre Arts and Speech
- IV. Division of Health Education and Physical Education
- V. Division of Languages and Literature
 1. Department of Ancient Languages and Literature
 2. Department of English Language and Literature
 3. Department of Modern Foreign Languages and Literature
- VI. Division of Mathematics and Natural Science
 1. Department of Biology, Chemistry and Geology
 2. Department of Mathematics and Physics
- VII. Division of Religious Studies
 1. Department of Religion
 2. Department of Religious Education
- VIII. Division of Social Science.
 1. Department of Associated Social Sciences
 2. Department of History

Gardner-Webb College lost one of her finest supporters this year. Mrs. O. Max Gardner, Sr. died January 16, 1969. Mrs. Gardner was a "First Lady" in every respect. She exemplified Christian dedication in every walk of life. Her influence will live forever.

At the present time there are 90 ministerial students enrolled at Gardner-Webb. There are 49 others preparing for full time Christian vocations. This past summer 24 of Gardner-Webb's students did summer mission work in North Carolina, California, Texas, New Jersey, Maryland, and Pennsylvania, working in various programs and in various positions. The Reverend Charles W. Freeman has developed an intern program on a trial basis with local pastors for the ministerial students.

During the past year the Endowment Funds have increased \$60,000 through bequests, gifts and savings. The plant assets increased \$437,000. At the present time the assets of the college are valued at \$8,230,000 (total of plant and endowment). The Endowment Fund is valued at \$1,940,000, including an irrevocable trust. As of June 30, 1969, Gardner-Webb College owed a debt of \$1,055,000 to the First Union National Bank of Charlotte, North Carolina. This is being amortized at \$11,000 per month plus interest.

The college is entering a capital funds campaign January 1, 1970. The campaign is designed to assure accreditation as a senior college.

BROTHERHOOD REPORT

The Associational Brotherhood Department got off to a good start with its first meeting held at Bethlehem Baptist Church on Tuesday, November 19, 1968 at 7:30 P. M. This meeting was on Foreign Missions emphasis with the members of the WMU invited as guest. For our guest speaker we were fortunate in securing Mrs. David Lockard, foreign missionary on leave from Rhodesia. We had a good attendance at this quarterly meeting.

Our meeting in February was cancelled due to the snow and we were unable to reschedule it.

The R. A. Conclave was held this year at Zion Baptist at 6:00 P. M. on May 16, 1969. Attendance was off at this meeting. A full report will be recorded by the associational R. A. Leader.

Our August meeting was held at the Boiling Springs Baptist Church on the 19th at 7:30 P. M. Due to some conflicts, our attendance was low. We were fortunate to have with us Rev. Harold Threatt, Pastor of Putnam Memorial, to bring us a very interesting program on Home Missions. Mr. Threatt explained how his church was piloting a program of establishing a Home Missions Board in his church. Everyone attending this meeting expressed interest and concern on his project.

If any members of the Brotherhood Department may assist you at anytime, please let us hear from you.

Respectfully submitted,
John Washburn, Jr.
Brotherhood Director

MUSIC COMMITTEE REPORT

With the association music director serving as chairman, the Association Music Committee attempts to develop an associational music education program which can benefit every church, encourage the development of a music ministry in every church, and other activities, and work closely with the state and Southern Baptist Convention music departments coordinating their activities with the associational plans. During the past year the following activities were sponsored:

We led the music for the annual associational meeting and furnished special music. Special music was provided for M-night. Each church was encouraged to have its own carol sing in December. Regional choir festivals were held at First Baptist Church, Shelby. Many of these participating choirs went on to the state festivals. The Music Committee sponsored two conferences in connection with the associational Vacation Bible School Clinic.

In addition to the above activities, the Church Music Committee: (1) seeks to foster and encourage attendance to music camps and assemblies, (2) encourages use of our Baptist hymnals and other music publications, (3) offers assistance to whatever degree possible to those churches seeking and needing advice or suggestions regarding its music.

It is our hope that during this year we can give individual help to the churches. This year it was our pleasure to assist in a personal way several of our churches in their music programs. We urge all churches to consider having a music school of some type during this year.

Respectfully submitted,
Van H. Ramsey
Associational Director of Music

Missionary Sermon	Rev. Ernest Smith
Alternate	Rev. Russell Hinton

The establishing of Elizabeth Baptist Church in 1883 was an answer to the prayers of a number of people, including Elizabeth Love Wilson and Mary Jane Borders Mauney. They felt the Christians in their community needed a place in which to worship. Evangelist C. F. Felmet conducted a brush arbor revival in 1883. Out of this meeting the Elizabeth Church was organized, being named for Mrs. Wilson. The first building was erected in 1884. A second building was completed in 1910, and a third in 1940. This spacious building was destroyed by fire in December of 1954. Dr. Zeno Wall, the pastor, said, "out of these ashes we will rise and build". These words of prophesy became reality in February of 1957. To complement that building, and provide necessary space, the completion of an attractive three story educational building was dedicated in February of 1969.

Pastors of the church have included: C. F. Felmet, J. M. Bridges, Thomas Dixon, A. C. Irvin, A. H. Sims, G. G. O'Neill, C. W. Payseur, J. W. Suttle, Z. D. Harrill, W. E. Lowe, W. G. Camp, H. E. Waldrop, B. P. Parks, W. A. Roberts, D. Boyd Cannon, Zeno Wall, Charles Summey, and James Stamey. These and dedicated laymen have led the church to be progressive and alert in meeting contemporary challenges. The present membership of 904, under the pastoral guidance of Reverend James Stamey, continue to seek God's guidance to meet today's opportunities.

We, the members of Missionary Baptist Churches in the County of Cleveland, State of North Carolina, and territory adjacent thereto, do hereby propose to establish and maintain the principles and rules of order of a district Association in conformity to the following plan:

Article I Name

The name of this body shall be the "Kings Mountain Baptist Association."

Article II Purpose

It shall be the purpose of the Association to cooperate with the State and Southern Baptist Conventions in the promotion of Christian Missions at home and abroad, and in any other related objects such as evangelism, Christian education, benevolent enterprises, and social services, which it may deem proper and advisable for the furtherance of the Kingdom of God.

Article III Membership

Section 1: The Association shall be composed of cooperating Baptist Churches in the area of the Association.

Section 2: Churches desiring membership in the Association shall apply to the membership committee and if recommended by this committee and accepted by the Association shall agree to come under the watchcare of the Association for a period of one year. At the end of one year, upon recommendation of the committee, membership within the Association of such churches shall be determined by vote of the Association. During this period such churches shall be entitled to all rights and privileges of the Association except their members shall not hold office nor vote.

Section 3: The Association shall be sole judge of its membership and may receive churches, or reject churches, according to its Constitution and By-Laws. Member churches may also withdraw as they desire, and, if requested, the General Board may grant letters of recommendation to other like Associations.

Article IV Meetings

Section 1: The Association shall meet annually on Tuesday evening and Wednesday after the third Sunday in October and continue until the business of the Association is disposed of.

Section 2: Special meetings may be called by the Moderator or General Board provided two weeks notice is given to the member churches.

Committee nominations shall not preclude nominations from the floor.

WORLD MISSIONS * * State, Home and Foreign

Southern Baptists have as their marching orders the Great Commission of Christ: "Go ye into all the world and teach all nations; baptizing them in the Name of the Father, and of the Son and of the Holy Spirit; teaching them to observe all things whatsoever I have commanded you, and lo, I am with you even unto the end of the world."

We not only have our marching orders; but we also have a map of the Whole World. Our Lord has given us specific instructions. We are to begin "at Jerusalem, go into Judea, into Samaria and unto the uttermost parts of the World." Here we have Local and/or Associational Missions (Jerusalem), State (Judea), Home (Samaria) and Foreign (the uttermost parts of the World). There should not be any doubt as to what the Church's Mission is.

What are Southern Baptists doing about World Missions?

Through the Cooperative Program gifts and designated gifts, Southern Baptists are now supporting some 5,666 teachers in 71 educational institutions. These

teachers are endeavoring by God's help to make ours a Christian nation.

We have over 2,500 missionaries who witness to the Indians, the Spanish, the Negro, and other minorities in our own country. We also have over 2,400 foreign missionaries carrying the gospel to the ends of the Earth.

From January through July of the Year (1970) Convention-Wide Receipts through the Cooperative Program amounted to \$16,698,575. Designated gifts for the same period amounted to \$20,939,478.

Southern Baptists have the Map, the Method, the Message, the Men, the Money, the Machinery and the Motivation . . . we must not fail in our global task for lack of dedication and consecration.

Respectfully submitted,
Oscar Funderburke
World Missions Representative

SOUTH MOUNTAIN BAPTIST CAMP REPORT

1970

Truly, the Lord was with us at South Mountain Baptist Camp again this year. Attendance was good and we had record breaking crowds the last of the summer. The last week we had 269 and we had to turn away 30. There were 1634 R. A.'s and G. A.'s that came to camp. Also 657 came to Day Camps or over night retreats. A total of 2,291 for the summer. During the summer 19 churches came for picnics and to swim in our pool. 98 came from your Association to our regular camps.

Our theme for this year was "Living Like Jesus" Rhea L. Ross wrote our theme song again this summer.

Our program included: Mission Study, Missionaries, Worship, Study of R. A. and G. A. work. Campers enjoyed good eats, swimming, fishing, horseback riding, softball, horse shoe, ping pong, badminton, frisby, and crafts.

A total of 940 Campers and visitors made decisions for Christ during the summer and 162 of these were professions of faith. Also of these 17 made decisions for Special Service. Those who came learned much about R. A. or G. A. work. Missionaries or Pastors who had been to the Mission Fields were in every camp. A week at South Mountain Camp is filled with many unforgettable experiences. A new or renewed experience with God is a source of joy that will long be remembered. In many instances campers went home to be a blessing in their own church and community. Some churches immediately sent a donation to the camp. Others placed their camp in their Budget.

The leadership of your camp seeks to hold high the demands of the Gospel. It is kept before the campers that a true child of God should grow more Christlike every day. He should also seek to know and do the will of God.

Our Staff presented a program about our camp in nine churches during the summer. We might be able to come to your church during the winter months. Your camp directory is to be with the camp work full time January 1, 1971. He will still be available to do interim pastorate work. The Executive Committee has voted to build a caretakers home in the near future. Nearly 2,000.00 is in sight for a beautiful Chapel in the near future. So you see, there is opportunity for an investment by churches, industry, and individuals that will pay great dividends until Jesus comes.

Your camp is making a tremendous contribution to our Lord's work. Therefore she deserves the prayers and financial support of every church of Region Eight and other churches who use and appreciate our camp.

Respectfully Submitted,
T. A. Lineberger, Director

ANNUITY BOARD REPORT

The Annuity Board of the Southern Baptist Convention continues to render excellent service to retired or disabled pastors, and other staff members of the churches and the various agencies of the denomination. In the days before the annuity plan was organized the pastor or other worker who could no longer work often had to depend on the generosity of the churches he had served, or upon members of his own family to help meet the necessities of life. That is no longer true. We can now retire in some degree of dignity and self-respect due to the annuity plan.

Following are some quotations from recipients: "I want to thank the Annuity Board for the wonderful help it has been in making possible the insurance provided under the new Group Insurance Program and, also, the Widow's Supplement under the protection program. Words fail to express the depth of my gratitude to all who made this possible. The benefits will certainly lighten the financial responsibilities that will be mine as I face the days ahead without Bill. What a difference this will make in the years ahead - this offer of life insurance without a physical examination." Mrs. Mary A. Spradlin, Wilmington, N. C.

For the year 1970 the Board has increased the amount of each check for each recipient by four per cent. In addition they sent a '13' check for 13 per cent of the annual benefit. Below are more quotes:

"I was not sure that we would get such a check since our regular annuity has been increased. It was a delightful surprise to receive such a substantial amount." J. S. Riser, Jr., Jackson, Miss.

"Our faithful Annuity Board keeps us shouting 'praise the Lord' by checks which we always need but do not expect." P. C. Andwers, Midland, Ga.

"We appreciate the fact that you are paying us a little more each month. It is a great comfort and help to know we have the Annuity Board as we face the years ahead." C. Y. Dossey, Dallas, Texas.

"I can now realize how thoughtful the churches were, over 30 years ago, to put the retirement plan in their budgets." J. G. Scales, Okla.

"The Lord is using Southern Baptists through the Annuity Board to take care of us older preachers and their widows." L. G. Hastings, Texas.

"How thrilled I am to receive the '13' Check . . . I have depended on the annuity checks for 20 years and I am so thankful they have never failed me." Mrs. L. V. Coggins, Aurora, Mo.

The above quotations were taken from the Boards' official publication, The Years Ahead.

I would add my own personal word. Without this retirement plan of Southern Baptists my wife and I would be hard put to it to meet all of our financial needs at times.

Respectfully submitted,
W. P. Biggerstaff

CHURCH TRAINING REPORT

Church Training, when used, promises better informed leaders. Our improved approach in Church Training will be very helpful. Any Church can now have a Church Training program, if they have any need for trained workers or better informed members. Our improved Church Training is flexible and can be adapted to serve in any situation.

We are trying to make help available to all churches. We are seeking to train a "group team" within each group of churches in our association. The "group team" will work with churches of their group. We have a very fine "associational team" who are working diligently to train and help the "group teams".

We are planning for "M" night to be at a place to be announced on November 30, 1970. This program will be planned to bring information and inspiration.

We feel that the improved approach to Church Training can and will be helpful to the extent that we use it. It must be used to be helpful.

Respectfully submitted,
E. H. Sessom

REPORT OF SUPERINTENDENT OF MISSIONS

The main emphasis this year has been on helping the churches get ready for the new opportunities in the '70's. This has involved much planning, promoting, training, meeting, and endless conferences. Our associational organization Directors have worked above and beyond the call of duty in informing and inspiring our people for the unprecedented challenge of the new decade.

It has been my privilege this year to be in 51 churches, to preach or teach 139 times, to be in 144 committee or other such meetings, to contact individually hundreds of people, to serve as a trustee of Wake Forest University and on the Board of Directors of the Cleveland County Mental Health Association. I have participated in deacon ordinations, deacon schools, ordination to the ministry, several funerals, ground breakings, dedications, pastor's appreciation services, building open house, reception for new pastors, three revivals, a Family Life Conference, Pastors' Seminary Extension classes, Ministerial Students' Orientation Week at Gardner-Webb College, group training schools, State Convention briefing meetings, co-hosted with the Seminary Extension luncheon meetings for the pastors in all six church groups, January Bible Study, W. M. U. Mission Study, anniversaries, homecomings, and others too numerous to mention.

During the year we are happy to report that a Youth and Family Services Ministry has been started with Rev. Herman Nodine serving as Director. Shelby First Church has begun a ministry to the silent people of the County and Putnam Memorial Church continues to provide a Sunday School class for the mentally retarded. A prison ministry continues and plans are being considered to make it even more effective.

Our office continues to offer any service it can render. We want to be of help to all the churches. Give us the privilege.

Respectfully submitted,
C. O. Greene

WMU REPORT

WMU has had a good year in 1969-1970. There have been increases in many of the churches, in membership in the WMU organizations.

Beginning in October, we feel that we have had a face lifting. There are now five organizations with new names: Baptist Women, Baptist Young Women, Acteens, Girls in Action, Mission Friends.

Our tasks are the same: Teach Missions, Lead Persons to Engage in Mission Action, Support Missions through Praying and Giving, Interpret and provide Information concerning the work of the Denomination.

We pray that we might not forget the primary task of every Christian, that of winning people to our Saviour.

The WMU Associational Council requests that you pray for us as we continue the work in 1970-71.

Respectfully Submitted,
Mrs. W. D. Ledbetter

BAPTIST CHILDREN'S HOMES

As the ministry to larger numbers grows, the ministry to the whole person grows. The children are given a year round program that includes a spiritual ministry, scholastic growth and physical needs. Vacations are planned that give these precious children a wholesome experience to remember.

As associational representative, please allow this suggestion to be made. Make a special effort to have one of the staff in your church during the coming year.

People will appreciate and become more involved in this ministry when they gain insights into the complex, difficult, but wonderful job that is being done by North Carolina Baptist Children's Homes.

Respectfully submitted,
Russell Fitts

ASSOCIATIONAL SUNDAY SCHOOL REPORT

The Sunday School Council of the Kings Mountain Baptist Association submits the following report of our activities during the past church year.

There were four Sunday School Council meetings held this past year, one of them being a supper meeting at the S & S Restaurant in Boiling Springs on April 16.

Our Associational Sunday School was well represented at the Shaping the 70's Conference in Asheville on January 22-23, 1970, and the response of our Sunday Schools to our Shaping the 70's Clinic at Bethlehem on February 24 was exceptionally good. There was definitely a spirit of optimism concerning the new Sunday School program on the part of those present for this clinic, and there were 46 churches represented.

On January 27 and March 2 the Sunday School Council conducted training sessions for teams from each of our six groups of churches, who in turn led the three group clinics in which Sunday School workers from the local churches were orientated in the new Sunday School work. These three group clinics were as follows: May 5, Shelby and Waco Groups, Second Baptist Church, Shelby; May 12, Kings Mountain and Grover Groups, Bethlehem; May 18, Lattimore and Polkville Groups, Double Springs.

Under the leadership of Bro. Jim Rice our Vacation Bible School faculty participated in the VBS Clinic at Wingate January 5-9 and on March 24 conducted two VBS Clinics, 9:00 A. M. and 7:00 P. M., at Second Baptist Church, Shelby, with a make-up clinic on April 28 at the same location.

On September 22, at First Baptist Church, Shelby, the Associational Sunday School conducted a pastor-laymen prayer breakfast as part of the preparation for the Kick-off Rally that evening. The Rally was designed to provide inspiration for the Sunday School leadership of the local churches in launching the new program; and Gene Watterson, Roland Leath, Mrs. E. T. Bailey, Gary Southard, Van Ramsey and the Good News Singers of America, the pastors Quartet, and Arthur Smith are to be commended for their outstanding contributions in attaining this goal.

Churches still desiring assistance in the new Sunday School work may contact your Associational Sunday School Director or the superintendent in your group, and we will gladly render any service possible to enable you to do a more effective job in administering the Bible Teaching Program in your church.

Deep appreciation is expressed to each member of our Sunday School Council and to all others who have cooperated in Shaping the 70's for our Lord through the Sunday School.

Respectfully submitted,
Your Associational Sunday School Council

ASSOCIATIONAL MUSIC REPORT

The Associational Department of Music is anxious to serve the individual churches of the Kings Mountain Baptist Association. An effort to create a closer contact between choir directors is a goal for the coming year. Plans formulated to guide us are:

- (1) Anthem reading sessions for directors
- (2) Special training sessions for small groups of churches which will be offered to choir directors and choir members.
- (3) Periodical fellowship among choir directors
- (4) A time for choirs from various churches to sing for each other.
- (5) Regular choir festivals

Other plans to involve choir members are being made. Every call of assistance will be honored by the associational music director and his committee. It is our desire that a more spiritual program of music will result in all the churches working together.

Respectfully submitted,
Van H. Ramsey
Associational Music Director

REPORT ON CHRISTIAN LITERATURE

Literature that is worthy of the name Christian must be Christ-centered and Bible-centered. Genuine Christian literature should have only one purpose: to glorify God in His redemptive work through His Son Jesus Christ.

Our hearts thrill at the abundance of Christian literature available to so many today. First in printing and sales is the Holy Bible. Our Christian literature comes to us through the scores of denominational printing presses, including our own Baptist presses. The Southern Baptist Printing House in Saigon, Vietnam, is managed by W. T. Roberson, former pastor of Second Baptist Church, Shelby. This press turns out most of our language literature for South East Asia. We should pray for Bill and Audrey and their family as they labor for Christ in that war-torn country.

North Carolina Baptists owe a debt of gratitude to our own Biblical Recorder for the contribution it has made for many years. Marse Grant, the present editor, deserves our commendation and prayers. Put the Biblical Recorder in your home, read it, and you will be a better Christian citizen of the Kingdom of God.

This report would not be complete without some words on behalf of the American Bible Society. "The American Bible Society is committed to a policy of placing at least a portion of Holy Scripture into the hands of anyone who will read it. Price must never be a deterrent. Scriptures are always sold in the United States below the full cost of publication and distribution and overseas at a fraction of their actual cost. They are cheerfully given without charge to those who cannot afford to pay anything.

This policy is made possible by contributions to the Society and by asking all customers to send full payment with their orders.

The responsibility rests equally with the home and the church to place Christian literature in the reach of our children and loved ones.

Respectfully submitted,
T. W. Bray

1970 REPORT OF THE BIBLICAL RECORDER TO THE ASSOCIATION

More than ever before, North Carolina Baptists need a dependable source of information. It is difficult these days to get an honest and accurate report on important issues.

In some cases, half truths and rumors are circulated, some of them designed to embarrass and ridicule Baptists. Since it takes so long for truth to catch up with error, some of these impressions in people's minds are never corrected. This makes progress and unity more difficult.

For 137 years, North Carolina Baptists have had the Biblical Recorder as a dependable source of information. Week by week it goes into the homes of nearly 90,000 families, striving to speak the truth in love.

In the past year, the Recorder was pleased to have had a part in the election of Dr. Carl Bates of Charlotte as president of the Southern Baptist Convention. A Recorder editorial endorsing him was considered a factor in his election on the first ballot at Denver. It is an honor to have the convention president from our state. This is just one example of the influence the Recorder has had in the past year.

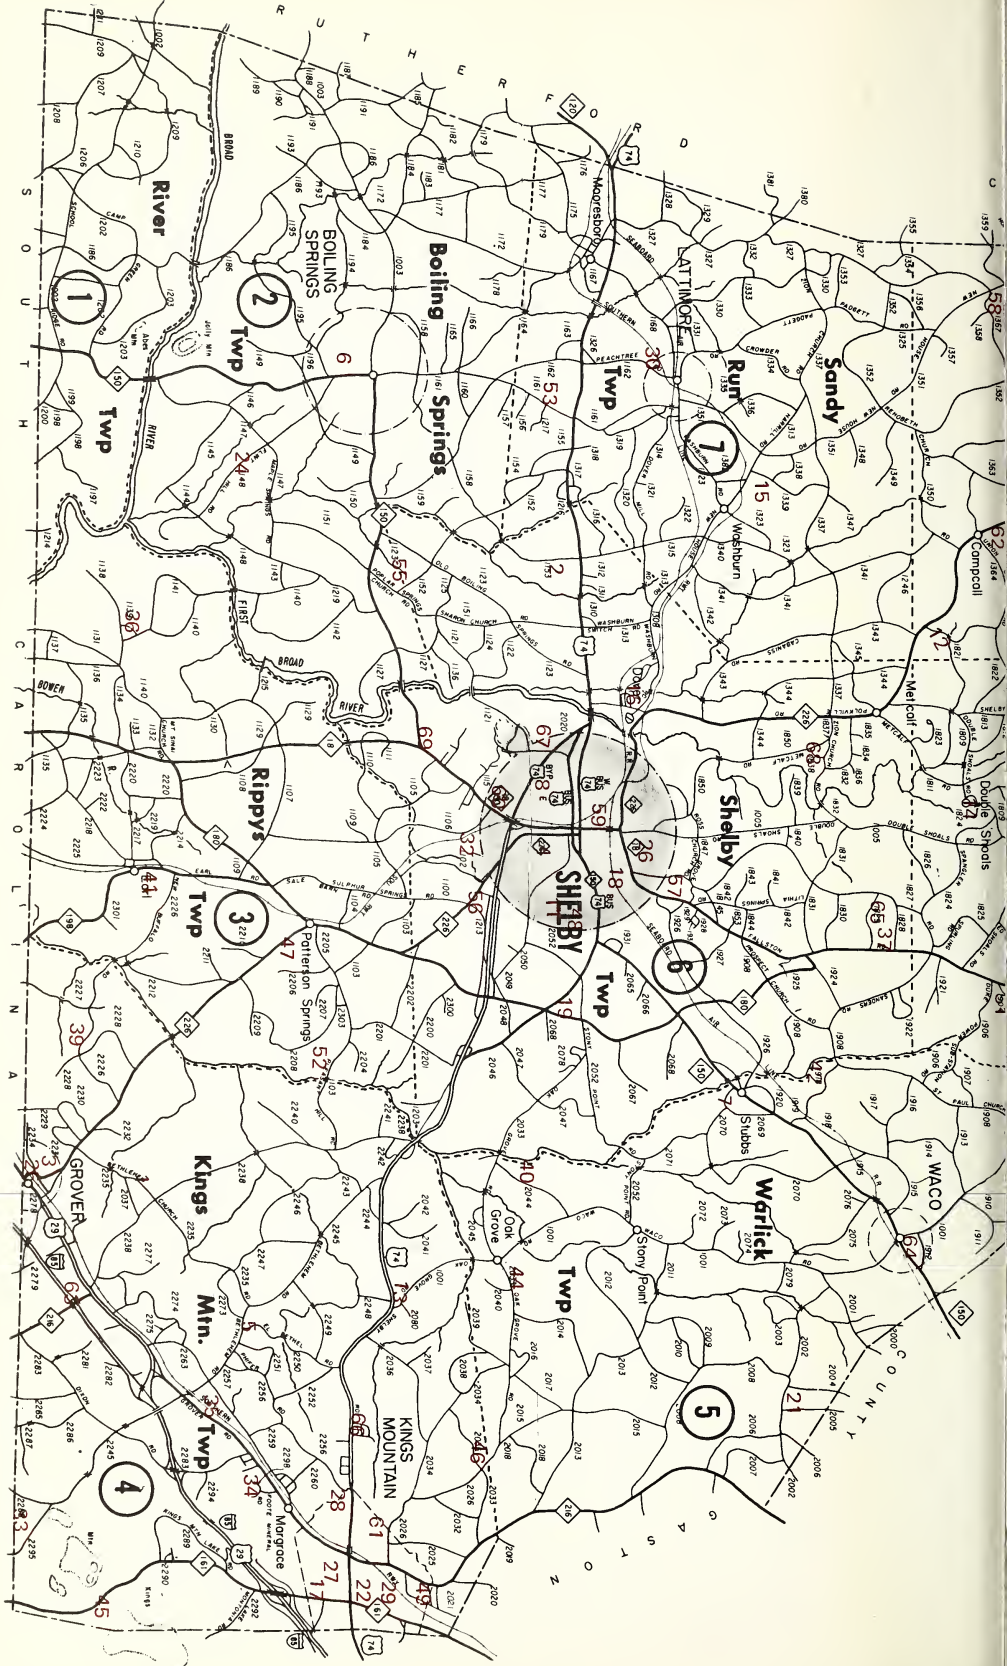

Looking to the future, the Recorder promises to continue its fight against liquor by the drink, even in the face of strong opposition from those who are pushing for a greater flow of liquor in our state. If your church is not sending the Recorder to every home, try doing this for the coming year so your members can receive the full story on the 1971 General Assembly.

Your church would not think of trying to carry out its mission without literature devoted to the Sunday School, Church Training, WMU, Brotherhood and all other church organizations. The Recorder is just as important and should be in the budget just as this literature is. The cost is only 4¢ a week, a penny less than a post card. Your church is the loser by not taking this step. Won't you do it this coming year?

Respectfully submitted,
J. Marse Grant, Editor

GARDNER-WEBB COLLEGE
Lloyd C. Bost, Chairman, Board of Trustees
E. Eugene Poston, President

The fulfillment of a dream has become a reality. Gardner-Webb College is now a senior College. The senior class was added to the college at the opening of the 64th year of service to the Baptists of North Carolina. When the senior college program was approved by the Trustees in 1961, a goal of 1,000 students by 1970-71 was projected. The actual enrollment for this school year is 1,537, with 307 of these being seniors.

These 1,537 students are being taught by 88 faculty members. The administrative staff number 56 and 44 make up the maintenance and cafeteria staffs.

The college is in the midst of a campaign to raise \$1,500,000 for the building of a new library building, a classroom building, a dormitory, and to enlarge the Webb Administration Building. Endowment Funds are being sought to assure stability in faculty and curriculum.

Even though Gardner-Webb will remain primarily a liberal arts senior college, she will continue to offer the two-year Nursing Program and the two-year Data Processing Program. A very important addition for the present year is an IBM 1130 Computer. The Computer will be used in the academic and administrative phases of the college. A Computer Science Major is already a part of the senior college program.

A strong program for recruitment of ministerial students was begun two years ago. At the present time there are 99 ministerial students at Gardner-Webb. There are 55 others preparing for full-time Christian vocations. More emphasis will be put on this program in the future. During the past summer 24 students did summer mission work in six states - New Mexico, Pennsylvania, Illinois, New Jersey, North Carolina, and South Carolina. The intern program for ministerial students under the leadership of the Reverend Charles W. (Buddy) Freeman, College Minister, has proved to be a success.

The Gardner-Webb College Library passed the 50,000 mark in volumes on the shelves. Presently there are 50,647 volumes in the Dover Memorial Library. During the past year 9,965 volumes were added to the Library.

The College Endowment Funds have increased \$125,000 during the past year. The plant assets increased \$180,000. At the present time the assets of the college are valued at \$8,600,000. The endowment fund is valued at \$2,065,000 (including an irrevocable trust).

As of June 30, 1970, Gardner-Webb College owed a debt of \$985,585 to the First Union National Bank of Charlotte, North Carolina. This is being amortized at \$11,000 per month plus interest.

Gardner-Webb College is proud to be a part of the Baptist State Convention of North Carolina. We realize that the Cooperative Program is the lifeline for Christian education, missions and evangelism, and all the other work of Baptists. We pledge to support the Baptist cause throughout North Carolina, the Southern Baptist Convention, and the Baptist World Alliance. It is our desire to help every Baptist within the range of our ability.

Gardner-Webb's purpose is clear and concise "To develop quality Christian students who will think for themselves and who will dedicate themselves to the Christian way of life in the vocation of their own choice." We shall strive to fulfill this purpose in every phase of the life of the college.

BAPTIST MINISTERS' WIVES AUXILIARY REPORT

The Ministers' Wives' Auxiliary met monthly, October through May, carrying out the theme in their programs, "Reaching For The Unreachable".

Meetings were held in the homes with the exception of "Reaching for Fellowship" in February held in New Bethel Baptist Church Fellowship Hall at which time the husbands were invited to attend.

All ministers' wives are encouraged to attend these meetings which are scheduled for Thursday after the first Sunday, at 2:00 p. m.

Mrs. B. J. Traywick, President

BAPTIST HOSPITAL REPORT

Our Baptist Hospital continues to grow, in spite of its serious problems. Physical growth is the result of the long-range development program which has already seen the completion of the new power plant, the School of Nursing and Allied Health Building, and the additions to the Medical School. Construction of the new patient tower is progressing, after some delays, and is expected to be completed by mid-1972.

There is continued growth in the quality of patient care provided. There is improved equipment in the heart diagnostic center in the fight against heart disease; the department of nuclear medicine continues to make progress in the diagnosis and treatment of some of our most dreaded diseases; the stroke center renders valuable service in the study and treatment of strokes and brain tumors. New equipment for the Intensive Care unit includes an instrument which is attached to the patient and measures his heart action and blood pressure; if either varies from a safe range the machine signals the attendant immediately.

Changes in admission procedures have been made necessary by the financial crisis the hospital faces. When a doctor reserves a bed for a patient the admissions office contacts the patient to obtain the needed information, including the type and amount of his hospital insurance coverage. After estimating the hospital bill and determining the amount of insurance coverage, the patient is notified of the difference which he is expected to bring when he enters the hospital. An effort is made to counsel with all patients who need financial aid and assist them in getting help.

With all the growth, one thing remains unchanged: the desire and determination to care for the needy sick. This has been at the heart of the hospital's ministry since it opened in 1923. Last year it ministered to 5,225 Service Patients for 47,499 days of hospital care, in addition to the large number served in the Outpatient Clinics. The free care amounted to more than a million dollars beyond what these patients, their insurance, and all sponsoring agencies paid. North Carolina Baptists provided \$565,000 of this amount - \$237,000 through the Cooperative Program and \$328,000 through the Mother's Day Offering. To date this year 54 churches in our association contributed \$8,237.71 of the Mother's Day Fund, thus helping the hospital keep faith with its purpose.

Though our Mother's Day Offerings have grown they have not kept pace with the rising costs and our hospital is running a heavy deficit. If full use is to be made of the new medical procedures and facilities in fulfilling our mission, we are going to have to give our Baptist Hospital additional support.

BROTHERHOOD REPORT

The Associational Brotherhood Department began the year with a Mission Rally at First Baptist Church, Shelby, on November 17, 1969, at 7:00 P. M. with emphasis on Foreign Missions. This was a joint meeting with the Associational W. M. U. Mrs. Frances Wyatt gave the Call to Prayer. The speaker was Rev. Gene Watterson, pastor of First Baptist Church. The Men's Chorus of First Baptist Church, Kings Mountain, provided special music. The attendance was excellent.

The Associational Baptist Men's Rally was held at Zoar Baptist Church, February 17, 1970, at 7:30 P. M. Mr. Hugh Dover rendered special music. The Associational Brotherhood Director outlined the Brotherhood work for the Seventies. Attendance was good.

The R. A. Conclave was held at Oak Grove Church on May 15, 1970, jointly with the Baptist Men.

A Workshop was held at New Hope Church August 18, 1970, at 7:30 P. M. The State Brotherhood Director was in charge. We had good attendance with twenty two churches represented.

It was our opportunity to attend several training sessions during the year. It was also our opportunity and pleasure to assist many churches in the Association during the year.

Respectfully submitted,
John H. Hendrick
Brotherhood Director

COOPERATIVE PROGRAM

When I was first asked to write an article concerning laymen and their support of the Cooperative Program a question immediately came to my mind.

Why should Baptist laymen support the Cooperative Program?

Most of the Baptist men in North Carolina, except in a very general sort of way know very little about the Cooperative Program. They don't know when it was started, why it was started, what it has done, what it is doing or what it can do.

So with this lack of knowledge, the question remains - - why should they support the Cooperative Program?

Our pastors and our convention leaders know why and I know why Baptist men should support the Cooperative Program.

Baptist men in North Carolina will support the Cooperative Program if they are shown the need to do so. They just simply haven't been shown the need.

People will respond to the needs of others and will give through the Cooperative Program to meet the needs once they have been shown the needs in a way that they can see and understand the needs.

From the viewpoint of a business man, why should he invest his money in something that he knows very little about?

A program to educate every Baptist layman in North Carolina should be started, and I hope that our pastors who are our spiritual leaders will use the many able and successful business men in their churches to help. They will help, if they are called on, and feel that they are making a worthwhile contribution to the Lord's work.

To help devise this plan of education, I'd like to suggest that a committee of four outstanding Baptist pastors and sixteen top-flight business men be constituted and let them be responsible for studying the problem. Let them see first-hand what the Cooperative Program has done and then let them come up with goals and plans to reach the goals. If this is done, I'm convinced that instead of our Baptist Convention having a budget of seven million, we can have a budget of twenty-five to fifty million dollars within the next three or four years.

Our colleges, our university, our publications, our hospital, our homes for older people, our homes for children and all of our mission programs will begin to receive the aid to which they are entitled for the wonderful work that they have done and continue to do.

The Cooperative Program is certainly a unique one, and Baptist laymen in North Carolina who understand the program will support our agencies through it.

As I see it now though, the question still remains - - Why should Baptist laymen support the Cooperative Program?

Respectfully submitted,
Carlos Young

GENERAL BOARD REPORT

Meetings of the General Board were held quarterly in October, 1969, January, April and July, 1970. Reports and requests from the various Committees and organizations were received. In addition to the routine matters, major items of business transacted by the General Board during this Association year include:

- (1) Approved plans and endorsed the specific emphasis of an Associational Wide Conference entitled "Shaping the 70's". Various clinics were held in Churches throughout the Association area.
- (2) Approved plans and endorsed the idea of the Association sponsoring a float in the annual Christmas parade in Shelby.
- (3) Approved the sponsoring of the Association Youth and Family Service Ministry for our area. This committee is headed by Reverend Herman Nodine. A committee was also appointed to assist Reverend Nodine.
- (4) Approved the purchase of a new IBM Selectric typewriter for use in the Association office.
- (5) Approved plans for the continuing of the Churches participating with Gardner-Webb College in inviting ministerial students to visit in our Churches for the purpose of allowing the students to participate in conducting worship services.

HISTORIAN'S REPORT

"This shall be written for the generation to come: and the people which shall be created shall praise the Lord." Psalms 102:18.

This has been an active year for some of the churches as they continue to make history. Boiling Springs moved into a new sanctuary and educational plant which, together with a thirty-seven acre estate, cost nearly one million dollars. On November 9, Ross Grove moved into its new educational plant on Highway 18 about one-fourth mile from the old site. A new sanctuary will be added later. Grover dedicated a new building June 21, 1970, with adequate facilities for every department. Plains View, in January, provided a handsome parsonage for its pastor and held open house. In February, Elizabeth dedicated a new educational plant. Union remodeled their Sanctuary and vestibule. Zion dedicated recreational facilities including an activities building and lighted playing field. Poplar Springs, in August, moved into a new Sanctuary topped by an illuminated spire.

Work on the Associational history has progressed nicely, if a little slowly. The history committee has held two meetings, and the committee and church historians and clerks had a dinner meeting at Gardner-Webb. About twenty churches have submitted adequate histories and twenty others have submitted a scattering of historical material; and the remaining 29 churches have submitted little or no material.

Total contributions given to the history by the churches during the past two years is \$2,631. At ten cents per member per year with the associational membership at over 25,000 members, the amount should have been almost twice this figure. However, we are grateful for the faithful churches and believe the membership will be fully rewarded when the history is completed. Most of the work and research is being done by the committee's historical secretary, Mrs. B. J. Traywick, who is expected to continue her work for at least another year.

The book should be ready sometime in 1971, or at the latest early 1972. Plans for the pre-publication sale should be announced by the committee this fall. Tentative plans are for a book of some 300-400 pages, well illustrated with some pictures being in color and of a format which will lend itself to teaching in the local church. Statistical tables and data will make it a valuable library resource.

Respectfully submitted,

Chairman, Historical Committee

REPORT OF DEPARTMENT OF INTERRACIAL COOPERATION

Corbin Cooper, Secretary

The Department of Interracial Cooperation has the primary purpose of promoting more cooperation between the two Baptist State Conventions in North Carolina. The objective is to aid Southern Baptists and National Baptists in North Carolina in their efforts to reach all people with the good news of the gospel. An increase of the spread of the gospel in all parts of the world depends on loving cooperation across racial lines at home.

63 representatives from the General Baptist State Convention attended the annual statewide VBS Clinic at Wingate College in January. They represented 17 of their 57 associations. A future goal is to invite representatives from all associations.

Conferences on human relations and interracial conferences have been held with the assistance of the Department of Interracial Cooperation.

Scholarship aid was provided for 23 students with the assistance of the Howard Memorial Christian Education Fund. 28 young people and adults were appointed as summer missionaries. These workers helped conduct 55 Vacation Bible Schools throughout the state. Summer workers also served with Bible Camps and youth groups in 4 cities and a week-day ministry known as "Camp Amigo" in Charlotte. Total enrollment for these ministries reached over 400.

SPECIAL EMPHASIS ON TRUSTS AND WILLS

THE FOUNDATION has again this year put a major interest on the making of wills. Many churches have used the facilities of the Foundation to conduct Will Clinics, and reports from these clinics indicate that they have been very successful.

THE FOUNDATION also has an opportunity to counsel with many people concerning their own wills, and in some instances has provided the information and direction necessary for inclusion of Baptist causes in their will.

THE BAPTIST FOUNDATION has had a most successful year, is on the move, and is rendering service to individual Baptists in a concrete way.

THE 1970 ASSOCIATIONAL FOUNDATION REPORT

The fact that The North Carolina Baptist Foundation, Inc. has tripled its assets during the past eight years is proof that this service arm of the Convention has found favor with North Carolina Baptists.

Since the Foundation was reactivated in 1966, assets have increased from \$350,000 to more than one million dollars. This includes trust funds and real estate.

THE FOUNDATION advances the Kingdom of God in two major ways: by serving individuals and by serving Baptist agencies and institutions. This includes the Cooperative Program, Missions, Higher Education, the Baptist Hospital, and Baptist Homes for the Aging.

1970 REPORT TO THE ASSOCIATIONS ON NORTH CAROLINA BAPTIST HOMES FOR THE AGING

God has blessed our Homes for the Aging through all of our nineteen years, and during the past year in a very special way. We acknowledge His goodness and thank Him for every manifestation of His love. We also want to express sincere gratitude to our Baptist people for their increased love and concern for the 195 dear elderly people to whom we are ministering in our five Baptist Homes - Resthaven, the Hayes Home, and Nursing Care Unit, in Winston-Salem; the Albemarle Home, in Albemarle; the Hamilton Home in Hamilton; and the Yanceyville Home, in Yanceyville.

An urgent appeal was made to our Baptist people before our offering in February to help us reduce the alarming deficit in the operation of the Homes. This plea was heard, and the offering, of \$168,349.34, from July 1, 1969 through June 30, 1970 from our Baptist Churches, has exceeded all other offerings in previous years. How grateful we are for this increase. We want to urge our people, however, to continue giving liberally to our Homes and to remember that we are still confronted with the staggering cost of living and the great need to strengthen the total economy of the Homes as we try to move forward in developing and expanding this vital ministry to the aging. For example, even though our offering reflects an increase over the previous year, this increase will only take care of approximately half of the additional amount necessary in operating the Homes for the coming year, due to inflationary pressures.

Of great interest in our Development Program is a proposed new addition to our present Nursing Care Unit. Judge and Mrs. William M. York, of Greensboro, North Carolina, have offered a gift of \$80,000.00 to the Homes for this purpose, contingent upon the Homes raising an additional \$80,000.00 by September 1, 1970. If this proposal is fulfilled, 10 to 12 additional rooms would be made available, with accommodations for 20 to 24 people, and bringing our total nursing care capacity to 80 beds. We appeal to Baptist people to pray for the success of this very special project in the care of our elderly sick.

There is no greater security for an older person than that of the Christian nurture and love offered in our Baptist Homes, and we thank the Lord, and our Baptist people, for this ministry. We shall continue to look to Him, and to our people, on behalf of these to whom Christian love means so much, in the faith that our needs will be supplied.

48 churches contributed \$5,175.61.

Walter Davis

MINUTES OF W. M. U. ANNUAL MEETING

The 76th annual meeting of the Woman's Missionary Union of the Kings Mountain Baptist Association was held at Pleasant Grove Baptist Church on April 14, 1970 at 3:30 P. M.

The theme for the meeting was "His spirit working in the 70's".

Mrs. Dwight Ledbetter, W. M. U. Director, called the meeting to order after which Mr. Allen Jolley led the group in singing "Seal Us, O Holy Spirit". Mrs. Jack Lail was organist.

The Call to Prayer was led by Mrs. Frances Wyatt assisted by a Y. W. A. Group. Miss Velve Hamrick of Pleasant Grove welcomed all those present.

During the business session, the following officers were elected for 1970-71:

W. M. U. Director: Mrs. W. D. Ledbetter

W. M. U. Assistant Director: Mrs. W. Y. Ellis

W. M. U. Secretary-Treasurer: Mrs. Thomas B. Austell

Baptist Women Director: Mrs. Joe S. Hamrick

Baptist Young Women Director: Mrs. Frances Wyatt

Acteens Director: Mrs. Joe Sanders

Girls in Action Director: Mrs. Harold Wright

Mission Friends Director: Mrs. Gerald Osborne

The following were appointed to serve on the By-Laws Committee:

Mrs. David Beam, Mrs. Harold Causby, Mrs. Eugene Roberts and Mrs. Joe S. Hamrick.

It was decided that the next annual meeting will be at Calvary Church, the tentative date being April 13, 1971. The proposed budget for 1970-71 was presented and adopted.

The following were recognized as Distinguished W. M. U.'s: Elizabeth, Pleasant Grove, Putnam Memorial and Ross Grove. The Kings Mountain Association W. M. U. is an Advanced W. M. U.

Mrs. Gerald Osborne explained the things which are new in Sunbeams for next year and the books that are needed to help in this work.

The Contemporaries, a singing group from First Baptist Church, Shelby, presented special music.

Mrs. Knolan Benfield, State W. M. U. President, led a study session, "Shaping the 70's", during which she presented the changes which will take place in W. M. U. work in October, 1970. The three basic changes are the rewording of the W. M. U. tasks, the use of new names for the organizations and the magazines, and the use of the new group grading system.

Rev. Ed Sessom, Pastor of Pleasant Grove Church, led the group in prayer after which the meeting adjourned for supper.

The evening session began at 6:45 P. M. with the singing of "Jesus Calls Us".

Mrs. Mary Lou Collins, Chairman of the Hospitality Committee, brought a report expressing appreciation to all those who had made the annual meeting a success. The report was unanimously adopted.

Mrs. W. E. McSwain told of the need for a scholarship for foreign students at Gardner-Webb College, and asked that those interested in helping contact her, Mrs. R. G. Burrus, Jr., or Rev. C. O. Greene.

Mrs. Frances Wyatt directed the presentation of a skit explaining Operation Pay-Off, the special effort of the State W. M. U. to pay for Camp Mundo Vista during 1970 and 1971. An offering of \$83.89 was taken for the Camp.

The Director of Cleveland Community Action, Mr. George Newman, and the Home Manager of Cleveland Community Action, Mrs. Fay Webber, showed slides of poverty areas in Cleveland County and explained the work of the anti-poverty program in helping the disadvantaged to help themselves. They urged that church members be sensitively aware and show understanding, care and concern for these people.

Special music was given by a Pastor's Quartet composed of Rev. Fred McGehee, Rev. Joseph Sanders, Rev. C. A. Kirby, Jr. and Rev. Harold Threatt.

The evening message was brought by Dr. M. Thomas Starkes of the Home Mission Board. Dr. Starkes told of the many and varied activities of the Home Mission Board in witnessing for Christ, and of the ways W. M. U. can help in the work. He emphasized that all Christians are missionaries now wherever they are, saying, "You, too, have been called to be a missionary".

The meeting closed with a very impressive meditation "Do You Really Care?" directed by Mrs. Joe Hamrick.
